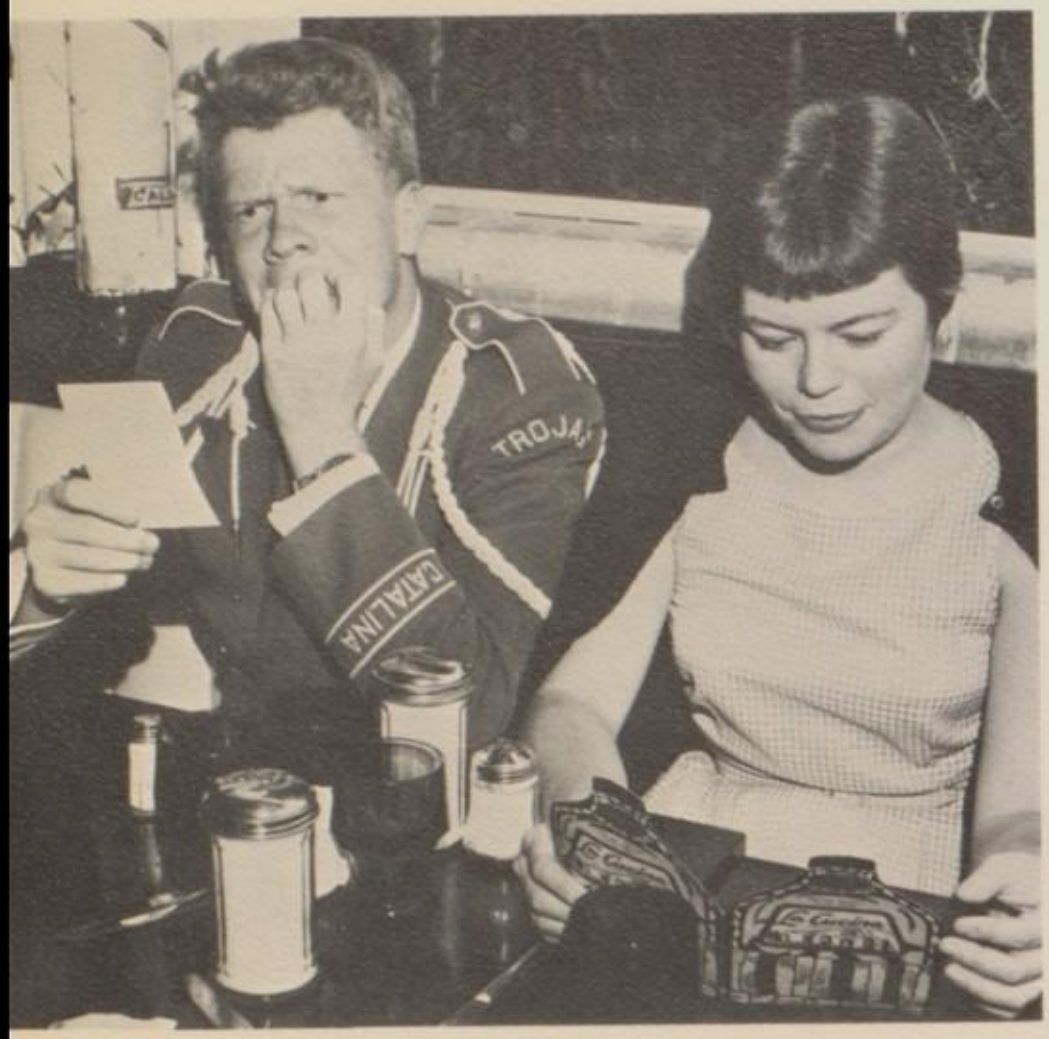
Primitive Indians hunting in this valley of the sun with bows and arrows—Spaniards building a mission and a fort here—pioneers camping by the Rillito River repairing a broken-down wagon—tall buildings of today towering over the booming metropolis that has grown from old Fort Tucson—civilization has indeed come a long way. Yet even with modern science and culture, we are searching for virtually the same things as those who have gone before us. The sun is our source of light, heat, and life itself. No wonder it was worshipped by many of the older cultures. Religions have centered on the sun god, planting of crops was done by his token, and requests were made for his favor before undertaking feats of valor.

As the sun sets on Catalina's fifth school year, casting its last rays on this phase of our lives, we pass onward, changing and growing, building our lives up to their highest peak. We reflect, we dream, and so we grow.

Yes, all past cultures were peoples striving as we all must to find a place in the sun.

'Never Have Enough Time!' Wail Teenagers



Eyeing the bill that Kay Wertman has already run up, Jerry Ervin mentally figures, "Now there goes next month's allowance, and that takes care of gas money for two weeks, and . . ."

The predominating wail, "There is never enough time to do anything!" crosses everyone's lips at one time or another during those thirty-nine weeks from September to June.

The ever-present homework problem offers no let up, nor do miscellaneous extra time users such as after-school jobs, football and basketball games, talking on the telephone, taking the car apart, and of course, putting the car together again.

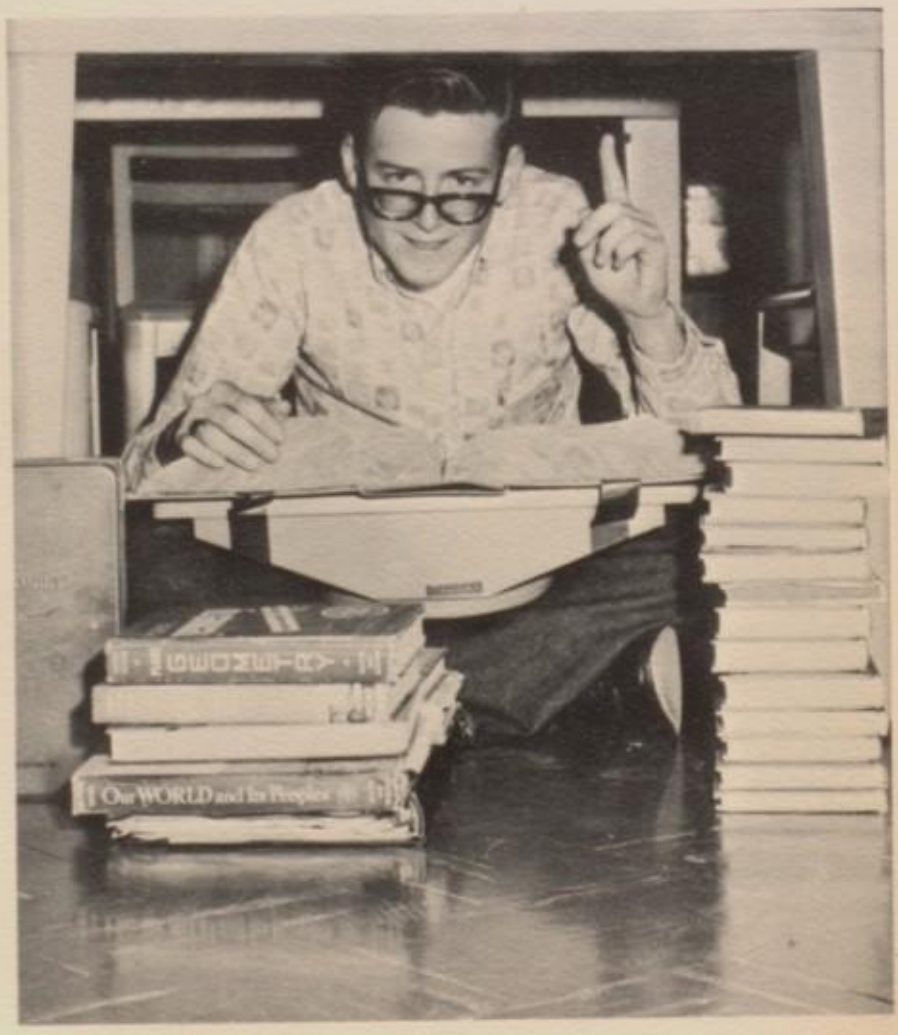
"Time for what?" the older generation may ask. "Everyone is alloted the same number of hours each day."

Teen-agers arise! A twenty-five hour day is definitely needed to drink a leisurely coke, ride around town, sleep, try to attract the attention of that new boy or girl, and still have plenty of time to do nothing. The refrain, "Here and there, this and that" reigns over every waking hour of the school day (and some sleeping ones, too).

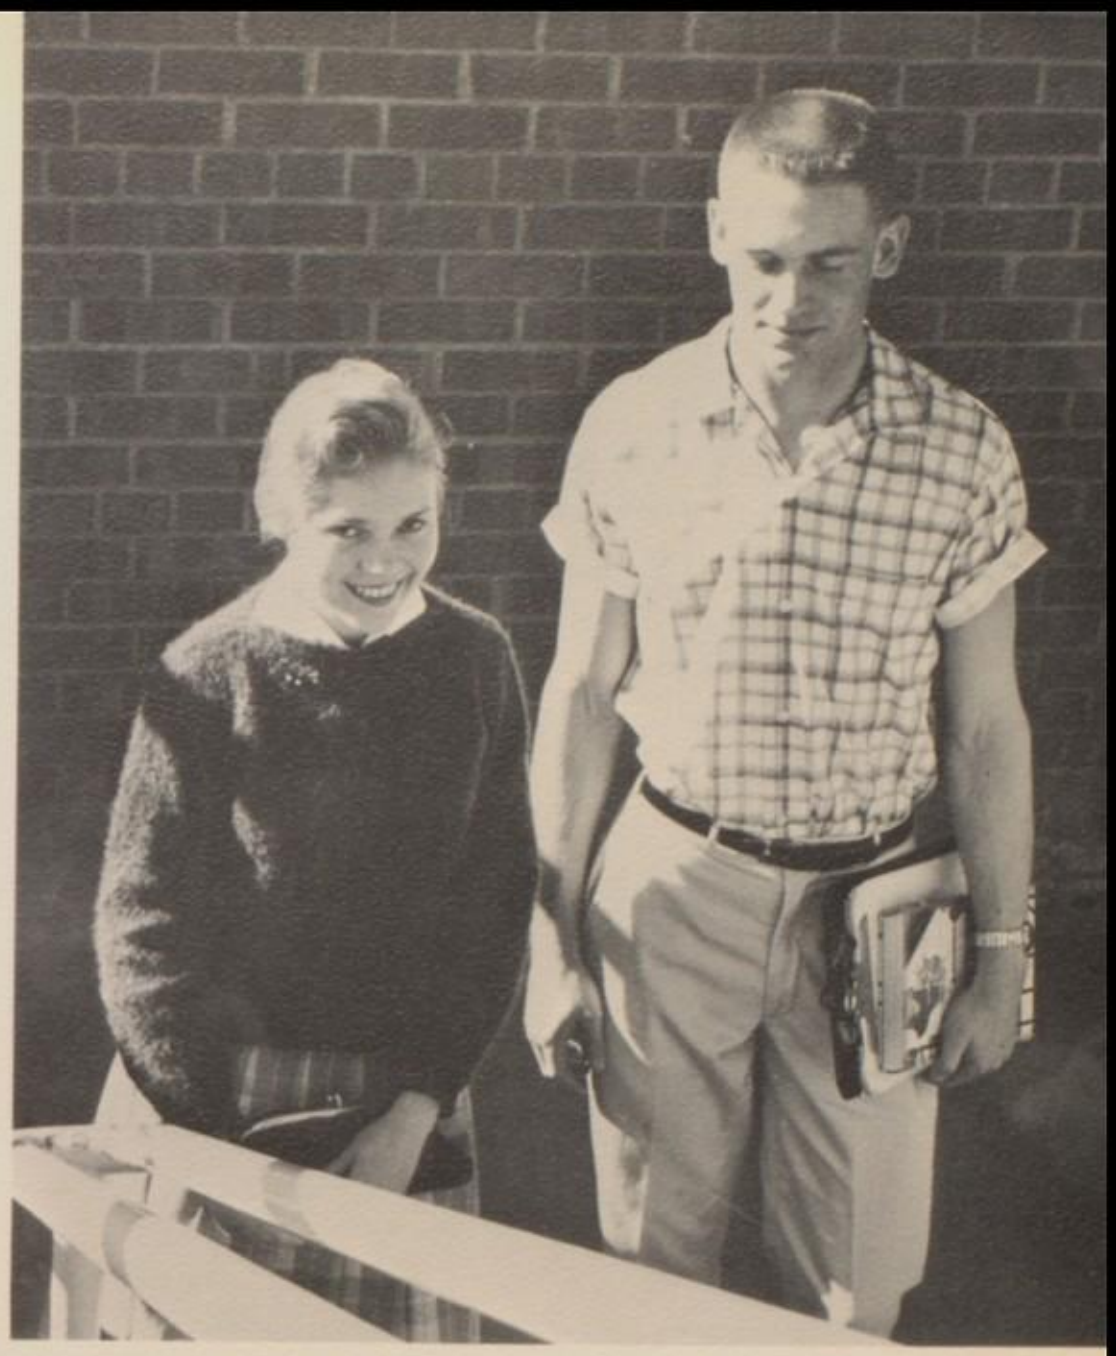
Before that common disease (utter exhaustion) sets in, summer vacation arrives. The sun turns the city into an oven, flies are buzzing, and everything is positively wilted. We soon find that five weeks of complete collapse and boredom are too much for anyone! What joy to be assured that the hustle and bustle of teen-age life is just around the corner at Catalina.

"Mistletoe! I dare you to use it!" smiles Joanne Cowgill as Don Walker holds it over her head.

"Aha! My last vocabulary word and the janitor hasn't found me yet," triumphantly exclaims Warren White.



Chanting "Peanuts for Polio" Molly Poole, Toni Roberts, Nona Piziali, and Lucy Richardson lure passersby to contribute.



Modeling some of the typical school attire are Mary Ann Moore and Phil Hastings.

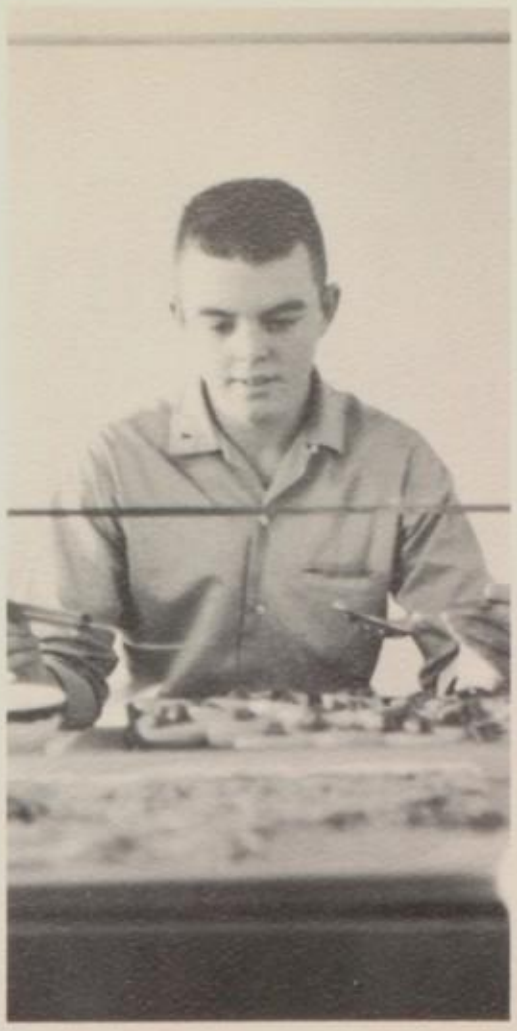
The-long awaited end of the day lingers in the shadows for Sandi Smith and Jack Kenan.

"A horse's carburetor couldn't possibly have been this stubborn," fumes Billy Herbert.

"Now a beautiful girl like you wouldn't charge us fifteen whole cents for a rootbeer!" is the cry of Roy Roberts and Pat Cunningham.

Astonished Bill Risner's face plainly says, "Now who ever thought that Anne McFarlane would go out with me!"

"The typical day of a carry-out boy wouldn't be complete without people who buy fifteen pound bags of peat moss," muses Jan Stenbakken.



"Decisions, decisions! All day long!" reflects Jack Tighe.

. . . **And tonight** the Sunday Evening Forum takes up the fascinating subject of African aborigines and their influence on modern civilization.

Religion plays a major part in the lives of students of Jewish and Christian traditions.

pointing the way along life's path . . .

Catalina is like a democracy—with each instructor a representative, each student a constituent. The instructors strive to teach each student loyalty, practical knowledge, and worth-while endeavors as he travels along his individual path under the sun.

With such excellent training, how can the youth of today, the leaders of tomorrow, fail?

CHS Is Crucible; Produces Future Adults

Silver keys, awarded by Mr. Gridley for a 1.0 semester grade average, have been earned several times each by Debbie Hand, Dave Getty, Joe Breck, Bruce Grossetta, and Aaron Latham.

From Catalina, a crucible for the fusing and forming of ideas and ideals, tomorrow's adults are produced. Adulthood itself, however, is no great accomplishment when it is accompanied by that ignorance which breeds mental stagnation. Tomorrow's adults, therefore, have to be zealously trained.

Youths analyze carefully and listen to the advice of their elders. Having done so, they are stimulated to perform and achieve. To perfectly adjust their mind and body for a happy and productive existence, youths have to develop coordination with the hum of activities of the culture in which they live. Through such coordination, they will fit into the machinery of civilization easily, successfully, and without unnecessary abrasion. They will become a part of that civilization, functioning as necessary and vital units in its advancement. Those who have succeeded, have truly made a name for themselves, will most assuredly find a prominent niche in tomorrow's rapidly advancing society. Watch carefully for them.

Unlimited Educational Opportunities Are Easily Found

Good teachers, the wide and varied curriculum, and excellent plant facilities, combined with initiative to learn on the part of the student, provide unlimited educational opportunities for all students willing to work. The means and methods of learning are free to all in our democratic system. Our comprehensive educational program this year provided subjects ranging from remedial English to honors courses in English and in mathematics.

Twenty-one teachers received scholarships, fellowships, or special awards of some kind to various institutes in the United States and Germany over the past year. There were so many of them that it was impossible to list all of the names and the honors. These teachers are trying to better their teaching ability and methods and further their knowledge in their particular subject. All teachers also get "in service" training during the school year in their subject area.

Education of many sorts can be found in life outside of school; that is nearly as basic and necessary as that taught formally. Life is the greatest teacher, and we are all pupils as long as we live.

ADMINISTRATION—Hugh V. Summers, business manager; Dr. Robert D. Morrow, superintendent of schools; Irene Erickson, assistant superintendent, elementary education; Charles A. Carson, associate superintendent; Dr. Thomas L. Lee, assistant superintendent, secondary education.

Superintendent of Public Schools, Dr. Robert Morrow heads school administration.

School Board, Administration Aim for Better Schools

"Tucson can have better schools only when the people are willing to sacrifice for them," comments Dr. Delbert Secrist, president of the Tucson School Board, District No. 1. "Everyone should at one time take a repose, and sit down with his conscience. When you see money being spent indiscriminately that could be going for our schools it makes you wonder what can be done."

The school board system is unique to America. The board is a group of five unpaid members who are interested enough in the youth of our country to give of their time and effort. They work closely with the administration of the public schools headed by Dr. Robert Morrow, superintendent of schools.

The Administration plans for the growth of our schools and acts for the betterment of them. They are constantly upgrading the preferred curriculum. The Administration also suggests policies, which in turn are acted on by the Board.

SCHOOL BOARD—Dr. Delbert L. Secrist, president; Mr. Norval H. Jasper; Mrs. Nan E. Lyons; Mr. Jacob C. Fruchthendler; and Dr. William G. Pistor, clerk.

Principal Rollin Gridley Holds A Many-Faceted Job

A high-school principal's job is a complex one. Principal Rollin T. Gridley's job ranges from heading the care of the school building to working in the area of parent and community relations. He is directly responsible for the administration of the school, the instructional program of the school, the coordination of all faculty meetings, the preparation of the school budget, and the administration of all programs promoting student welfare. Another of his many duties is the sending of the annual reports to the state and his superiors.

Mr. Gridley, a native of Janesville, Wisconsin, received his Ph.M. from the University of Wisconsin and later his A.B. from the University of Arizona.

Principal Gridley feels that the highlights of his career are his decision to come to Tucson, his decision to attend the University of Arizona, and his acceptance to teach at Tucson High School.

He has taught American history, American problems, world history, civics, and economics. A former basketball and football coach, Mr. Gridley achieved one of the best coaching records in the United States.

Thirty-four years with the school system well-qualify Principal Gridley for his demanding job.

Principal Rollin Gridley is presented with a watch by Salpointe at the Catalina-Salpointe football game in honor of his sports record.

Checking over the schedule for the day is Mrs. Lillian Leonard, secretary to the principal.

Quenelle Heads Registration, Attendance, Counseling

Assistant principal in charge of pupil personnel and records, Mr. Conrad Quenelle, smiles as he starts a day of work.

"Our comprehensive educational program stresses the importance of educating all of the people in all phases," states Mr. Conrad Quenelle, assistant principal and head of the registrar, attendance, and counseling offices. "Many high schools of a generation ago offered only the college preparatory course."

Mr.Quenelle believes the choices of a college and profession were his most important decisions. He received his Master's Degree from the University of Arizona and did graduate work at Duke University of North Carolina. He joined the Tucson school system fifteen years ago. Before he joined the faculty at Catalina, he was a science teacher at Tucson High and Safford Junior High. He also taught English at Pueblo and was a counselor there.

The registrar's office begins our schooling program by planning each student's schedule on a college, general, or vocational level. The attendance and counseling offices record individual statistics and advise students on their individual programs.

Registration procedures occupy the attention of Mrs. Betty Warner, Miss Helen Clark, and Mrs. Winnifred Simms.

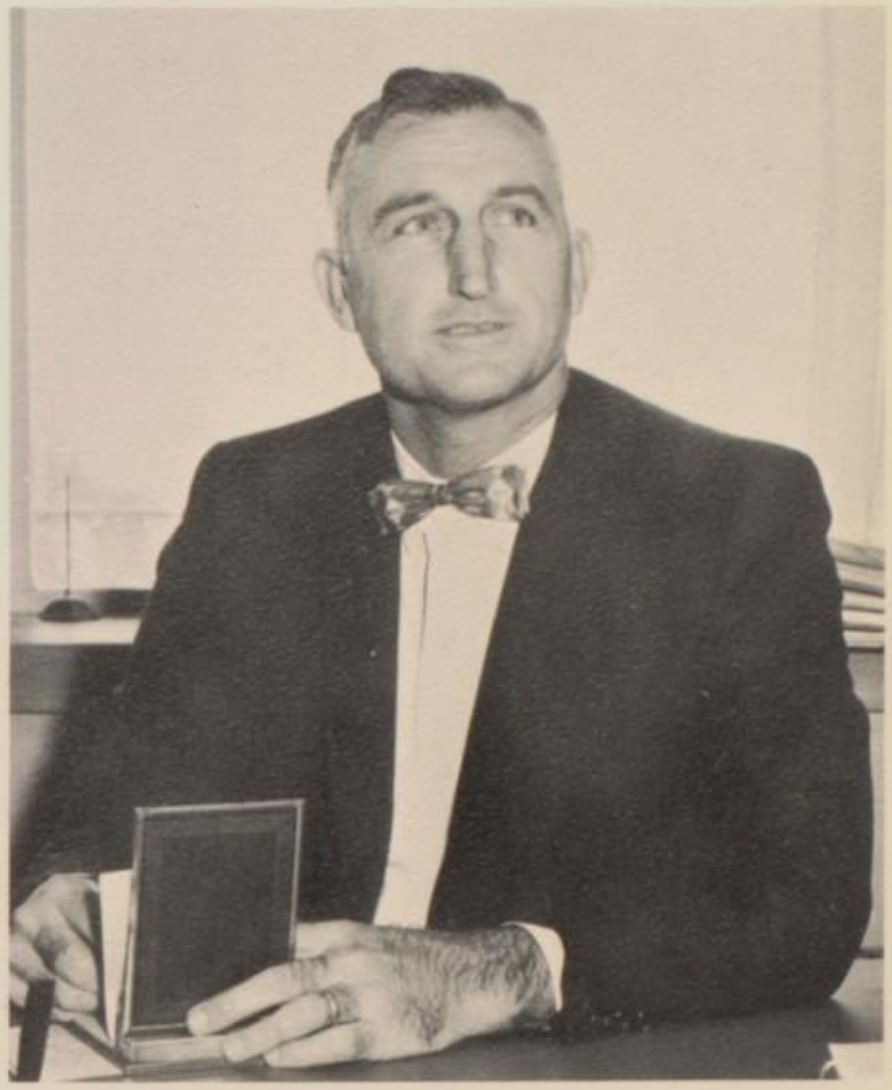
Lively, Full Schedules Face Deans Brown and Egbert

As dean of girls, Mrs. Myrtle Brown helps approximately 1,200 Catalina girls with both disciplinary and personal problems. Her other duties range from securing financial aid for needy students to setting up social activities on the school calendar. Sponsoring Girls League and co-sponsoring the Junior Red Cross, Dean Brown attends many of the school activities.

"Nothing is more fascinating than watching students grow and develop," she states.

Assistant principal of Catalina, as well as dean of boys, Mr. Henry Egbert is in charge of student activities. His energies are concentrated in three main areas. As Athletic Director, Mr. Egbert arranges all of the sport schedules, transportation, and meals for athletes on out-of-town games. He is responsible for the eligibility of all athletes and has charge of eleven interscholastic sports. Another of his duties is the overall supervision of clubs, extracurricular activities, and assembly schedules. As Dean of Boys, Mr. Egbert helps and advises any boys who might have problems of any kind.

In their work, both of the deans must work closely with parents as well as counselors.



Dean of boys, Mr. Henry Egbert, makes arrangements for an athletic event.

Scheduling an activity for the F.H.A. is Mrs. Myrtle Brown, dean of girls.

Dean's secretaries, Mrs. Nellie Groenert and Mrs. Mary Dyer, confer over the daily announcements.

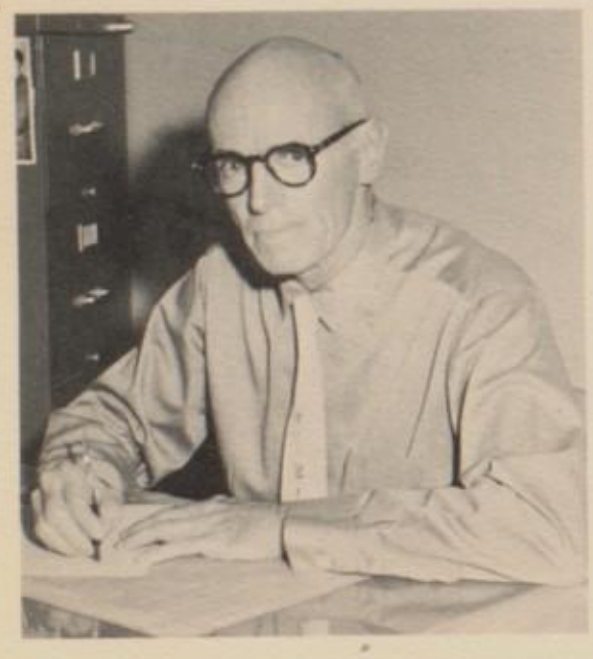
Helping Pupils Is Cited

As Satisfaction of Counseling

Using a semester schedule sheet, Mr. Gerald Brandsma tries to locate a teacher during the third period.

Chatting in an informal discussion are Counselor Lee Starr and students Janice Royce, Janet Hotchkiss and Bob Mathis.

Completing one section of a student's college application form calls for deep thought on the part of Counselor Gerald Houck.



Office help, Sandi Smith, Meredith Mutterer, and Don Walker, study chemistry during a break in errand running.

Helping one of his counselees, Mr. David Fithian locates the student's file.

Before advising a counselee, Mrs. Larae Hambenne studies a college booklet.

"The day of a counselor would not be complete without phone calls!" says Miss Grace Hendon.

"Guidance serves its purpose only when sought and followed" is a motto stressed by each counselor. Helping teen-agers solve their problems and paving the road to adulthood are cited as chief satisfactions of counseling.

Miss Jean Meinhardt, secretary to the counselors, was frequently found behind a line of students making appointments for them with the counselors and supplying information about the school.

Griping in general disturbs Mr. David Fithian. Collecting stamps is his hobby and he is the Stamp Club sponsor. He also does woodworking and recently finished building a house.

Bolivian head hunters and pyrannas are among the memories of Mr. Chester Parks. He has traveled over much of the world, mostly during World War II. People with no goals in life are what irritate him most.

Mr. Gerald Houck states that his most interesting hobby is meeting and helping young people. After being in the school system for thirty-five years, honesty is what he admires most, especially among young people.

Mrs. Larae Hambenne, a counselor for eight years, has the hobbies of plant growing and music. She has traveled in all of the fifty states except Hawaii and Alaska.

Miss Grace Hendon was the one who suggested requisitioning a noiseless scooter for the counselors to use for their numerous trips around the halls. Inconsideration to people, animals, and plants are what bother her most. Mineralogy, archeology, and American history are some of her hobbies.

Well known for his joke-telling in his counseling and classes, Mr. Gerald Brandsma's pet peeve is people who don't show proper respect for the flag. Iceland, Scotland, and England are foreign lands that he has visited.

Mr. Lee Starr expressed the common peeve of every counselor very aptly: "People with ability who don't use it provoke me!" Writing and tinkering around the house are his hobbies.

Call slips for students who want appointments with the counselors are taken care of by Miss Jean Meinhardt, secretary to the counselors.

Planning the homeroom program is one of Counselor Lee Starr's duties as chairman of the committee.

Checking over material and up-to-date data concerning counseling is Chester Parks.

Students Gain Experience In Distributive Education

"Experience is the teacher" is an old saying that is being proved by students doing business education work for a downtown firm. This is the second year that a distributive education program has been offered at Catalina. These courses, both beginning and advanced, are designed to acquaint students with selling, business procedures, and vocational efficiency. Nine instructors make use of the latest business equipment in teaching these skills to the 1000 students enrolled in this department.

The demand for experienced workers in this field is great. Many graduating students go into the industrial and business fields. This illustrates the importance and usefulness of a business education program.

The Business Education Department offers courses in typing, shorthand, bookkeeping, business training, commercial law, business machines, and office practice.

Alfred Zammit—business machines.

Timed writings help to better typing skill, speed, and accuracy as shown by Becky Clarke and Phyllis Bell.

Cooking Odors, Thread, Children Exemplify Homemaking.

Cooking odors wafting through the halls—spools of vari-colored thread rolling across the floor—small children jumping rope in the cafeteria patio—these things all typify some of the phases included in homemaking.

For the second year, homeliving, a class which boys and girls take together, was offered.

Under the direction of Mrs. Xenia Haushalter, the C. H. S. homemaking department focused its training on six phases: home management, cooking, sewing, finance, family relations, and family problems.

"What is it?" wonder Pam Cohen and Bill Herbert as they watch the culinary efforts of Judy La Ferer and Mike Devereux.

HOME ECONOMICS . . . Mrs. Emily Cox—homemaking . . . Mrs. Larae Hambenne—homemaking, counselor . . . Mrs. Xenia Haushalter—homemaking, department head.

Drivers Training, Education Stress Safety and Laws

Arizona laws were stressed by the teachers of drivers education. This six-weeks-long course, required during the sophomore year, is an important factor in educating future drivers in their responsibilities, encouraging proper driving attitudes, and teaching care of the car. Drivers training includes care of the car as well as the behind-the-wheel driving instruction.

With over 60,000 people killed on highways in the last year, drivers training and drivers education courses are taking on more importance.

"Now I'll know what to do if I have car trouble on a date," comments Irene Johnson after studying diagrams and models of automobile parts.

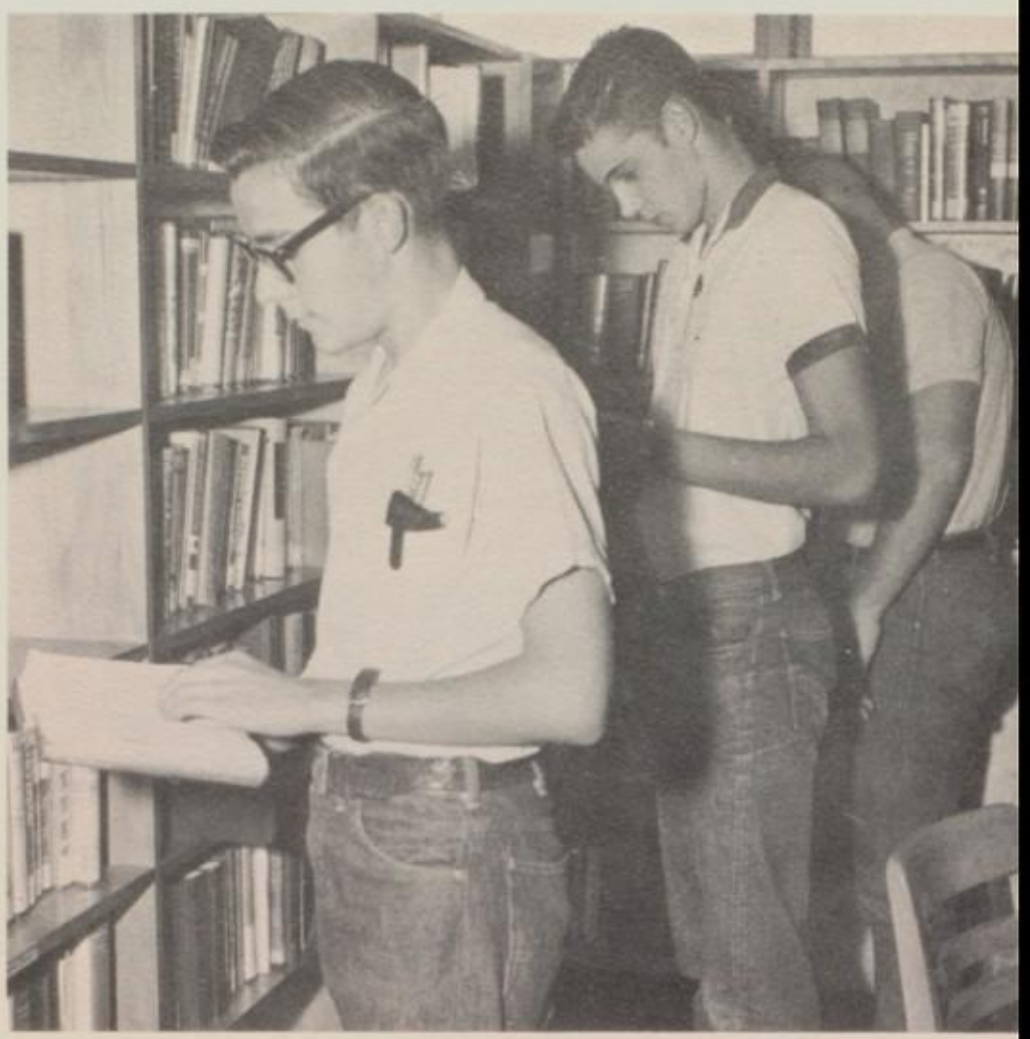
DRIVERS EDUCATION . . . Leon Morton — drivers training . . . Clyde Phillips —drivers training, Civil Defense and Safety, department head.

Acquainting Students Fully With A Language Is Vital

"Buenos dias, pax vobiscum, guten tag, bon jour"—these are some of the expressions that can be heard in the foreign language section of Catalina.

The basic English courses along with these languages comprise the Language Department. Mrs. Uarda Phelan, chairman of the Language Department, stated that the main purposes of the English classes are to teach the students to read, write, speak, and listen to the English language. Vocabulary, spelling, and grammar are also stressed as important by Mrs. Phelan, in English and in German, French, Spanish, and Latin, the four foreign languages offered here. Oral self-expression was an important factor in all of the languages except Latin, for, with the exception of Latin, the purpose of taking a foreign language is to learn to speak it with fluency and ease. Ancient and modern literature was discussed in all of the language courses.

There were two small honors English classes this year taught by Miss Betty Leddy. Those seniors who want to delve more deeply in their study of English can take this instead of a regular senior course if their grades in English have been excellent and they are able to keep up with this work. The same work is covered by this group, but extra material is taken up as well.



"Which book shall I take?" It's a tough decision for Harold Nicholls and Harold Barr with so many good ones filling the library shelves.

Fine Arts Classes Offer Self-Expression to Students.

FINE ARTS . . . Tow Row: Miss Mary Beath—art, department head . . . Max Brillhart—vocal music . . . Mrs. Elizabeth Burtis—art. **Bottom Row:** James Livieratos—drama . . . Harold Porter—vocal music . . . Carlyle Webb—orchestra, band.

The many and varied activities of the Fine Arts Department provide most of the students of Catalina with an opportunity to express themselves in music, art, dance, and drama as well as to receive general enrichment and stimulation in these broad fields.

The Boy's Chorus, the Girl's Choir, A Cappella Choir, and Concert Ensemble are supervised by Harold Porter and Max Brillhart. The band and orchestra are under the direction of Mr. Carlyle Webb. Members participated this year in the All-State Band and Orchestra, and they and the vocal music students participated in the Music Festival that was held at the University of Arizona.

Mr. Nick Livieratos is in charge of the drama classes. Several plays were presented to the student body during the year by the advanced drama classes with the scenery designed and executed by the stagecraft classes. A major musical was presented by the combined drama, music, and dance departments.

Under the direction of Miss Mary Beath and Mrs. Elizabeth Burtis, various courses in arts and crafts were taught including commercial art, general art, and art workshop. The general courses included a taste of sculpture, fashion design, silkscreen, sketching, basic design, painting, and perspective drawing.

Stagecraft classes are in charge of cleaning the props after each play that is presented.

Sketching a life-sized figure for a fashion drawing, Peggy Lawson works intently.

Under the direction of Max Brillhart, the Boys Glee Club practices one of the numbers for the Christmas program.

Opportunities Await the Students in Industrial Arts

"Many opportunities exist in our Industrial Arts program for both boys and girls to acquaint themselves with the tools and processes of industry and develop skills which can be profitable when used in leisure time and as a profession. Such experiences can lead them to the wise selection of a profitable vocation," states Mr. Fred Piziali, head of the Industrial Arts Department.

Vocational classes taught at Tucson High School are attended by boys from Catalina, Pueblo, Tucson, and Rincon High Schools. Students interested in going beyond the industrial arts courses offered by their own school may enroll in the following courses on the vocational level: welding, auto mechanics, carpentry, printing, and machine shop. These courses are generally for boys who consider high school the end of their formal education and expect to enter right into trade. There is usually some required additional apprenticeship, but the boys are helped in choosing a trade to follow and are helped to explore the field fully.

Mathematics Helps Students in Their Everyday Living

MATHEMATICS . . . Top Row: Richard Barnes—general mathematics, algebra, basketball . . . Mrs. Barbara Buchalter—geometry, general mathematics . . . Ralph Futrell—algebra, geometry, department head. **Second Row:** Dured Gordon— geometry, algebra . . . Gerald Houck—general mathematics, counselor . . . Thomas Johnson—general mathematics, algebra. **Fourth Row:** Gene Leber—general mathematics, algebra . . . Bennie Linkhart—algebra, community drives . . . Edward Maxwell—geometry. **Bottom Row:** Robert Treat—general math, algebra . . . Lester Wood—geometry, baseball.

Mathematics has become an essential implement in everyday living. Families use common math in preparing their budget and in filling out income tax returns. Mathematics affords a foundation for the research, development, and investigation in the field of science. Math is an indispensable tool in the fields of commerce and business.

The proferred math courses are gauged to prepare Catalina's students for entering the world of numbers. Algebra, geometry, general math, and Illinois algebra and geometry were offered this year. There was also a small advanced class which has carried a small group of seniors through college algebra, trigonometry, analytical geometry, and integral calculus. When the seniors in this class graduate, this course will no longer exist. The Illinois system will take over.

Math students competed this year again in the Math Contest. The prizes that they were working for were books of tables and certificates of merit. For placement on the national level, a math scholarship was awarded.

There were more than 1,650 students taking math this year.

Working a problem on the giant sliderule, Mary Young explains math to Doug Ward.

Sportsmanship, Physical Fitness Are Stressed in P.E.

Speed-a-way can be exciting as these girls will tell you!

With the Olympics over for another four years, the students at Catalina realized how great a part physical fitness and good sportsmanship play in our lives. Our Physical Education Department has done its part by stressing these two ideals. They fulfilled their purpose by encouraging leadership and the development of skills in the variety of courses offered.

All students are required to take five semesters of physical education and one semester of health in the junior year.

Healthy exercise helps students to be physically fit and alert in daily living.

Science Plays Increasingly Important Role at C.H.S.

Years ago, the state of science was virtually immovable and unprogressing. Today, the necessity for greater advances in such fields as communications, defense, medicine, and agriculture urges scientists the world over to advance to meet the challenge. Never before has man's life been so affected by scientific works as it is now.

Science has played an important role in homes across the nation, as well as in schools. Stressing the importance of keeping up economically and remaining close to Russia and other nations in the space race have been a concern of parents and teachers. This year has brought an increase of science credits required for graduation.

Catalina's students have shown their concern and interest in our well-equipped science classrooms of biology, chemistry, physics, and physical science. Students learn the scientific methods for problem solving in the classes under the direction of able teachers. Over nine hundred students were enrolled in the science classes this year.

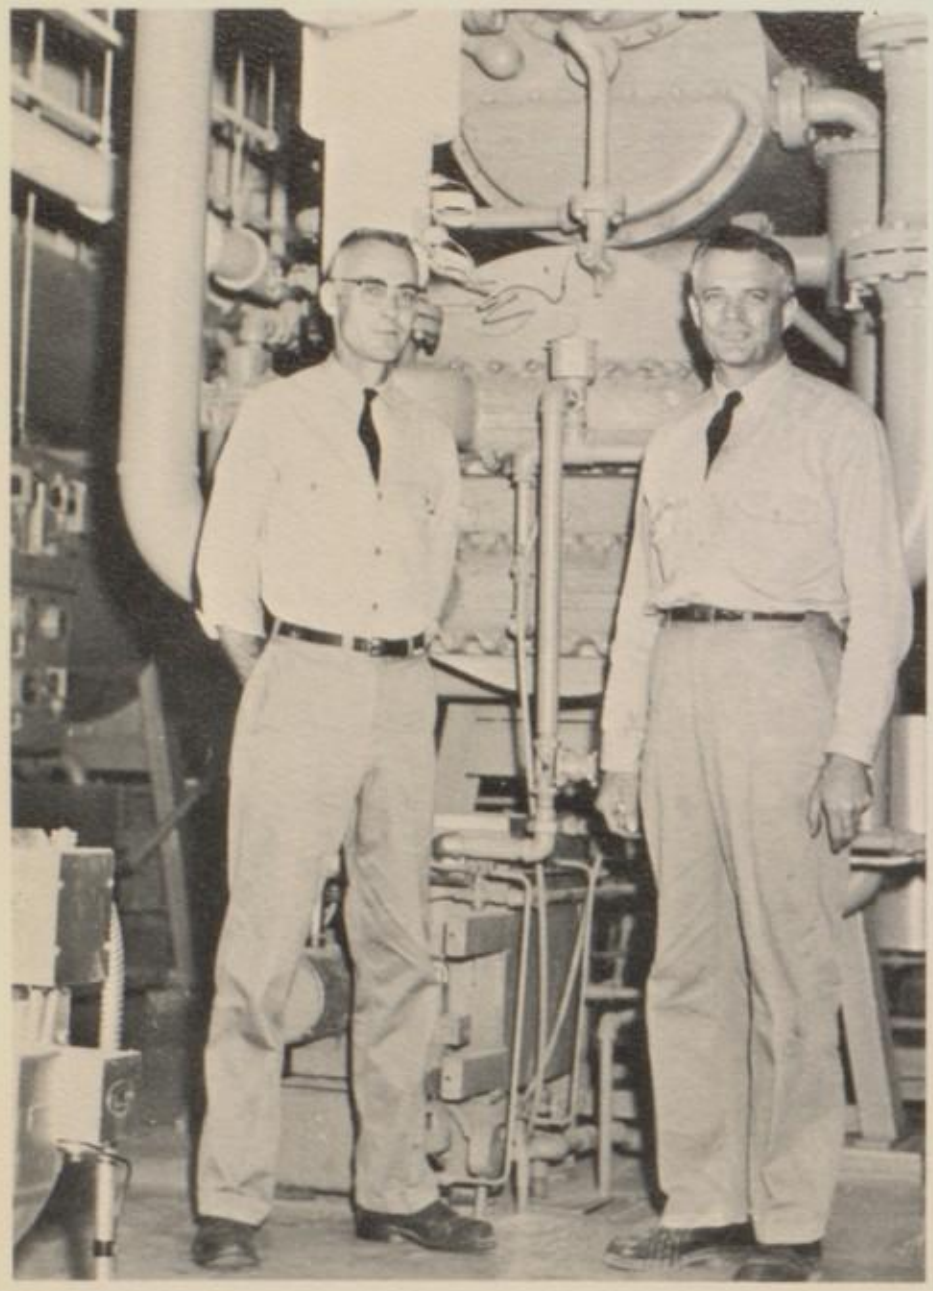
In times when America faces world crisis as it has during the past year, it becomes increasingly important for the nation to have good leaders. We are standing on the edge of new frontiers where we are bound to come up against a great number of obstacles which must be overcome.

Since today's students are tomorrow's leaders, it is necessary for young people to acquire a wider knowledge of their country's history, principles, current affairs, and foreign policies. The development and guidance of responsible citizens able to realize their privileges and duties is the overall aim of all courses offered in the department.

Courses in this department required for graduation are American history, American problems, and world geography or world history. Students wishing to broaden their social studies background and learn more about our country and its neighbors may take electives such as Latin American history, world problems, and history seminar.

Observing a court in action, members of a social studies class learn about judicial procedure firsthand.

Office, Maintenance Staffs Run Modern Conveniences



A formidable array of equipment backs the school's two engineers Harry Phenis and Irwin Reister.

In Catalina, a structure of brick and stone, lit by electricity and efficiently heated and cooled, we have no worry of food, running water, or other conveniences. Did the pioneer schools have a maintenance man to light the furnace? Was an efficient office staff ready to take care of attendance, registration, and the many other tasks in the school? Or were there beautifully landscaped school grounds? And how many people prepared and served a school lunch in the middle of the day?

Yes, the age of discovery and advancement has done a lot, and our office and maintenance personnel tend the advances in physical surroundings and services for CHS students.

The school nurse, Mrs. Leona Korttila, gives a hearing test to Barbara Angerer.

Watchman A. J. Landreville has the job of patrolling the grounds and school buildings and taking the license numbers of improperly parked cars.

The main duties of the bookstore are managed by Mrs. Geraldine Burneo, Duke Montgomery, Robert Keag, and Mrs. Hilda Dempsey.

Library staff members are: front, Mrs. Luanne Scheuerman and Mrs. Emily Griggs; back, Miss Grace Hamilton and Mrs. Arlene Lawson.

Janitorial duties ended for the day, Manny Gastelum, head custodian, Danny Verduzco, and Mrs. Hortense Carrillo check out.

A busy day for the office staff begins as Mrs. Berniece Ryan, Mrs. Jean Merchant, Mrs. Meta Moore, and Mrs. Jean Harris, PBX operator, check an attendance sheet.

Next week's lunch is being planned by Mrs. Lucille Di Lorenzo, who heads the kitchen staff, while Mrs. Ines Johnson and Mrs. Doris Schryer look on.

Inspecting the grounds which they maintain are Michael Wargo and Randolph Pribble.

Football Fever Grips Campus; Spirit Soars

Football fever gripped the Catalina campus and spirit soared high during September.

Students found settling down to school routine tedious after the exciting summer months. New acquaintances were made and old friendships renewed at mixers and parties.

The fun-filled out-of-town trip highlighted the month's activities as the Trojans traveled in a ten-bus-long caravan to Mesa. The Trojans were home late that night and much of the week-end homework was left until the last minute Sunday night.

"Opulentia" Sets Prom Theme

"Opulentia," the Senior Prom, featured the color white and an ivy-covered pool overflowing with mist. The most successful project of the class, the prom provided a climax to November.

Four days of Thanksgiving vacation afforded a rest from the first hectic months of school.

The Girls League Dad-Daughter dinner occupied one night of the month and taxed the girls' imaginations for decorations for their boxed dinners.

The Junior Class began their slate of events with a movie, "Seven Brides for Seven Brothers."

Blue and Silver Desert Depicts Torch Ball

Tumbleweeds among hues of blue and silver set the mood for "Desert in December," the fifth annual Torch Ball. Gail Price and Buddy Doolen, elected Torch queen and king, presided over the gay festivities. "The Littlest Angel" and selections from "Amahl and the Night Visitors" were spotlighted as the CHS orchestra, Dardanaires, and choral groups gave three performances of the Christmas pageant.

Excitement was unequaled as loyal Trojans turned out to cheer the basketball team on to victory.

On December 20, students closed the school day amidst anticipation of the two-week Christmas holiday.

Beards Grown as Wild West Look Hits Campus

Yippee! As February came, so did the western wear, the beards, and the "Howdy Partners" as C.H.S. took on the "wild west" look. Rodeo Week was highlighted by the crowning of Rodeo Queen Toni Roberts at "Cimarron City," a dance sponsored by the junior class. The day after the crowning, Queen Toni and her attendants rode in the annual Rodeo Parade.

Screams filled the air and worry-torn faces were seen as C.H.S. took on Tucson and Rincon in battles for the city basketball championship. After suffering defeats, the team put forth a final effort, and by virtue of two upsets entered the state tournament finals.

Decked in a flower hat, Queen Toni Roberts dances with escort, Mike Hennigan.

St. Patrick's Luck Beamed Down On Campus

The luck of St. Patrick's Day seemed to shine on campus in March as the basketball team placed in the state, and girls matched wits in competition for "the boy."

School spirit was not in vain as the basketball team ended second in the state.

Traditions were carried on when "Dear Season" came. The girls, who had waited all year, used all conceivable means (and some inconceivable) to capture "Mr. Dream." The season's highlights were the Does' Drag and the crowning of the Dear King.

Fun and fashion were found at the Girls' League Fashion Show where Molly Poole modeled a chic white sheath.

Anticipating the prospect of world travel are AFS finalists Aaron Latham and Lane Wipff.

Plans and advice flew right and left as seniors readied their acts for the Senior Capers. The Capers auditions brought to a head the thinking, planning, and rehearsing of acts that some of the seniors had begun more than a month before.

On April 23, the carefully guarded theme of the long-awaited of the Junior-Senior Prom was revealed. Those worthwhile hours spent in planning and decorating could be seen in the eyes of the proud juniors and pleased seniors.

The underclass primary elections and the Student Federation elections brought a flurry of campaigning and speeches on the part of the various candidates.

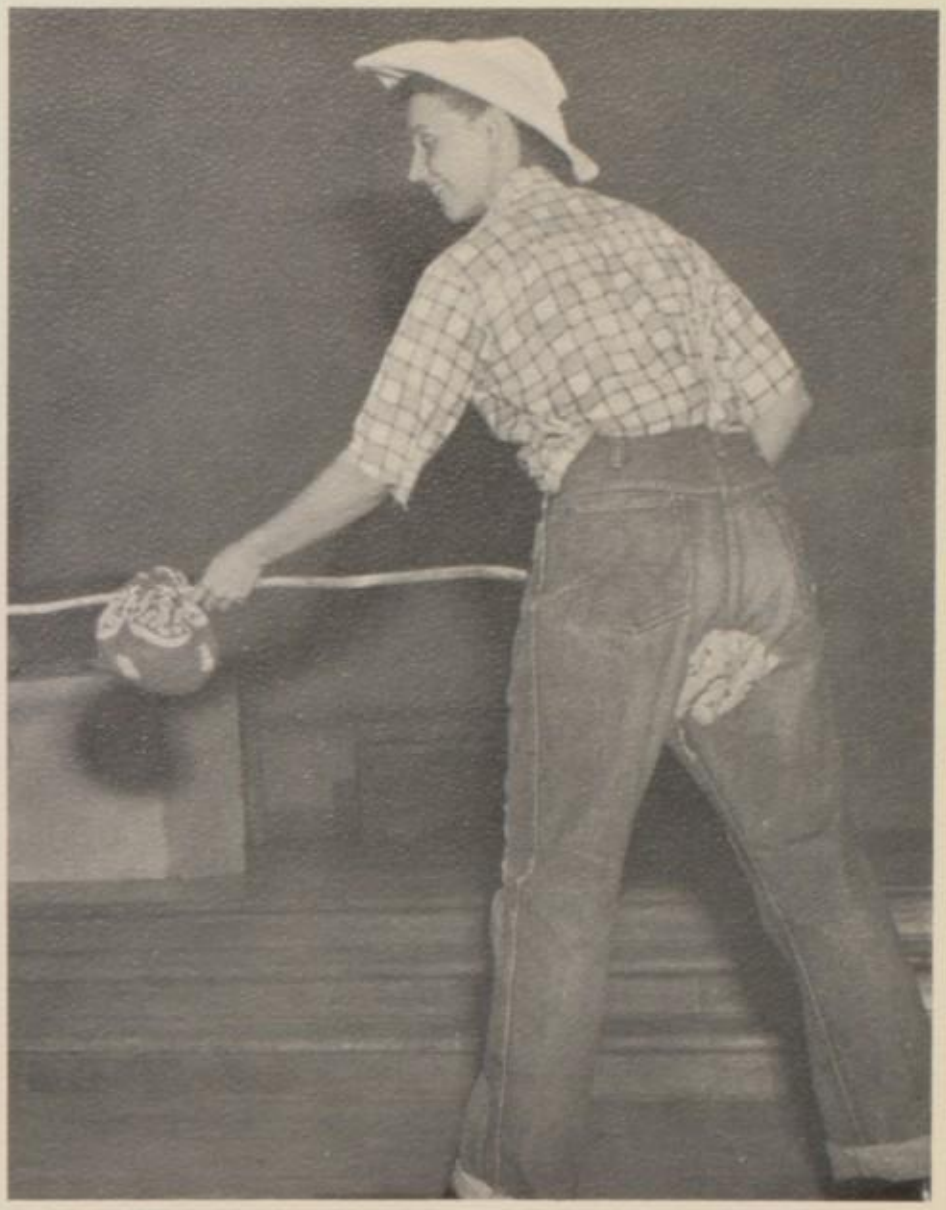
Up the ladder! As almighty senior Bill Neubauer looks over the world, so does lowly freshman Jon Hoffman. Together with junior Judy Riley, and sophomore Bonnie Shroeder, Jon hopes to be at the top of the ladder someday.

A wide variety of activities beckoned students during the last two months of school. Senior Capers, May 4-5, uncovered quite a bit of hidden talent. Class officers for 1962-63 were chosen May 2, and May 3 marked the National Honor Society initiation.
Track was the sport of May with the state meet being held the 12th and 13th. Seniors enjoyed their annual week, climaxed with an exclusive party on May 26. Excitement was in the air as June rolled around. Annuals were distributed and signed on June 2. Baccalaureate services were held June 3 and graduating seniors received their diplomas on June 8.

Picnics and fun at Sabino Canyon were enjoyed by Jim Selser, Mike Hennigan, and Judy Potter.



"I ain't got a barrel of money" sings Sarah Carroll in her Senior Capers act.

Marching down the aisle before an audience of friends and relatives to the traditional "Pomp and Circumstance" are the graduating seniors, nostalgic at leaving high school years behind.

Opulentia was the magnificent result of hundreds of hours of diligent planning, miles of crepe paper and wire, trails of ivy, and the industriousness of many hard working seniors.

Conscientious Class Planning and Determination

Weaving countless rows of crepe paper, Mrs. Pauline Baldwin and Mrs. Helen Moffatt help create the Roman atmosphere with suspended ivy and white for the long-to-be-remembered Senior Prom.

Calculating the needed size of paper, Juniors start work on prom decorations.

Dancing to the music of a live orchestra at the Junior-Senior Prom are juniors Jim Davis, Susy Grossetta, Aaron Latham, and Jan McCutcheon.

Produce Elegant Proms

Two and one-half months of tedious planning, anxious hopes and dreams, and one solid day of decorating were a few of the ingredients that went into making the Fifth Annual Senior Prom a long-to-be-remembered event. The theme "Opulentia" (Splendor) was carried out in a white and green decor. The ceiling and walls of the cafeteria were covered with woven white crepe paper accented with ivy. The Roman atmosphere was created by alabaster columns and murals of ancient ruins. An enormous fountain of ivy overflowing with mist proved to be the center-of-attraction.

Wayne Webb's band supplied the music which set the mood for a heavenly evening of dancing.

General Chairmen for the Senior Prom were Stephanie Cooke and John Moffatt assisted by Jill Dykeman, Susan Landon, and Gray McInroy, Decorations; Gail Price, Publicity; Dick Badger and Bruce Grossetta, Tickets; Bill Brake and Bill Neubauer, Music; Diane Tully, Invitations; Pam Phillips, Thank-you's; and Beth Hopkins and Ann Raynolds, Refreshments.

Early in March, work was begun on the Junior Prom. Ideas for the theme were brought up and reviewed by the Junior Advisory Board.

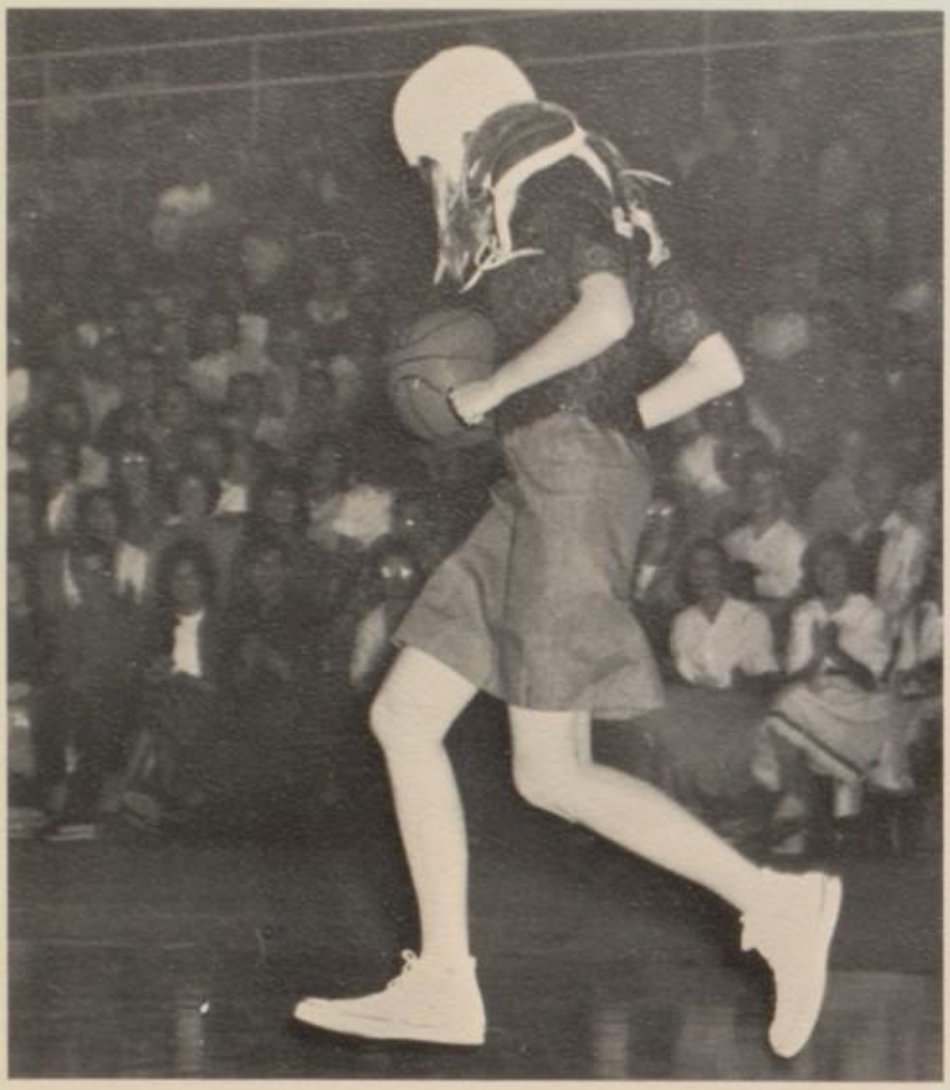
April 22 was selected as the night for the prom and plans were made to use the patio for dancing outside.

Everyone agreed that both proms were highly successful and will be long remembered.

Overflowing with mist, the Roman-style fountain perfectly accents "Opulentia."

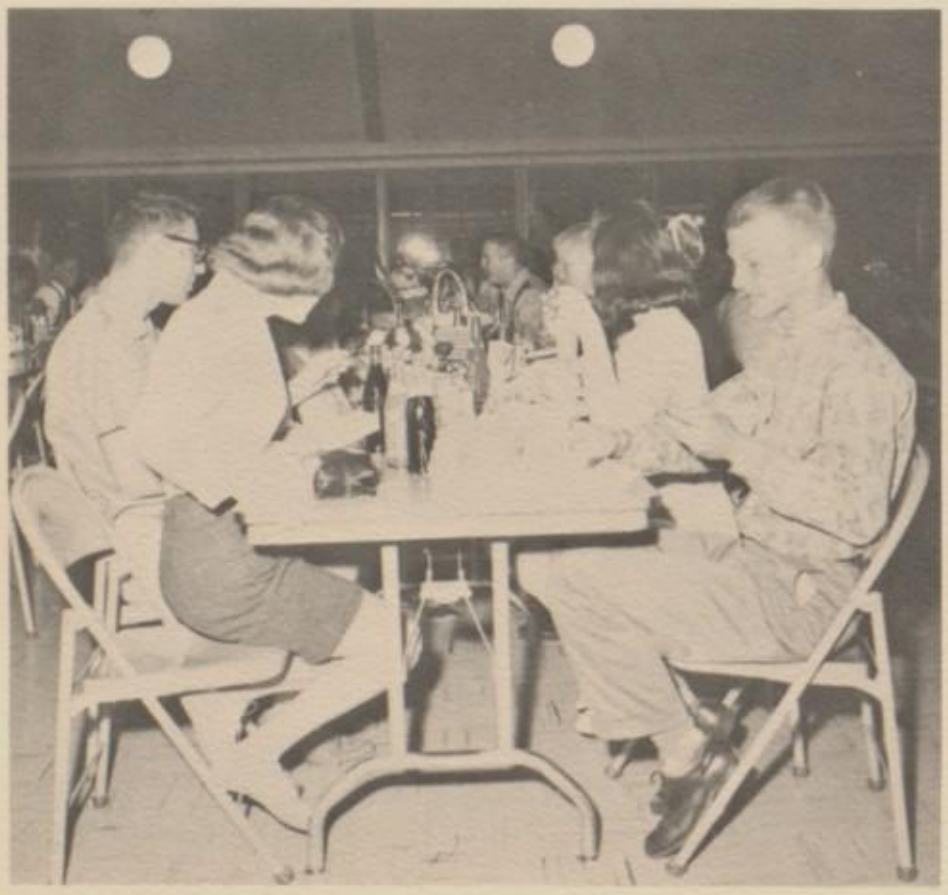
Huntresses Bag Game in Deer Season Frolic

Huntress' Day started Dear Season as "does" chased wildly around the campus trying to bag a buck. Tuesday was topped by two basketball games and a fashion show with boys modeling the latest in wear for girls. Knobby knees were seen Wednesday for students came attired in bermudas. The box social was a hit as the dears brought dinner for their does. Thursday's Dear Meet honors were captured by the Freshmen and Seniors. Dear Season was climaxed by the crowning of senior Bruce Davidson as Dear of the Year.

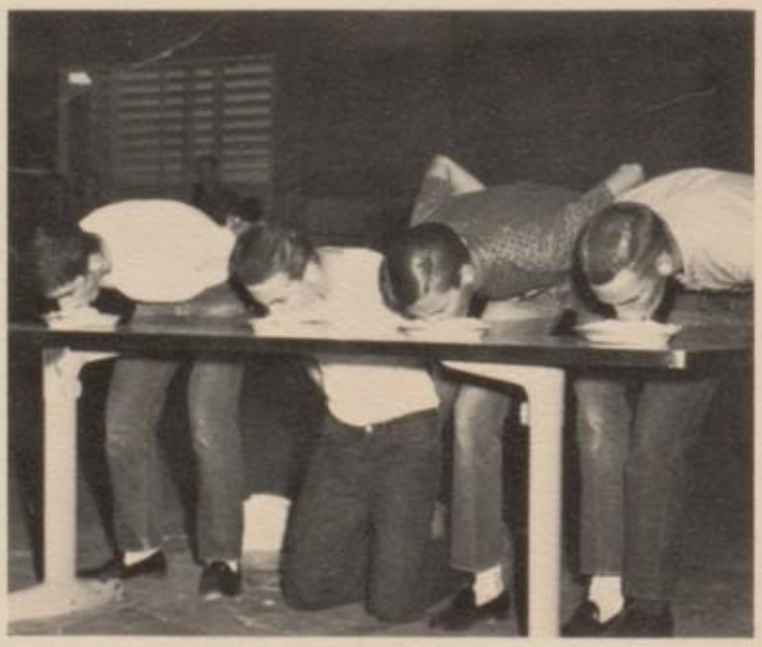


Charging into the Girl-Boy basketball game is girls' captain, Ann "The Stilt" McFarlane.

Wielding tape measures, Knee Checkers close in on a bermuda-clad huntress.



Gobbling fried chicken, does and dears enjoy dinners meticulously prepared by the dears.



Stuffing their mouths with pie, Dear King candidates scramble to win.

Royalty Reigns Over Fifth Annual Torch Ball

Starry eyed faces and moon beam hopes filled the atmosphere of the desert sky on December 17th, the night of the fifth annual TORCH Ball.

Couples waltzed among tumbleweeds set in a desert scene of blue and silver hues. Cactus juice and cactus cookies were offered in the faculty dining room.

The zenith of the evening's activities was the crowning of Gail Price and Buddy Doolen as the newly reigning royalty of the yearbook. Pretty Stephanie Cooke, Susan Landon, Mandy McCoy, and Lucy Richardson comprised the queen's court and handsome Jim Selser, Randy Cooper, John Moffatt, and Bob Svob were the king's attendants.

The general comment of the evening was "heavenly."

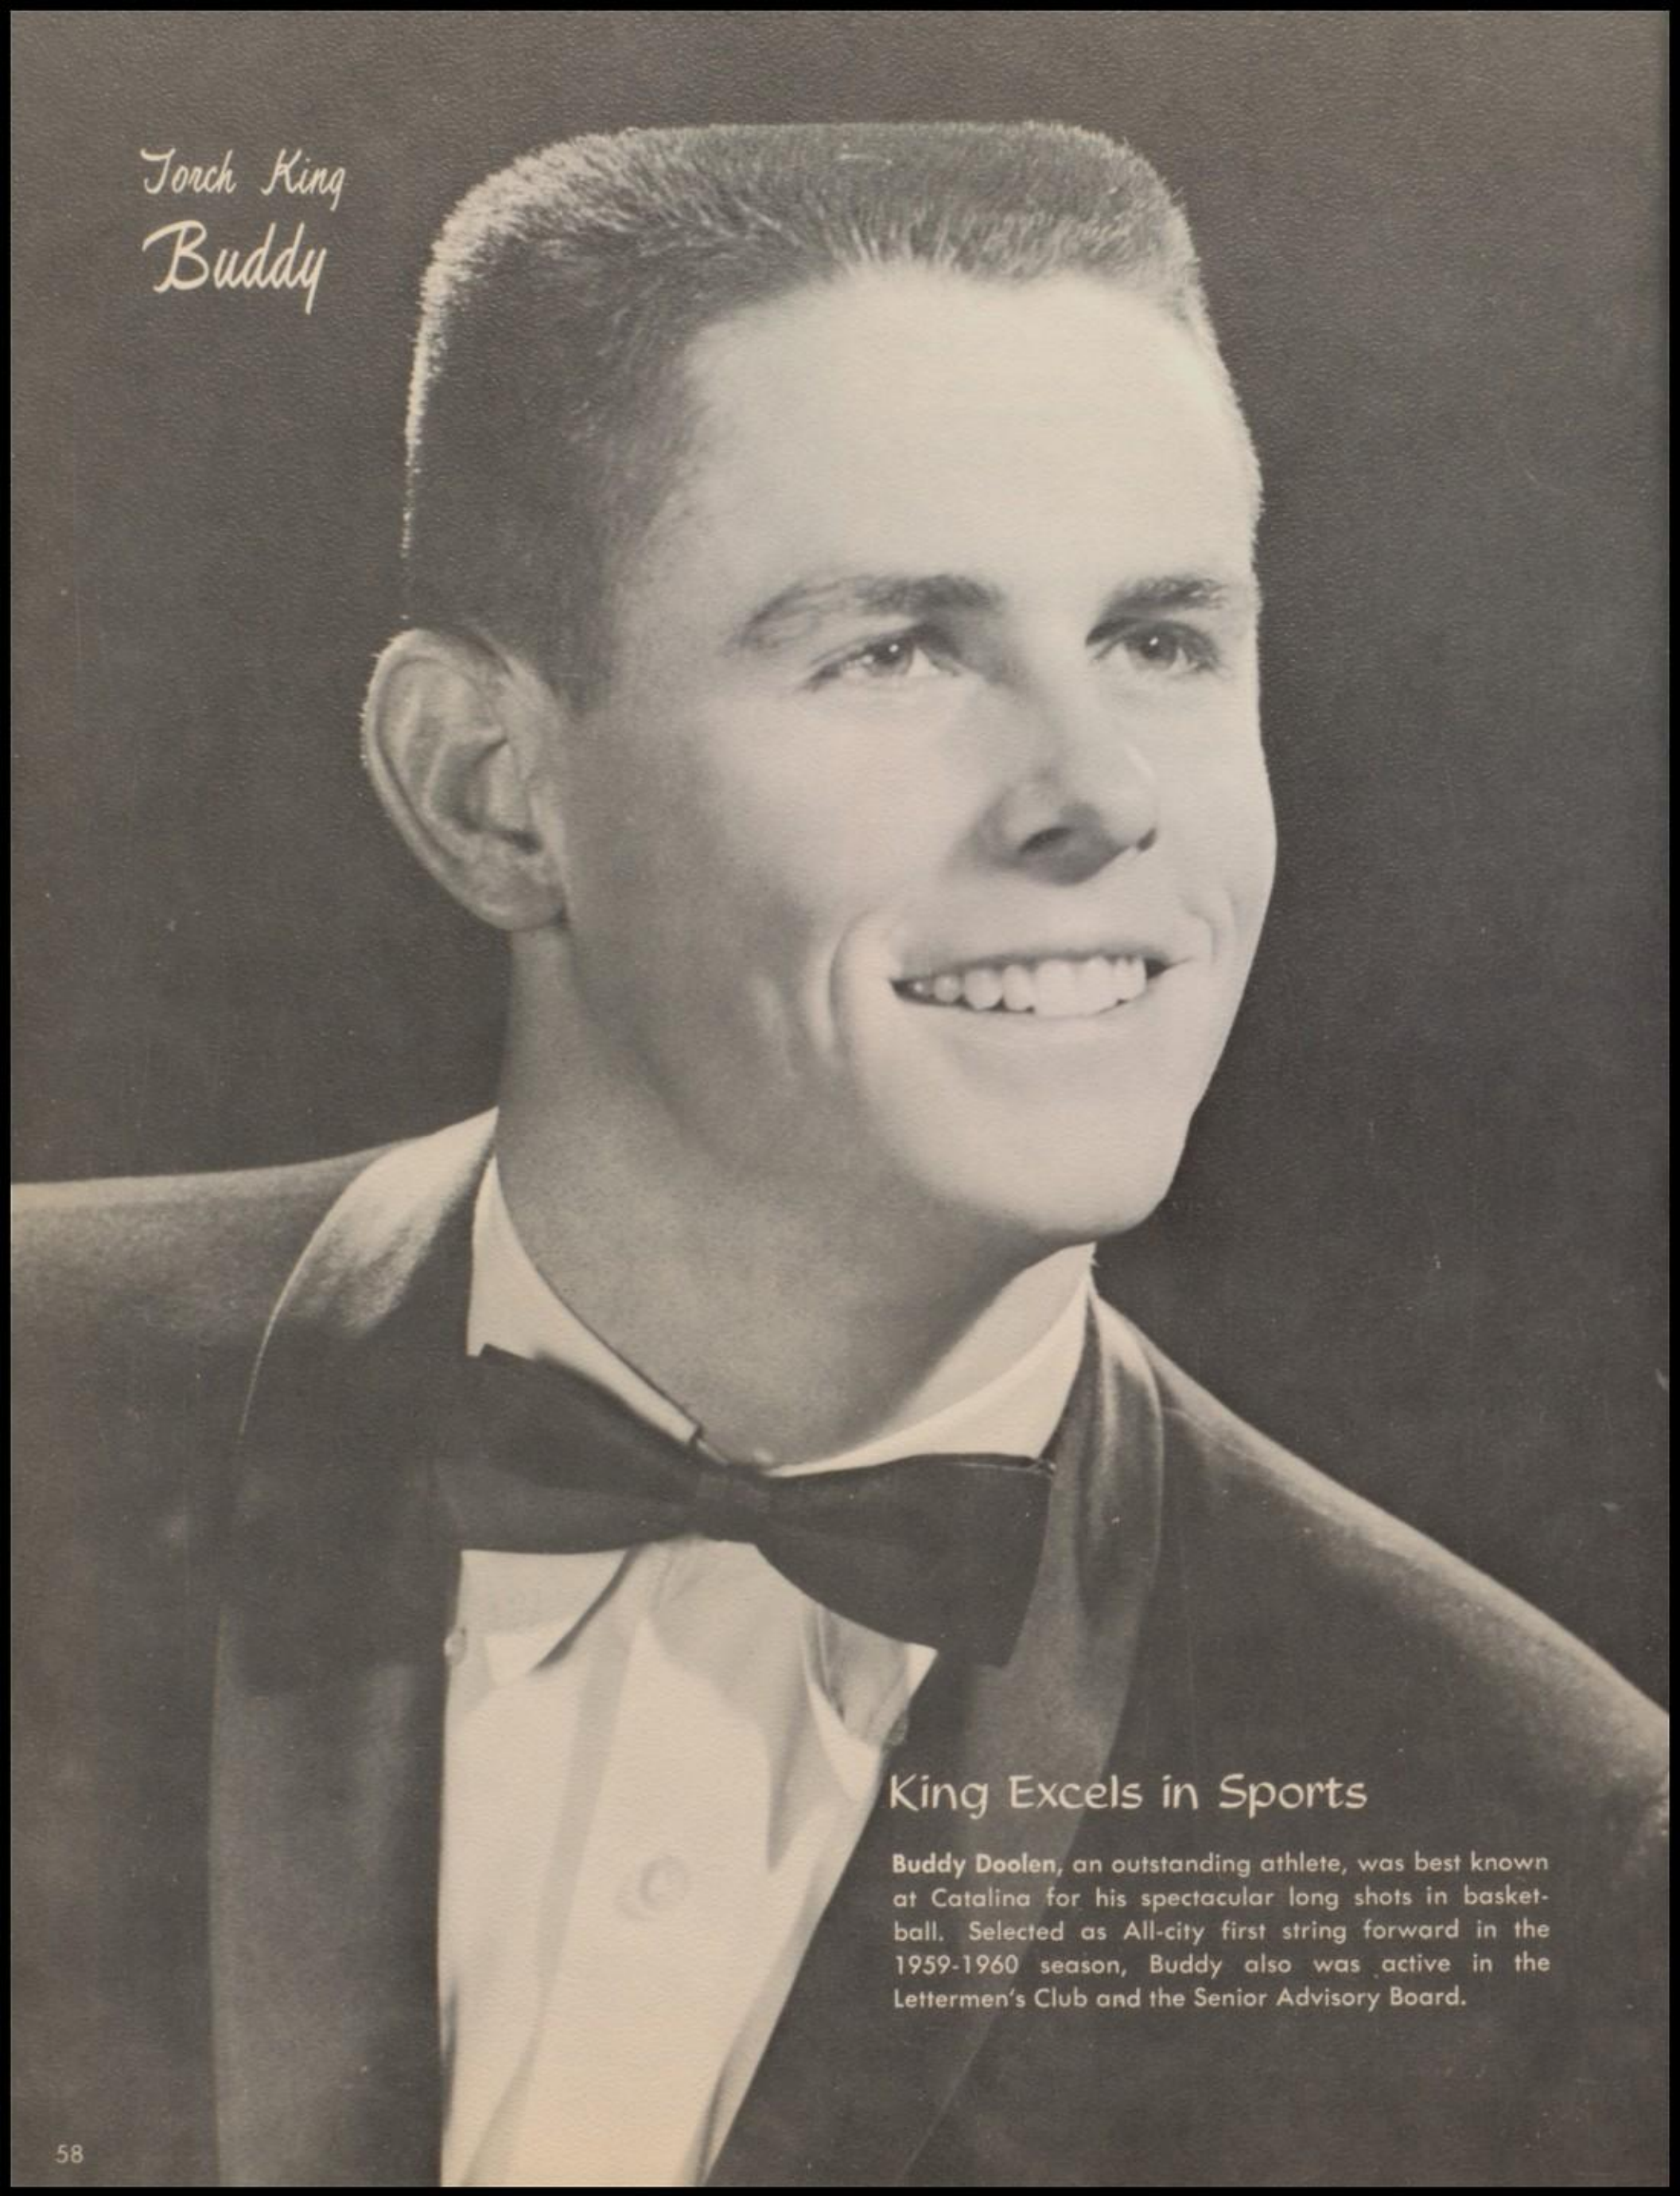
Congratulations are exchanged by Buddy Doolen and Gail Price, TORCH King and Queen.

Reigning TORCH King and Queen, Buddy Doolen and Gail Price, smile radiantly.

Suddenly aware that they are being crowned by last year's TORCH Queen and King, Diane Jefferies and Jim Nichols, are this year's royalty, Buddy Doolen and Gail Price.

Torch King

Buddy



King Excels in Sports

Buddy Doolen, an outstanding athlete, was best known at Catalina for his spectacular long shots in basketball. Selected as All-city first string forward in the 1959-1960 season, Buddy also was active in the Lettermen's Club and the Senior Advisory Board.

Fair Queen Gra[illegible] Campus

Gail Price, Catalina's "[illegible]" interprets brains and beauty into [illegible] personality. Editor-in-Chief of the TOR[illegible] Gail kept busy in National Honor Society, Stud[illegible] Council, and songleading. Gail won the Elks' Lea[illegible]p Award for Tucson.

Lovely Princesses Reign

Princess Stephanie

Stephanie Cooke, Senior Class Secretary, was elected first attendant to the Torch Queen. Stephanie served as Activities Editor of the TORCH and was a member of N.H.S. and Quill and Scroll. Stephanie won the Betty Crocker Award for C.H.S.

Princess Mandy

Mandy McCoy, a "real McCoy" from West Virginia, always has a happy smile. Her perpetual cheerfulness will certainly be an asset in the teaching career she plans for. Mandy was a member of N.H.S., Quill and Scroll, and the TORCH Staff.

Princess Susan

Susan Landon, president of the Alter Ego Tri-Hi-Y, includes varsity cheerleading, Senior Advisory Board and Girls' League among her activities. Known for her ready wit at the mike, Susan was chosen Talent Chairman for the Senior Capers.

Princess Lucy

Lucy Richardson, vivacious head pom-pon girl, spent many hours preparing and directing the songleaders routines. Lucy was an active member of Student Council, TORCH Staff, and Senior Advisory Board.

Handsome Princes Crowned

Prince Randy

Randy Cooper, popular Catalina senior, was chosen Dear King candidate by his class in 1960. Randy was elected to the Senior Advisory Board, served many chairmanships, and was a member of Hi-Y for four years.

Prince John

John Moffatt spent this past summer in Austria as Catalina's American Field Service delegate. Winner of the Elk's Leadership Award, John participated in Lettermen's Club, N.H.S., and was Co-chairman of the Senior Prom.

Prince Jim

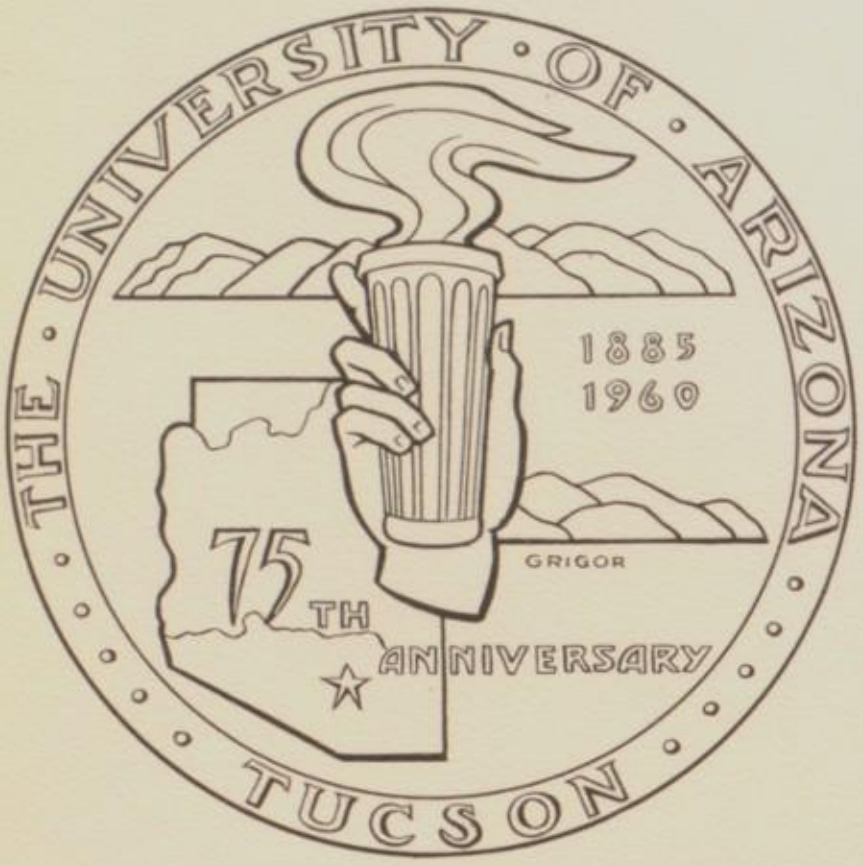
Jim Selser, Catalina's Student Body President, served as first attendant to the Torch King. Native to South America, Jim claims his extensive travels as one of his most enriching experiences. Boys' Stater, Jim is interested in government.

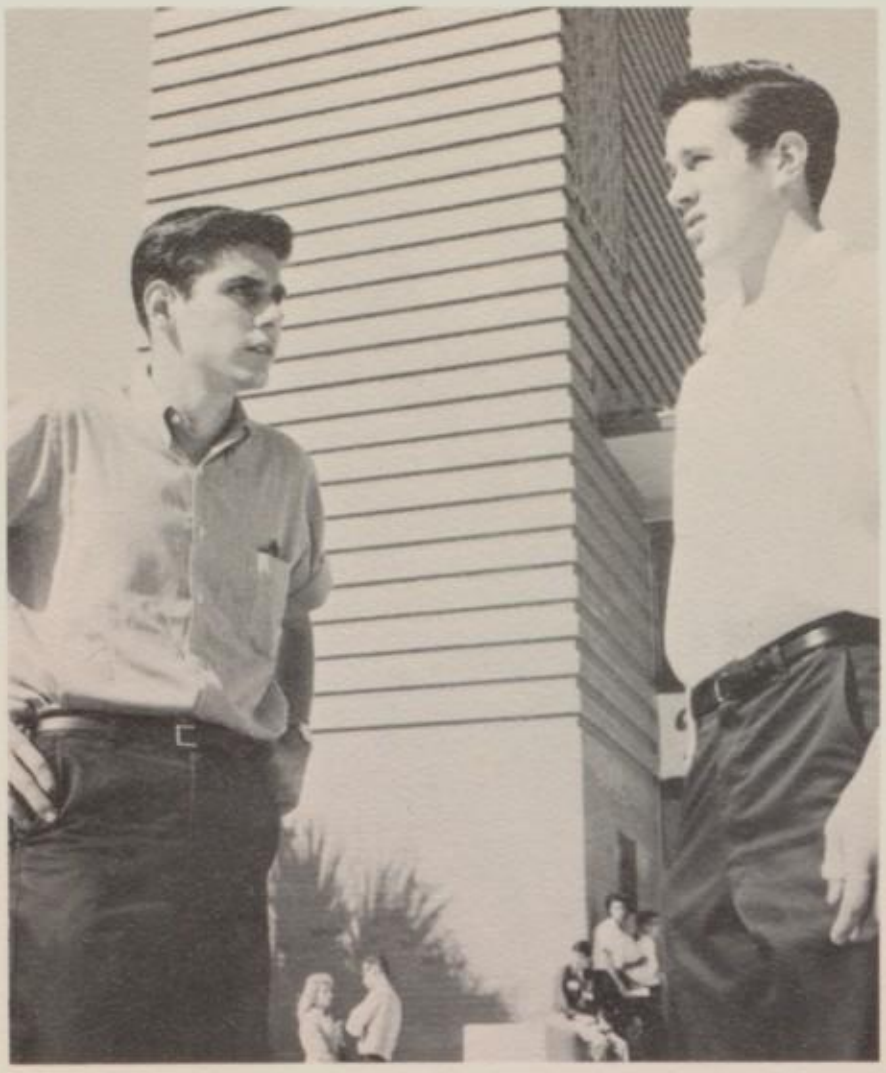
Prince Bob

Bob Svob, outstanding senior athlete, received an appointment to the Air Force academy. A mainstay of the C.H.S. track team, he was President of the Lettermen's Club. Bob, a high ranking student, was a member of N.H.S.

Senior Day Provides Picture of Campus Life

The University of Arizona Senior Day was filled with happy memories for many. The queen crowning, western barbecue and the Arizona-West Texas State game highlighted the day's program. Catalina was especially proud of its princess, Sally May, who was selected from a field of fifty Arizona high school beauties to reign over the day.





Pausing amidst their busy Senior Day schedule are Bill Neubauer and Tom Meissner.

Rushing in and out of the University of Arizona Student Union Building are busy seniors from all over the state, as they participate in fun-filled Senior Day activities.

Crowning Climaxes Week of Competition, Voting

After an exciting week-long battle that reached its climax Friday noon, Bruce Davidson was crowned "Dear of the Year" at the annual Does Drag, March 24. A week before Dear Season each class elected a dear candidate for their class. Five boys were first nominated and the one who received the most votes in a second election was the class nominee. Voting by pennies continued all week as student and faculty fans united behind their candidates and contrived all sorts of schemes to raise money. Over $1400.00 were raised from all the combined activities. This money, the most ever raised, went into the student body fund.

Left:

Nominee of the junior class. **Don Pearson,** likes to hunt varied game and is known around school for his athletic and scholastic prowess. Don was a member of the football, wrestling, and track teams, and the junior advisory board. Active in the Lettermen's Club, he is interested in fossils and belonged to the Archeology Club.

Center:

George Williams, sophomore dear, was a regular starter on the junior varsity football team this year and an active member of Hi-Y. George laughingly admits that he is also very interested in motorcycles.

Right:

Freshman, **David Light,** was a member of the Catalina swimming team and the freshman advisory board this past year. Dave spends most of his spare time on horseback and he enjoys roping and riding.

Exchange Student Hails From Japan

大好きなお友達この二人くまたお会いするまでさようなら

Austria was the destination of A.F.S.er John Moffatt.

Hailing from Amagasaki, Japan, Sadako Abo, foreign exchange student, exclaims at the contrast between her small private school and Catalina. There she took the required calculus, economics, chemistry, English, and Japanese. After returning to Japan, Dako plans to study English literature at Kobe College.
Dako participated in Tri-Hi-Y, Forensic League, and Dardanaires. She resided with the Larry Reids.
In the writing at the right, Dako says, "Sayonara" to every one of my friends, whom I love so much. We'll see you. Until then . . .!
John Moffatt represented CHS in Austria last summer as an exchange student. John, active at Catalina, participated in National Honor Society, Hi-Y, and Boys' State. He found the experience enjoyable and enriching.

Educational Atmosphere Pervades Decade

RECORD OF TOP 25 PREDICTS SUCCESS IN CHANGING WORLD

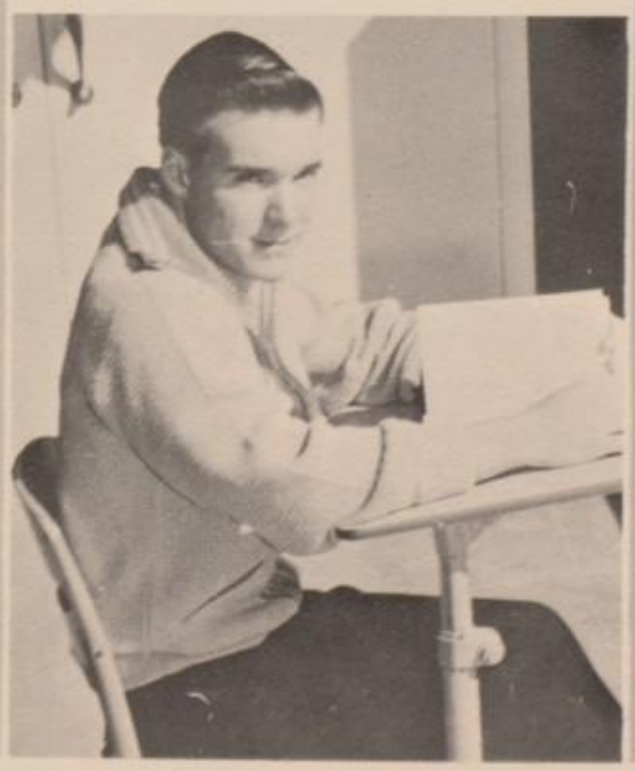
The pursuit of knowledge is hot in the sixties. Today, there is such a burning desire for learning that the nation is faced with the rising educational problem of finding more room for the increase in student population.

Never before have so many young Americans studied so long and worked so hard to meet an ever-changing world. This decade most assuredly promises a crackling new intellectual atmosphere in the schools.

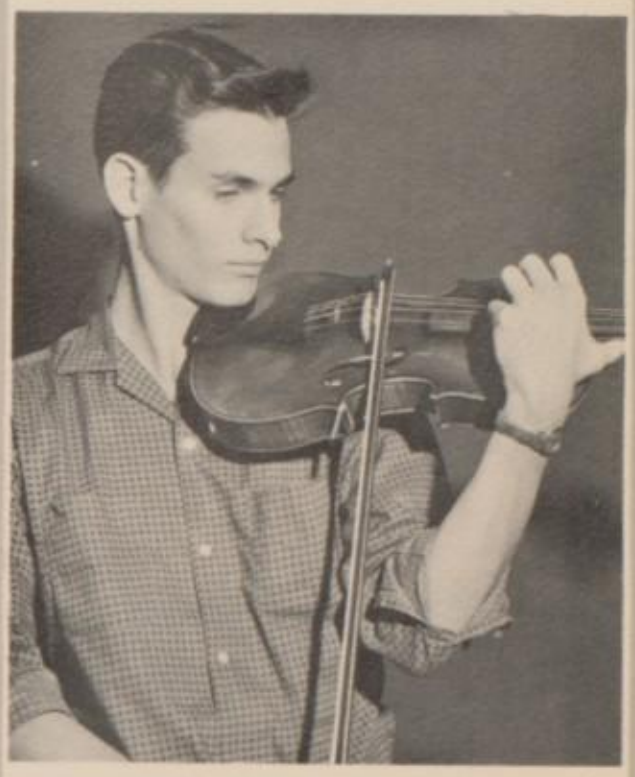
New enthusiasm toward education has created vicious circles of competition for college entrance and employment. Greater job opportunity and a place as a successful citizen are first gained by those accredited with higher education, and more especially, a driving determination to achieve worthwhile goals in life. Catalina's "top twenty-five" are students with the highest scholastic records at the end of seven semesters of high school. Meet "the teen-agers most likely to succeed."

Above: "Two of my most memorable experiences in high school," asserts senior **Phyllis Carpenter,** "were being elected to National Honor Society and winning the Madeline Smith Latin Award for superior attainment in Latin."
Phyllis, whose favorite subjects were chemistry and American problems, plans to attend the University of Arizona and major in medicine.
Phyllis's activities at Catalina included Service Council, Quill and Scroll, and **Torch** Staff.

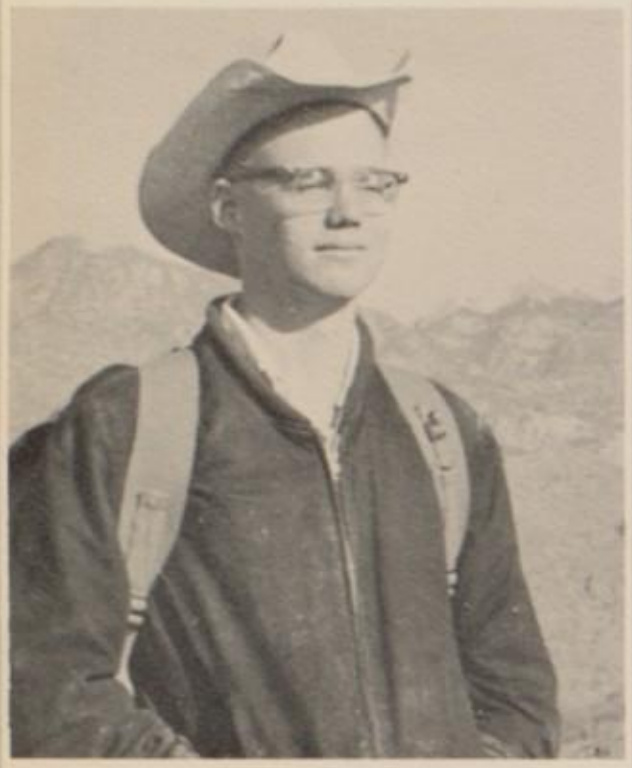
Below: Among the interests of native Tucsonian, **John Choate,** are hunting, fishing, and sports. John is a member and Junior Councilor of the Arizona Chapter of DeMolay. Through his work in it, John attended the 1960 Arizona State DeMolay Conclave at Arizona State University in Tempe.
John plans to attend the University of Arizona and major in mechanical engineering. His favorite subjects were technical drawing, chemistry, and mathematics.



Below: Like to learn the art of self-preservation? If so, just ask **Lee Cooper,** who learned the art from practical jokers in a dorm while attending the National Science Foundation Math Institute in Flagstaff, Arizona. Lee is interested in mathematics and hopes to attend Rice University to major in it.
Although active in National Honor Society and Orchestra, Lee still finds time to dabble in four dimensional mathematics, and music composition.

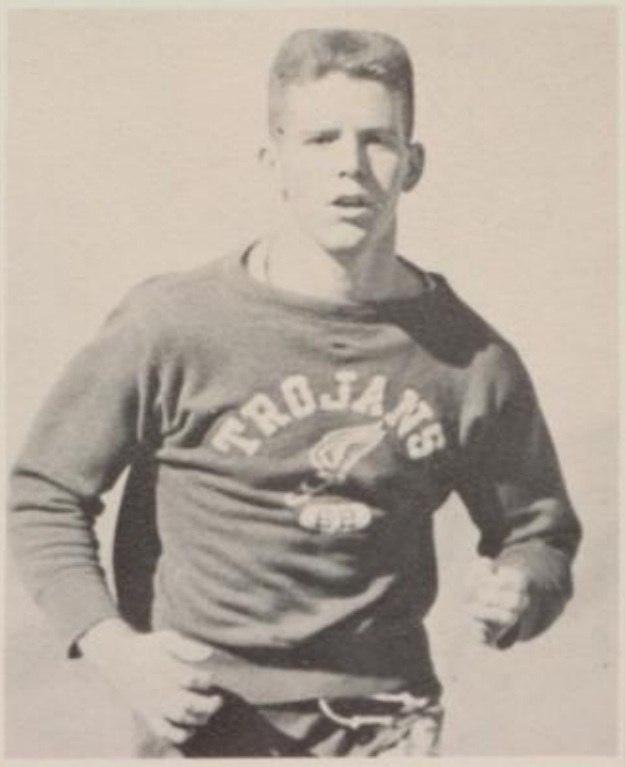


Below: "I'm almost a native Tucsonian!" claims blond **Diane Donahue.** Actually born in Montclair, New Jersey, Diane has lived here for over sixteen years. She is interested in sewing and cooking, while drama and Spanish rated as her favorite subjects.
Diane plans to attend the University of Arizona and major in elementary education, eventually becoming a first grade teacher.



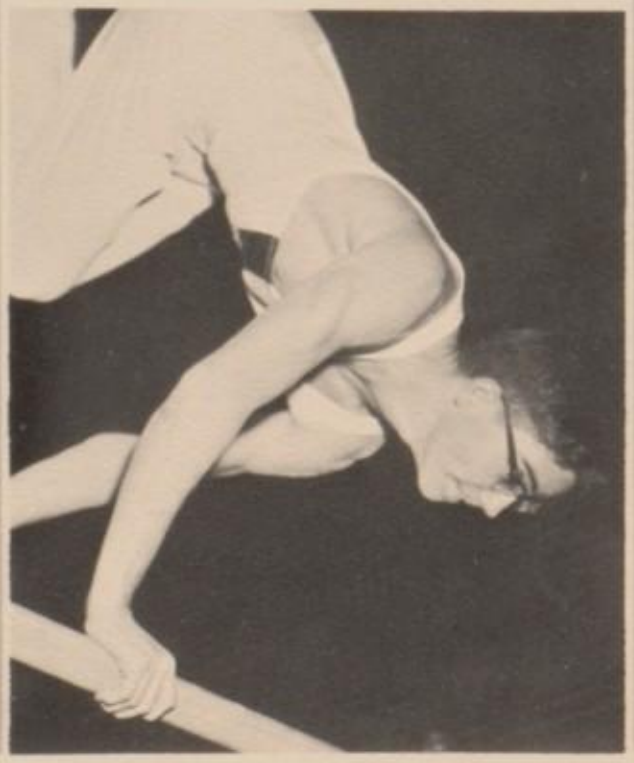
Left: An outdoorsman with a green thumb —that's **Ben Everett.** Gardening is one of his pastimes as is hiking. Hiking trips have led him through the Grand Canyon and to a New Year's Eve in a cave during a snowstorm in the Catalina Mountains.
With a variety of interests, Ben gained experience serving in Civil Defense and found enjoyment from working with Lone Star Productions, Tucson's teen-age movie corporation. Ben plans to major in science after graduation.

Right: Born in Spokane, Washington, red-headed **Bruce Grossetta** was an active senior. President of the National Honor Society and his church youth group, he was also a member of the senior advisory board and the CHS track team. During his spare time Bruce enjoys bowling, and participating on a city softball team.
After graduation, Bruce plans to attend the Air Force Academy and do post-graduate work in science technology.



Above: "I wish that Tucson were nearer to an ocean!" laments **Ann Fordham** as she recalls her summer skin diving, beach combing, and shell collecting in Florida, her native State.
Ann plans to go into the field of marine biology or vertebrate paleontology. She was copy editor of the Torch this year and rated journalism as a possible third choice of career.
Among Ann's other interests are mine crawling, spelunking, hiking and mineralogy.

Below: During the past summer, **David Getty** attended the Engineering and Science Division of the National High School Institute at Northwestern University. "Six weeks of work and recreation provided me with knowledge and many memorable experiences," he related. David, who had an enviable 1.000 grade average for his high school years, traveled for six consecutive years with the Tucson Boys Chorus of which he was president.



Above: A subtle wit and an active mind are qualities for which **Steve Hayden** is known. This comes to the surface when he makes statements like, "An eggplant over there if your grandmother rides a purple motorscooter."
Born in Yuma, Arizona, Steve professed his favorite subjects to be math and mechanical drawing. He lettered in gymnastics, and wants to spend the summer working at Glen Canyon Dam. He planned to enter Pomona College.

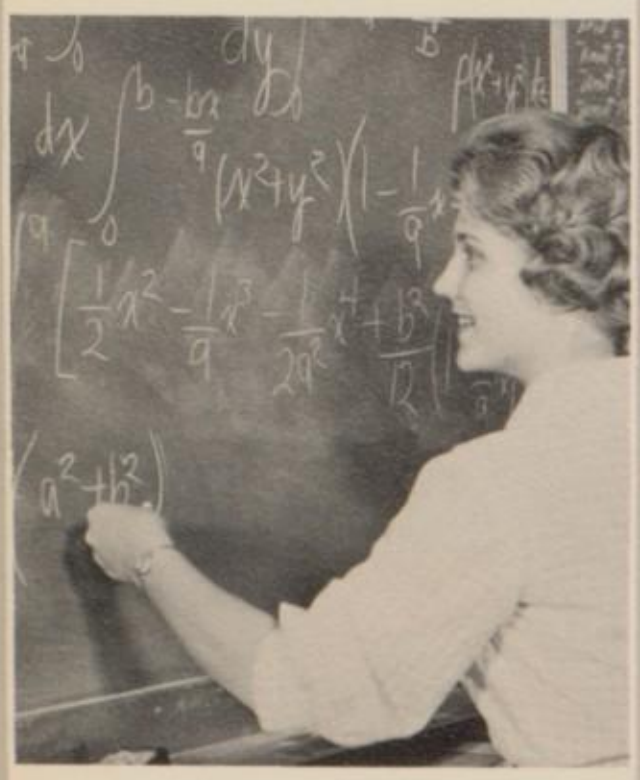
Below: Spending seven weeks of last summer in Guadalajara, Mexico, is what **Linda Lamb** cited as her most interesting experience. "I'll never forget shopping in the native market and meeting and living with the Mexicans," stated Linda.
Recognized as one of Catalina's greatest cymbal players, she found Band her favorite subject. Linda liked to spend her spare time sewing, knitting, or reading, and when it was none of these, it was sleeping.

Left: "Danger was so eminent that had anything happened anywhere in the world we would have been flown out within an hour," stated **Alice Jones** recalling her travel to Berlin for the Berlin Industries Fair. Alice was chosen from a group of students representing the top thirty-five high schools in the country to represent American youth.
Alice hopes to attend Pomona College and major in international relations and modern language.

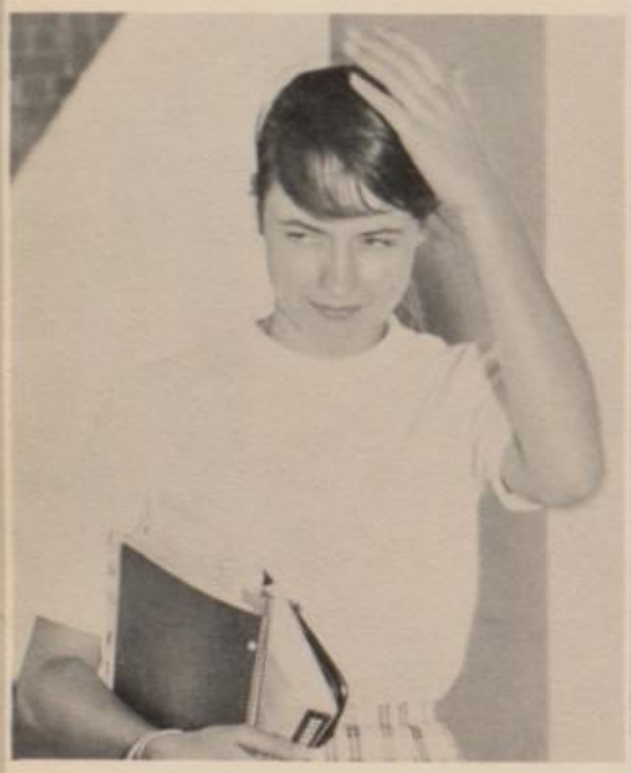
Right: "I guess getting 'Noing" was my most interesting experience," **Kay Mickelsen** stated in regard to the car she and her twin sister jointly own. "Getting it started and keeping it going are experiences, too!" she added. Kay asserts nothing really interesting ever happens to her—all of her memorable experiences have been embarrassing or frankly terrible and better forgotten.
Kay was copy editor of this year's Trumpeteer and has been Worthy Advisor of Rainbow Girls.

Above: "All Americans think that Canadians are from the frozen north and have a different language," complained **Nina Madden.** Nina, a Tucson resident for about a year, was born in Ontario, Canada.
Seeing the movie "Cry for Happy" being made and having Glenn Ford crane his neck from the stage to see who she was, were her greatest thrills.
She plans to attend the University of Arizona and major in psychology or foreign languages.

Below: "I like a lively discussion!" stated **Jack Newsbaum,** who could undoubtedly make anyone believe the world was square by logic if necessary.
Jack's favorite subjects were mathematics and chemistry. Following through with his love for math, Jack was selected to attend the State Math Convention at Arizona State College in Flagstaff. Jack hopes to attend Cal Tech or the University of Arizona and major in math and chemistry.



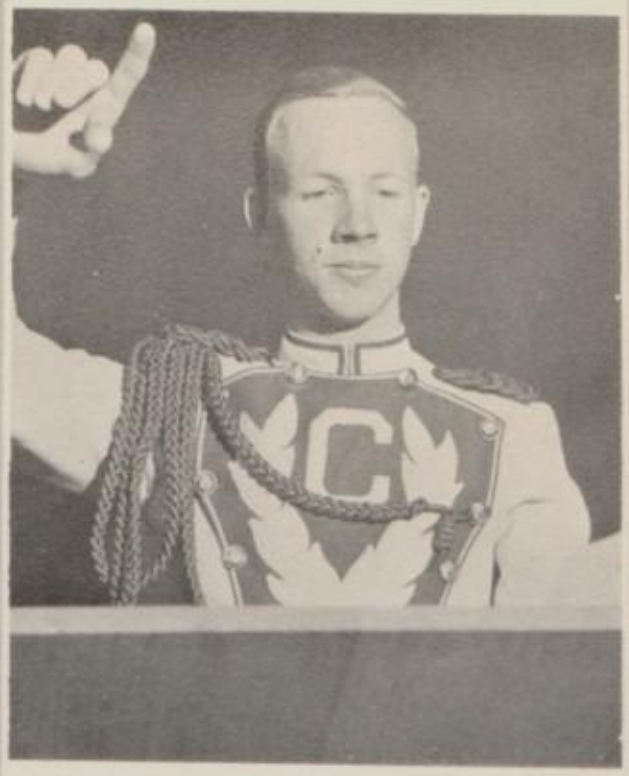
Above: Math was **Barbara Pierce's** favorite subject, and she plans to attend Stanford University and major in statistics. Barbara attended the summer math institute at Arizona State College in Flagstaff where she received an introduction to new phases of math. She also had a chance to travel in the northern part of the State with a group from the institute.
Barbara's hobbies included designing and making all her own clothes.



Below: Collecting flamenco guitar records, sewing and browsing in second-hand bookstores are among the interesting hobbies of **Judy Potter.**
Judy, who hopes to attend Stanford or Cal Western and major in political science and international relations, was a delegate to Anytown. "There I learned to judge people I meet not on the basis of color and creed, but rather on the worth of the individual personality," commented this lively senior.

Left: "I've enjoyed high school and I guess in a way I will miss it, but I am even more anxious to start college," admits **Nona Piziali,** known for her swishing pony tail. Nona plans to enter liberal arts at the University of Arizona. She is not sure what her major would be.
One of Nona's most memorable experiences was being Rodeo Queen Attendant. She exclaimed that even though the wind was terrible, the thrill was still unforgettable.

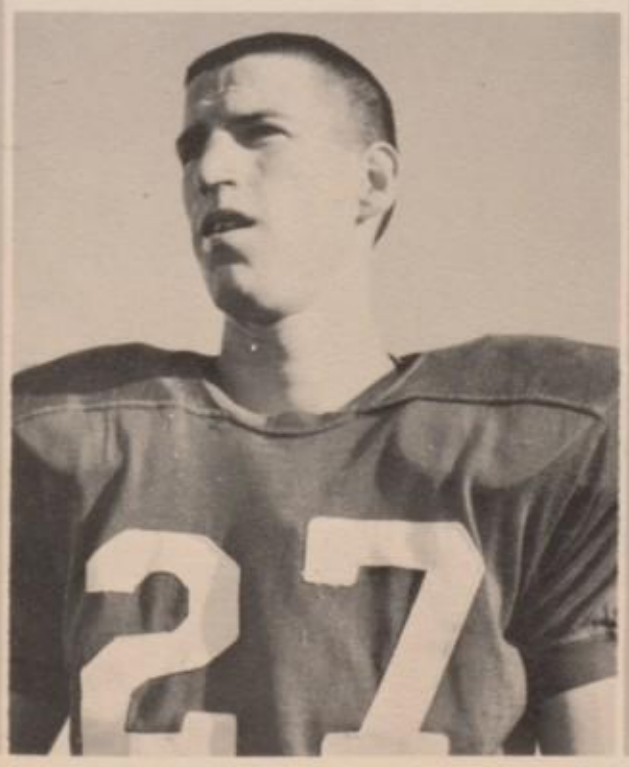
Right: Dating is the favorite hobby of **Mike Sorey.** "I also enjoy sports and playing musical instruments," he states. He was on Catalina's basketball team and played basketball for the First Congregational Church. Mike's biggest thrill came when a team that he was playing with placed second in the State American League Baseball tournament.
Mike hopes to become a teacher of math or engineering after graduation from the University of Arizona.

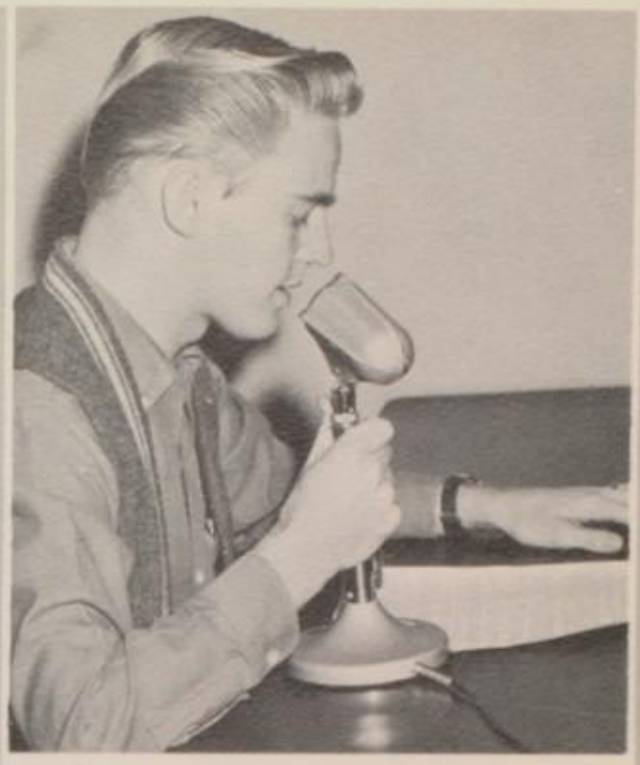


Above: Here comes the band! Portraying a Trojan, **Bob Sorensen** was easily recognized by his headgear as the drum major of the band. During the past summer Bob, who plays the trumpet as well as performing his duties as drum major, was able to travel to England with the Tucson Boys Band. Overseas, they spent two and a half months playing concerts.
Bob plans to become a Baptist minister, and will spend four years at a seminary after attending four years at the University of Arizona.

Below: One girl and 1,900 boys! Impossible? Not for **Pat Stell.** Last summer Pat was chosen from Civil Air Patrol to be one of the few to visit the Air Force Academy.
Pat enjoys listening to records and doing homework (in her spare time). She has been a member of the National Honor Society since her junior year, and she served as Senior Capers Co-chairman.
Pat plans to study science at Stanford, Reed, or the University of Arizona.

Below: "I was sure a happy guy" said Catalina senior **Bob Svob,** upon hearing that he was an appointee to the U. S. Air Force Academy at Colorado Springs, Colorado.
Bob was born in Tucson and has not lived in any other place. His most interesting experience was attending the Fellowship of Christian Athletes at Estes Park, Colorado. An all-around athlete, Bob was president of the Letterman's Club and participated on the football, basketball and track teams.





Above: "Good morning, Catalina, here are your student announcements," announced **Dan Swango** each morning for the last two years. Dan, whose most interesting experience was "living," plans to attend the University of Arizona and enter television and news commentary upon graduation. His hobbies include radio and television sound affects, electronics, music, golf, tennis, and football.

Above: Rifles and cars are the chief interests of **Bob Verity.** This native Tucsonian has participated on the rifle team for three years.
Bob's summers have been highlighted for several years by trips to Mexico. On his last trip, he explored a group of old Spanish silver mines in an area isolated by high cliffs and deep ravines north of Mexico City.
Bob plans to go into mechanical engineering, attending the University of Arizona or Cal Tech.

Below: Jazz rated as **Paula Wolff's** favorite for listening as she found her outlet in music. Often accompanying herself on the ukelele, Paula was fond of singing all kinds of songs.
An attendant for Lettermen's Queen and a finalist for Senior Day Princess, Paula was Posture Queen in her sophomore year.
Paula plans to attend the University of Arizona after graduation, but her plans after that are indefinite.

Above: "I am glad that high school is almost over," states **Winson Wollesen,** "But it certainly has been a valuable experience!" Winson's favorite subjects were English and business courses. She plans to attend a business college, take a secretarial course, and get a job as a secretary.
Horses (she owns a mare and a two-year old filly) are her favorite hobby, and their care and training made them the most time-consuming, too.

we the populous each seeking a place . . .

Found under the domain of the sun are the young, the eager, the ambitious. Into these growing Americans, Catalina strives to instill the best requisites for worth-while living and happy future lives.
Catalina itself is youth!

Pepe Buttacavoli, president of the senior class, plans to major in business or engineering. His main interests are cars and wrestling.

Bill Brake still remembers the joys and nightmares of being co-chairman of the junior prom. He was active as **senior vice president.**

"I gained ten pounds but it was worth it," says **Stephanie Cooke** of her trip to Europe. She was **senior secretary** and participated in many activities.

Graduation, Prom Highlight Four Years

Decorations for the Senior Prom begin to take shape under the workmanship of a few of the two hundred seniors who helped.

SENIOR ADVISORY BOARD . . . **Back Row:** John Hopkins, Randy Cooper, Pepe Buttacavoli, Bill Neubauer, Bruce Grossetta, Buddy Doolen . . . **Second Row:** Diane Tully, Bob Dixon, Jeff Carter, Dick Badger, Mrs. Pauline Baldwin, Gail Price . . . **Front Row:** Beth Hopkins, Lucy Richardson, Stephanie Cooke, Pam Phillips, Ann Raynolds, Susan Landon.

Baccalaureate and graduation services capped off four years of outstanding participation by the members of the senior class.

The dances of their first three years, "Bongo Bounce," "Moods in Blue," and "Aloha," have provided rich memories for those who attended.

Senior Day at the U. of A. was attended by many members of the class. The biggest thrill of the day was the crowning of their Senior Princess, Sally May, as Queen.

November 19 was the date of the highlight of the senior year—the Prom. All of the striking decorations were white and the seniors danced to the music of Wayne Webb amid Roman pillars and white ivy that climbed around the cafeteria. A fountain was filled with dry ice, and the ceiling was lowered with woven crepe paper—over forty-two miles of it!

April found the senior class going all out to help make the Senior Capers a show never to be forgotten.

Mrs. Pauline Baldwin, the class sponsor for four years, played a large part in the success of this class with the help of the other sponsors who joined the class this year.

Continuous Activity Engulfed Juniors

Boarding their bus after the out-of-town game are some of the many Catalina students who enthusiastically supported it.

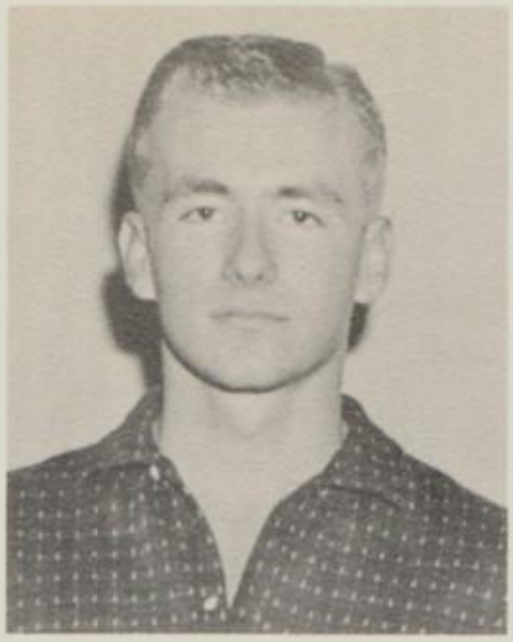
Starting the class of '62 off on their third successful and fun-filled year was the movie "Seven Brides for Seven Brothers," held on November 23. In February, this active class sponsored the annual Rodeo Dance held during Western Week. The levis and squaw dresses seen there were quite a change from the attire seen at the other more formal dances.

The long-awaited Junior-Senior Prom can never be forgotten by those who attended. Held in April, it was the most exciting and outstanding event of the year according to most of the juniors.

Twenty-five of the scholastically top-rated juniors were honored this year by being chosen as junior honor guards to help at the baccalaureate and graduation ceremonies.

The dance, "Ebb Tide," was the project for their sophomore year, and there couples danced beneath blue lights and crepe paper.

An activity-packed freshman year featured "Miracle in the Rain" as the class movie. The dance of that year, "Hernando's Hideaway" was characterized by red lights and red-checked table clothes in a night-club setting. The class of '62 experienced a change of guidance when Mr. Aaron Sulman took over the class during the sophomore and junior years. Mr. Patrick Maguire sponsored the class during the freshman year.



Heading this year's junior class was **President Jim Davis.** Born in Renesselaier, Indiana, Jim has lived in Tucson for eight years. His varied interests include cars and horses. Jim was a delegate to Model Legislature and a member of Hi-Y.

Tom Bartholomew, junior class vice president, enjoys most sports and participates in many, which range from water-skiing to track. His other activities included Hi-Y and Junior Red Cross Council. Tom is one of those rare native Tucsonians.

"I like to ride horses and play football very much," exclaims **Sandi Smith, junior class secretary.** This energetic girl is a member of Girls League and is a Pom-pon girl. Sandi hopes to attend the U. of A. and then become an airline hostess.

Joe Breck, sophomore class president, has always been interested in student government and school activities, although his "world revolves around basketball." He was a member of Hi-Y and played on the junior varsity basketball team.

Cars, people, spelunking, and hiking are among the varied interests of **George Cunningham, sophomore class vice president.** He likes athletics and participated in cross-country and track. He was a member of Hi-Y and secretary of De Molay.

"I wish that everyone would suport their class instead of leaving it to just a few hardworking volunteers," stated **Melanie Robertson, sophomore class secretary.** She was a member of Tri-Hi-Y and Girls League and was a junior varsity cheerleader.

"Taboo" and "Picnic" --Top Headliners

The Class of '63 was the largest class last year, but the huge number of freshmen coming to Catalina this year moved them into second place.

At the beginning of their freshman year, the sophomore class held a "get acquainted" skating party at Rollerama. This enabled the students from the various junior high schools to get to know their new classmates. "Mardi Gras," a gaily decorated dance which was held in March, also had a large and enthusiastic attendance. The class was honored that year when Warren Phelan was elected "Dear of the Year" during the Dear Season festivities.

This year the class was led by Joe Breck, president, George Cunningham, vice president, and Melanie Robertson, secretary. Melanie expressed the plea of all the class officers very aptly when she said, "I wish everyone would support their class instead of leaving it to just a few hard-working volunteers!"

A dance, with the appropriate title, "Taboo," was held in January on Friday the Thirteenth. It proved that fun can be had on this day in spite of superstitions. Ladders had an outstanding significance at this dance, especially in the decorations. A movie, "Picnic," was shown on March 10 to the student body.

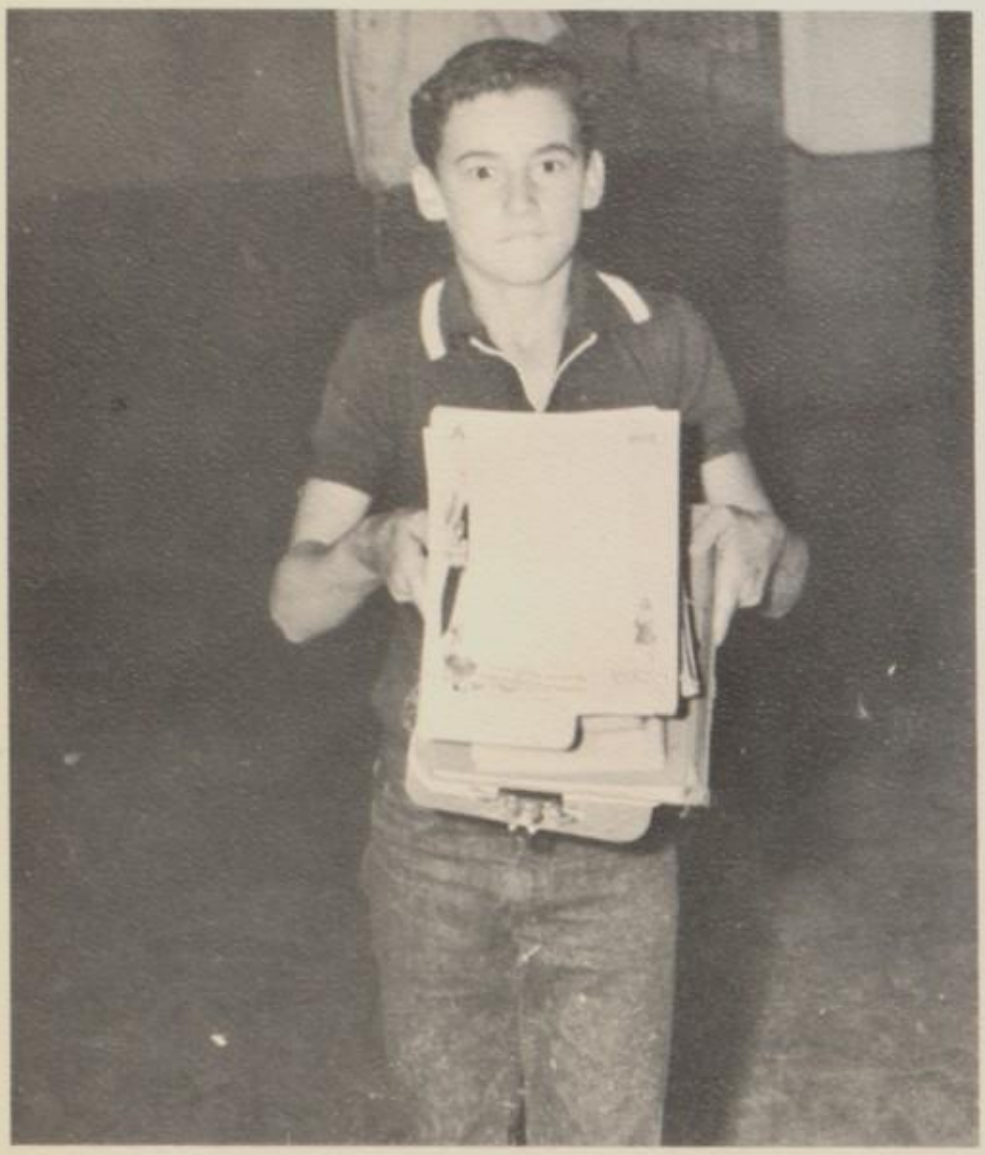
717 Freshman Outnumbered Upperclassmen



Freshman Jack Gemmer looks on in horror as his books fall to the floor. Is there anyone around to see him?

This year's freshman class is the largest to date at Catalina. There were 717 freshmen coming from several junior high schools to comprise one unified body of high school students. Numerous, but still having individual personalities, the freshmen had their problems in searching their way through the building and establishing themselves during the first few days of school.

Hampered by the usual frosh late elections, the class of '64 got off to a good start following the election of Jim Bearden as president of the class, Kathy Stanley as vice president, and Sue Neubauer as secretary. These three main officers, with the help of the advisory board, led the frosh in their varied activities throughout the year.

A party held on November 14, sporting the name "Getting to Know You," was a huge success, thoroughly enjoyed by all as the first "completely frosh" activity of the year. Also helping to bolster the class treasury was a movie presented to the student body toward the end of February.

Now, as the first phase of their high school career is completed and new horizons are seen ahead, all of the freshmen look forward to a bright and successful class future in the remaining y e a r s of high school at Catalina.

FRESHMAN ADVISORY BOARD . . . Top Row: Joan Ginter, Sally Ginter, Tom Roy, Sue Neubauer, Penny Marshall, David Light . . . **Second Row:** Debbie Freiser, Craig Gillaspie, Kathy Stanley, Nancy Ball, Dick Plunk, John Norris . . . **Front Row:** Sandy Shortman, Carol Hartley, Anne Brownlee, Rosalind Navin, Jim Blough, Ronnie Campbell, Jim Bearden.

Jim Bearden, tall, blond, and athletic, was **freshman class president**. His interests center around football and track, and his hobbies include stamp and coin collecting, model cars, and photography. Jim is an avid Boy Scout and participates in many of their activities.

"I just love to meet people!" exclaims friendly **Kathy Stanley, freshman class vice president**. "I think they are fascinating." She is an active member of Girls League and is a Pirouette. Some of her favorite pastimes include dancing, bowling, and swimming.

Pert and energetic **Sue Neubauer, freshman class secretary**, is a junior varsity cheerleader and is out of doors most of the time. Horse-back riding, swimming, and tennis are on the top of her list. She also plays the piano "just for fun."

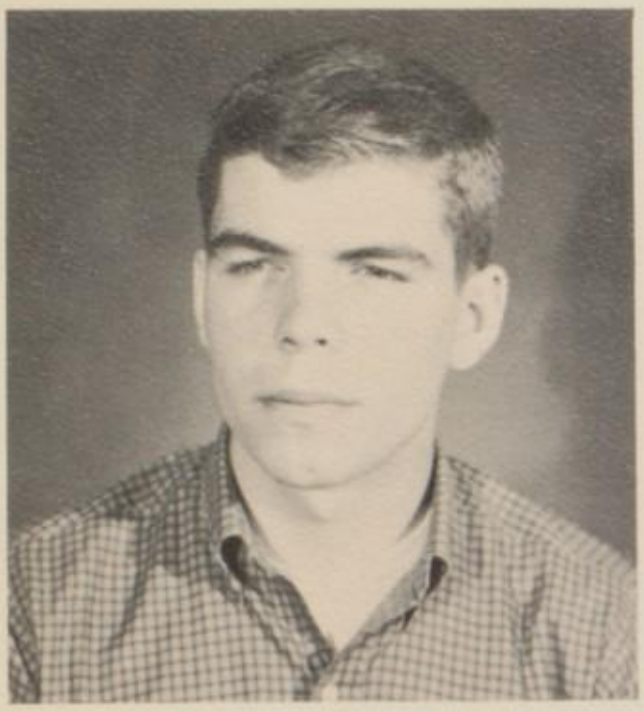
youth of today, strength of tomorrow

Students are taught to think, for those who think, live. He who thinks two thoughts to another's one lives that much more.
Think, therefore, generously, logically, honestly, keenly to know your place. Actions will then be based on wisdom.

KICK OFF

Students Learn; Practice



Filling the highest position in Catalina's student government, **Jim Selser** presided over the Student Council and represented Catalina in the phases of its activity.
Born in Rio De Janeirio, Brazil, 17 years ago, Jim lived in Washington, D. C., England, and Georgia. Football, science, and philosophy are the hobbies that he particularly enjoys.
"I wish I could go through high school again!" he comments. "It has been a lot of fun." Jim plans to attend the Air Force Academy and make the Air Force his career.

Disembarking at Scottsdale, Catalina student body officers and council members arrive at the Student Council Convention.

Peppy **Toni Roberts** served as student body vice president. Her duties entailed presiding over Student Federation Delegation meetings and taking over Student Council meetings in the absence of the president.
Toni has been active in student government all through high school, having served on Council during her freshman and sophomore years. She also filled the capacity of vice president of her junior class.
Toni's plans include entering the University of Arizona, possibly majoring in education.

Organist Alan Schultz tests the organ bought by the Student Federation.

Processes of Government

Interested in government and how it works?
There are many opportunities for everyone interested in the student government program at Catalina.
Through free debates in Student Council, representatives learn to express their opinions and plan student government functions. Students practice parliamentary procedures and the skill of leadership in various government activities. Council, Student Federation Delegation, and Student Court provide Catalina with good examples of government processes.

Serving as Catalina's recording secretary was **Nona Piziali**. Nona, known around school for her long ponytail, kept minutes and records for Student Council meetings.
She was active in many phases of school life including National Honor Society, Girls League, and Tri-Hi-Y. One of Nona's hobbies is sewing, which accounts for the fact that she makes her own clothes. She likes boating and water-skiing. "I water-ski all summer long!" exclaimed the energetic senior.
Nona plans to go to the University of Arizona and enter the College of Liberal Arts.

Draping tinsel on the Christmas tree, interested students participate in furthering the festivity and cheerfulness of the Christmas season.

"The best thing that ever happened to me was being chosen as a delegate to Anytown," declared **Klaire Kaufman**, Catalina's Student Federation corresponding secretary. Serving in this capacity, Klaire took care of all the correspondence.
She served as vice-president of her sophomore class and was on the Advisory Board in her junior year.
Klair is interested in people and what makes them "tick." She plans to major in psychology at the University of Arizona.

"Dear Season" Sponsored by Student Council

Miss Victoria Kalil, adviser

"Dear Season," that hectic week for the pursued boys, was again sponsored by the **Student Council.** This annual event with its fun-filled program was planned and carried out by the Council as one of its major projects. A member of Council and a non-member are chosen each year by the Council to head this hilarious week.

Student Council is made up of the Student Federation Officers and four elected representatives from each class. It is these students' duty to plan and promote projects that will benefit all C.H.S. students. The new organ at Catalina, bought with student body funds, was one of the projects. The Council meets weekly.

During the past year the Council aided school spirit by selling hats, shakers, etc., by planning pep assemblies, and by organizing the annual out-of-town game.

In the spring when elections come around, the Student Council supervises class and student body elections and has the tedious job of counting ballots.

Court Handles Minor Disciplinary Problems

Student Court and its justices have the job of handling minor disciplinary problems such as entering the halls without a hall pass, causing a commotion in the halls, or creating a disturbance in the school cafeteria.

A student accused of an offense by the Student Court is summoned to Court. There he is tried and sentenced according to the seriousness of the offense and his attitude toward the offense committed. The sentences are usually demands writing a theme ranging from twenty-five to five hundred or more words. After writing the theme the defendant must appear in Court again and read the theme, which is then voted on by the Court. On some occasions a defendant will have to write a specified number of words, defining and using them.

The hall monitors and the cafeteria monitors have worked very closely with the Court this year in trying to make Catalina a school that students are proud of. Through their combined efforts they have succeeded in reaching this goal.

Student Federation Helps Student Council

Answering questions on the clean-up project is Toni Roberts, president of the Delegation.

The Student Federation acts as an intermediate between the student body and the Student Council.

Members of the Federation Delegation learn about the activities of the Student Council and may express their opinions and suggestions on school issues. The Council finds out the general views of the student body through the opinions expressed at the Delegation meeting.

Each homeroom elects one representative who attends the bi-monthly meetings and reports back to the homeroom the issues that were discussed.

Although the Student Federation never originated any projects, they aided the Council in some of their projects.

Toni Roberts headed the Student Federation Delegation while Toby Hyman served as secretary.

The Delegation representatives learn of the Federation's plans for the coming year and prepare to take notes in order to inform their homeroom members of the schedule.

Boys, Girls Staters Investigate Politics

From June 4 to June 10, students selected by the faculty of their respective schools met for the summer conferences known as Boys State and Girls State.
All participants were assigned to a county and a city. Each was also made a member of one of two political parties.
Elections at all levels were held, and every facet of government was explored. To better understand these areas, delegates heard many prominent politicians speak.
Catalina's delegates to Boys State were, as pictured below, John Moffatt, David Getty (alternate), John Vrchota (alternate), Bruce Grossetta, and Jim Selser. Not pictured are Bob Svob and Dan Swango. The Girls Staters shown at right are Toni Roberts, Andi Bacal, Ruth Shields, and Gail Price (alternate). Not pictured is Diane Duncan (alternate).

fellows all in realm of the sun . . .

Actions interpret our thoughts, reflecting life's happiness and fullness. As a firefly shines on the wing and darkens when idle, so our organizations shine when they are active.
Each individual finds his place to stimulate studies, interests, and hobbies.

Industrial Arts Wing Is the Home of '61 Torch

IA2, the home of the TORCH, has been a center of bustling activity producing the 1961 yearbook since spring of 1960. But Catalina's annual was certainly not confined to just the publications room. The staff expressed the need for a swinging door and roller skates for the countless trips to parts of the building in search of ideas and coverage of the school year. During the course of a busy day, at least one staff member was sure to be seen trying to track down a vacant typewriter to type a story or to finish a page for a deadline. Write-ups of events months before they occurred, attempts to get one hundred people in one picture, and too much or not enough room for copy, pictures, and captions resulted in constant headaches.

Growing each year, the TORCH has strived to establish itself as a record of the school year, a memory book for the students, a public relations instrument for the school, and a major student project. Greater academic coverage, better paper, and more color topped this year's list of accomplishments.

Factual News, Opinions Are Part of the Trump

Bill Moore, editor-in-chief

The Trojan TRUMPETEER, the only weekly high-school newspaper in the Southwest, tries not only to give plain and factual news but also views and opinions of staff members and individual students with editorials, columns, and the Trump Mail-box.

For the first time, the pages of the Trump were printed in multi-color. Catalina's newspaper provides a laboratory for students who are interested in entering the field of journalism. This year's Trump adviser, Mr. J. G. Carlton, Jr., was a staff writer with the Telegraph Herald in Dubuque, Iowa, and a freelance writer for magazines.

The staff of the Trojan Trumpeteer feels that it has had its hand on the pulse of Catalina High School.

Trojan Band Copped Grand Sweepstakes Award

Under the direction of Mr. Carlyle Webb, the Catalina Trojan Band won top honors in the Armistice Day Parade by copping the grand sweepstakes award. It was also judged superior at the University of Arizona on Senior Day.

The band's objective is to provide a program that is entertaining as well as musically good, and all members worked toward this goal.

A new addition this year was the swing band composed of members of the regular band and orchestra. It was heard at several school dances including the Torch Ball and the freshman dance.

The band was led by Drum Major Bob Sorenson in the precision marching drills during the half-time and pre-game shows during the athletic seasons. The precision marching drills were new to all members and proved more effective in competition than the formation marching used in previous years.

Orchestra Plays Classical to Popular Music

Mr. Carlyle Webb, orchestra director.

Orchestra members get a taste of many types of music ranging from classical to popular, under the direction of Mr. Carlyle Webb.

The most outstanding addition to the orchestra was the number of small instruments and ensembles. These groups under the direction of Mr. Max Brillhart, appeared on television and at concerts.

Their schedule began with a concert on November 1. They visited the University of Arizona for the Regional Music Festival and Music Week. The All-City Orchestra Festival was also on the list of activities. Several orchestra members were honored for their skill by being chosen to play in the All-State Orchestra in Flagstaff.

Concert Ensemble Makes Request Performances

The Concert Ensemble is composed of the leading voices from the A Cappella Choir. Auditions were held to make the selections for this group. Becoming a member of the Ensemble is an achievement that any A Cappella Choir member can be proud of.

The Ensemble appears as an entire unit or in trios, quartets, and small mixed groups. Under the direction of Mr. Harold Porter, the Ensemble appeared in the Christmas program, a joint concert with Rincon, and various request performances.

Lending a hand, Alan Schultz assists pianist Marion McBride.

Rehearsing a number for the Christmas program, Catalina's A Cappella choir works hard during class each day.

Open wide! That's the instruction as Mr. Porter teaches the Beginning Girls' Choir the techniques of singing.

Catalina has a variety of music programs. The first opportunity for a girl interested in this curriculum is the Beginning Girls Chorus. It is open to any girl interested in gaining voice instruction and experience.

After Beginning Girls Chorus, some girls are selected to the Advanced Girls Chorus, a unit composed primarily of sophomore girls preparing to enter A Cappella Choir. Many girls enrolled in these classes are talented and promise great things.

These choirs sang individually at the Chrismas Program, in the Patio Concert in May, and in various concerts.

Boys Glee Club Participated in Patio Concert

Under the leadership of Mr. Max Brillhart, the Boys Glee Club enjoyed its second year at Catalina. They participated in a variety of activities including the Girls League meeting in December, the Christmas Program, and the Catalina Music Festival. Their major project was the Patio Concert held in May.

Any boy who wants to train his voice and gain musical experience is eligible for membership. Many boys earned their membership in the A Cappella Choir through the Glee Club.

Election to NHS is a Student's Highest Honor

Bruce Grossetta, president

One of the highest honors the faculty can bestow upon a Catalina student is membership in the National Honor Society. Members are selected by the faculty and a special faculty committee on the basis of scholarship, leadership, service, and character. In addition, students must meet high scholastic standards and have a minimum grade average of 1.8.

NHS raised money for worthwhile causes related to our school by selling candy and tutoring students for a nominal fee. Their "Friendship Fund," for the most part, was donated to the American Field Service which helps to bring foreign students to CHS and to send our exchange students abroad.

The art of dancing requires skill, grace, and a sense of rhythm. The members of the Dardanaires dance group try to improve their skill in dancing and promote interest in it.

On November 1, they presented a dance in concert with the Music Department. The dance group also joined with the orchestra and chorus in presenting the Christmas program and took part in a dance symposium with the Tucson Contemporary Dancers. In the spring, they participated in the musical which was presented to the student body.

Any Catalina girl who has good health and an interest in dancing and has some ability is eligible to try out for the Dardanaires.

AHS Tries to Instill Art Appreciation

"What on earth is that supposed to be?" many of us find ourselves asking whenever we see a modern painting or sculpture. Many of us barely appreciate art in this form or any other. The Art Honor Society strives to instill in students appreciation for art in general and to further talents, interests, and abilities in this field. Members of this society visited studios, museums, and galleries in the Tucson area and heard talks given by artists and craftsmen in an effort to fulfill the above purposes.

"Wow!" Those Lettermen!" came comments by the girls as the Lettermen's Club served at athletic and special events. To obtain membership in the Lettermen's Club, a boy must have earned a major letter in a major sport. Service at activities included passing out programs, raising the flag at football games, serving dinner at the Girls League Convention, forming a team for the Peanuts for Polio Drive, and raising money for an organ for the auditorium. The Letterman's annual dance was held on February 10 and the queen was chosen and crowned by the lettermen.

GIRLS LEAGUE: Mrs. Joan Tolle, adviser; Mrs. Myrtle Brown, adviser.

Girls, girls, and more girls! Girls from all over the state were here as Catalina, along with Tucson High School, sponsored the State Girls League Convention.

Besides sponsoring the Convention, Girls League had meetings at which talks were given on such topics as Japan and the Holy Land. They also held their annual Dad-Daughter Banquet and coke party. Girls League is a democratic organization and membership is open to all girls. To be a voting member, a girl must attend three meetings.

Juniors Adopt Girl

Bona Fides Club, the junior chapter of Tri-Hi-Y's at Catalina, "adopted a crippled teenage Indian girl as their major service project for the year. They raised money through a bake sale, car wash, and a dance held on November 4.
The group went caroling at hospitals during the Christmas vacation and sent representatives to Model Legislature with the club paying the bill.

Pro Bona

Ominums Bake

Through money raised by a bake sale, Pro Bona Ominum, the Sophomore chapter of Tri-Hi-Y, bought an aquarium for the children at the National Foundation for Asthmatic Children. Members also participated in Model Legislature and Peanuts for Polio.

Seniors Gave Dance

Model legislature participation highlighted the activities of the Senior Hi-Y Club. Other activities included sponsorship of speakers, a spring dance, and a Junior versus Senior Hi-Y football game. Collection for the Milk Fund Drive headed the list of service projects the club participated in. They also "sent-a-kid to camp" and formed the senior mixer clean-up committee.

The group's purpose is to create, maintain, and extend throughout the school and community a high standard of Christian character.

Hi-Y Sold Mistletoe

"Standing on the corner watching all the girls go by," was a familiar scene last December when the Junior Hi-Y sold mistletoe as a project.

Besides "mistletoing," the club had several speakers to talk on subjects such as judo and narcotics.

The club is democratic in practice. To create, maintain and extend high standards of a Christian character are its purposes.

JUNIOR HI-Y—Front Row: Larry Dent, Tom Grissom, Larry Ingber, Bob Bykerk, Jerry Fitz, president; Bill Hibbs, treasurer; Bill Bambauer, Richard Pagel . . . **Second Row:** Mike Carpenter, Roger Berry, Doug Ward . . . **Third Row:** Garry Monheit, Tom Robinson, David Bartlett, Ed Mayo, Pat Beers, Kenny Spiegel, Larry Johnson, Bob Tompkins, John Donner, Chuck Waldman . . . **Fourth Row:** Bill Bell, Bill McClelland, Pete Voris, Wally Kohler, John Helin, Dave Fithian, Bob Crofts, Roddy Knagge, Johnny Rowe.

All girls in Catalina are eligible to be members of C Y-Teens. To become an actual member, a girl must have paid her dues and have attended at least three of the meetings which are held in the evenings of the first and third Wednesdays of each month at the YWCA.

The members could be found washing cars at the first of the school year. They also gave a Halloween party for the children at St. Mary's Hospital, providing entertainment and refreshments. An annual hayride and a dance were held during the second semester.

CCYF Studied Old Translating System

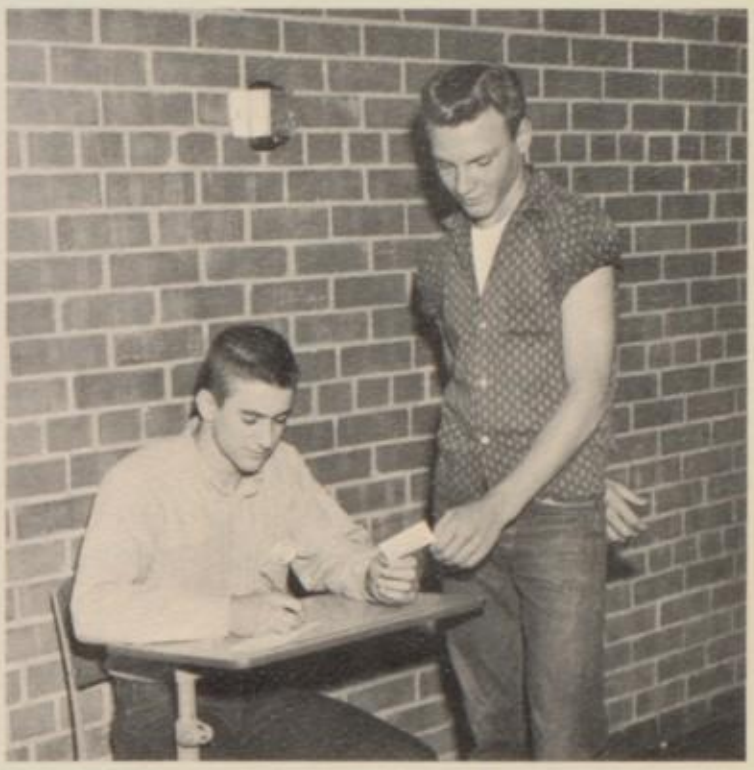
The Catalina Christian Youth Fellowship undertook a rather unusual project this year: that of learning more about the Wycliffe Translating System. This is the system that is being used today, mostly in South America, to translate various languages that have never been written before.

The club is open to all who desire Christian fellowship and want to learn more about the Bible. Among the projects were a banquet at the end of the school year and several "Singsparation" meetings.

CATALINA CHRISTIAN YOUTH FELLOWSHIP—Front Row: Ruth Shields, president; Sherry Bea, vice-president; Bonnie Burns, secretary-treasurer . . . **Second Row:** Gail Yering, Joanne Klein . . . **Third Row:** Miss Audrey Salzer, advisor; Phyllis Carpenter, Judy Livingston.

Hall Monitors Serve As Policemen and Guides

HALL MONITOR CAPTAINS—Front Row: Ken Jaeger, adviser; Pat Stell, JoAnn Kinney, Dan Swango . . . **Second Row:** Bob Svob, John Vrchota, Don Kuyper, Linda Lamb, Larry Dent, Ina Marie Lawrence.



Harry Ludwig pauses to let Monitor Jack Kenan check his pass.

Besides maintaining order and proper conduct in the halls, the hall monitors direct newcomers on their ways and guide mothers bringing forgotten gym suits, lunches, books, etc., to school.

Nine captains are in charge of this crew throughout the day. The captains are responsible for taking roll call, assigning positions, issuing citations, and making sure each monitor has his badge. The captains were Bob Sorensen, Pat Stell, Ina Lawrence, Don Kuyper, Dick Johnsrud, Rod Davis, Dan Swango, Bob Smith, and Larry Dent.

JUNIOR RED CROSS COUNCIL—Front Row: Jeff Hayden, vice-president; Nancy Helm, president; Linda Helm, secretary; Miss G. Ann Schroder, Adviser . . . **Second Row:** Debbie McMillan, Warren Phelan, Tom Bartholomew, Bob Verity, Nancy Cooke.

Red Cross Headed Filling Gift Boxes

The Junior Red Cross is composed of one representative elected by each homeroom. Activities included filling Red Cross Gift Boxes and making colorful, entertaining scrapbooks for hospitalized small children.

Under the direction of its Red Cross representative, each homeroom raised money and bought a gift for a child in an orphanage.

German Folk Dances Were Tried by Club

A newly-organized club at Catalina this year was the German Club. "Hier sprechen wir Deutsch" was the echo of members as they planned the activities. Among the activities were hearing a speaker, seeing slides, trying to cook some German dishes, and learning German folk dances. The object of the club is to acquaint students with the German language and culture.
Any interested student taking German is eligible to be a member as long as he maintains a passing grade.

German students Barry Ames, JoAnn Brody, Pat Stell, and Bill Brody check up on some vocabulary as they prepare to study for a German test.

LATIN CLUB—Front Row: Ben Everitt, treasurer; Janet Forbes, president; Kelly Johnson, vice-president; Barbara Harrison, secretary . . . **Second Row:** Molly Reddington, Mary Fredericks, Stephanie Cooke, Lynda Cuqua, Judy Potter . . . **Row Three:** Jeanne Limbacker, Charity Everitt, Phyllis Carpenter, Gail Supina, Janet Hess . . . **Fourth Row:** Scott Griffiths, Lesli Lorenzen, Pat Payne, Kathy Pye.

Roman Banquet Caps the Inter Nos Year

"Modern Romans" could be seen wearing the traditional togas for the annual Roman Banquet "Saturnalia" or Christmas celebration, the Roman fashion show, and the initiation of new members. All were activities planned by the club. Students participating in the projects were taking or had taken Latin.
Inter Nos members sought to increase interest in Latin through learning more about the effect of Roman culture on modern civilization.

INTERNATIONAL CLUB — Front Row: Bonnie Schadt, Mary Fredericks, Sharon Elledge, Jann Warren, Ben Everitt, Judy Potter, Dennise Mason, Judi Spray . . . **Back Row:** Christie Galloway, Marcia Taggett, Linda Lamb, Diane Tully, Suzanne Bambauer, Mel David, Betty Bilgray, Mrs. Erma Fisher, adviser.

Travel the World in International Club

The lure and intrigue of other lands has brought many students into the International Club. Activities of an international flavor such as a movie to raise money for American Field Service, and a dinner, featuring various foreign dishes, highlighted the year.

The advisers, Mrs. Emma Fisher and Mrs. Dorothy Hall, stated that the club's aim was to increase the understanding of the members of the peoples of the world. Members virtually traveled the world via speakers, slides, and photographs.

SPANISH CLUB — Front Row: Clive Seal, president; Julie Garay, secretary; Cynthia Freeman, vice-President; Trisha Tomlinson, Miss Mary Ott, adviser . . . **Second Row:** Bonnie Schadt, Chuck Roberts, Ann Poole, Patricia Waddell, Connie Campas, Connie Franz, Barbara La Mar, Richard Gregore, Scott Stevenson, Mary Stanley, Harold Ivy, Kristin Luepke . . . **Third Row:** Rita Whelply, Nancy Kelly, Sandy Rout, Toni Del Missier, Linda Wershing, Steve Amesbury, Bob Bartlett, Ron Ryan . . . **Fourth Row:** Janet Jordan, Andrea Salter, Judy Riley, Mike Tomlinson, Patty Schneider, Bob Tompkins, Bill Hibbs, Nona Piziali, John Donner, Bill Dennerly.

Spanish Culture Is Viewed by Club Cid

Habla Ud. espanol? If you do or try to, you are welcome to join El Club Cid. The club gives its members a chance to practice speaking Spanish during the regular meetings and at gatherings and to gain an accurate picture of the Spanish culture. The club members attend Spanish movies, and for a change of pace, go for a meal of Mexican food. Among the projects of the club this year were the collecting of old and new clothes for the needy children of Sasabe and participating in the annual fiesta put on by all of the Tucson high school Spanish clubs.

SKI CLUB—Front Row: Harriet Willis, secretary; Doug Heinrichs, president; Bill Risner, vice-president . . . **Second Row:** David Smith, adviser; Sherry Bea, Andrea Salter, Tory Shawe, Barbie Reid, Stephanie Cooke, Dale Fuller, Pat Stell, Ann Penzi . . . **Third Row:** Sue Dees, Camille Schmitt, Kitty Lance, Penny Geror, Barry Kothrock, Anne McFarlane, Christie Galloway, Dee Harris . . . **Fourth Row:** Alice Breazeale, Lynn Van Ryswyk, Bill Moore, Mike Hennigan, Jack Tighe, Pat Pain.

Ski Club Members Have Mt. Lemon Fun

Six ski trips to Mount Lemmon, including an overnight stay at the ski lodge, were among the winter activities of Catalina's Ski Club. The club participated in a "Safe Ski" meet at the Winter Carnival. They provided work parties to improve and clean up skiing areas on Mount Lemmon. In the spring, they had their annual party.

Learning to ski and appreciate the value of skiing are the purposes of the Ski Club. Membership is open to all interested in the sport of skiing and outdoor winter recreations.

SAFETY COUNCIL—Front Row: Penny Geror, president; Jill Dykeman . . . **Second Row:** Paula Wolf, Christie Galloway, Gail Price . . . **Third Row:** Marcia Taggett, Pat Stell, Joan Weinzapfel, Kay Wertman.

CSC Members Help With Traffic Problems

The many cars that were driven to Catalina presented a problem of safety for the Safety Council. Members helped distribute parking tickets, register vehicles, and plan and supervise a vehicle check in the spring.

Projects included sponsoring an after-game dance. The money collected was used in building bike racks in the parking lot.

Any student who has a sincere interest in safety, a willingness to work, and who does not hold a major office may become a member.

Science Is Promoted By Bi-Chem-Phy

Learning about everything from the conviction of a man for a crime with only two hairs and a hat as evidence to what happens to your body in an airplane crash is the spice of the Bi-Chem-Phy. To promote interest in science, the club sold Chemistry-Physics handbooks and sponsored the Catalina Science Fair. In addition, the Bi-Chem-Phy assisted students in preparing for science scholarships and awards. A picnic and a skating party at Iceland were held.

BI-CHEM-PHY—Front Row: Casper Crouse, treasurer; Stan Oaks, Mike Cabat,. John Fountain, vice-president; Dave Getty, president; Mary Schwartzmann, secretary . . . **Second Row:** Molly Reddington, Andrea Salter, Charles Wheelock, Barbara Pierce, Virginia Mahoney, Jan Getty, Steven Oaks, Mr. Rothrock . . . **Third Row:** Shirley White, Jane Swaim, Bob Bartlett, Tom Goodwin, David Bartlett, Martha Schwartzmann, Craig Wilhelm, Mary Ann Mack . . . **Fourth Row:** Tommy Hayden, Bill McClelland, Bob Hoffman, John Mach, Richard Saltus, Dale Fuller, Gretchen Luepke.

Auto Club Sponsored C.H.S. Road-E-O

Grab your wheels! We're off! Around the turn and into the straight! Hold on there partner! It's the Road-E-O!
This was the scene when the Auto Club sponsored the first Catalina Road-E-O, an obstacle race for cars.
Although new, the club had a busy year participating in a clean-up campaign, Peanuts for Polio, and the school-wide safety check. The club also presented films on racing.
To develop interest in the mechanics, design, and safety of cars is the purpose of the club.

AUTO CLUB—Front Row: Wilbert Wynne, Pete Young, Earl Noon, Karl Blehm, Dennis Carson, secretary; Glenn Parks, Chuck Waldman, vice president . . . **Second Row:** Ronny Todd, John Pizzo, Robert Lichter, Kenny Starr, Charlie Olney, Gary Hill, Paul Cannella, Don Carbiener . . . **Third Row:** Danny Jones, Joe Harries, Steve Willner, Chip Tobey, Tom Robinson, Bob Gentry, George Sickmon, Dick Gentry, Tom Hawk, Walt Holbrook.

DECA Backs All Seniors In On-The-Job Training

DISTRIBUTIVE EDUCATION CLUB—Front Row: Judy Beenblossom, Peg Price, treasurer; Sue Smith, secretary; Frank Cordier, vice-president; Dan Marusa, president . . . **Second Row:** Marlene Parks, Gail Yering, Susan Strey; Meredith Newman; Nan Mason; Joe Harris . . . **Third Row:** Mrs. Mary Klaurens Diane Hart, Elsie Harms, Kathy Dunsworth . . . **Fourth Row:** Pat Wiley, Ruth Hall, Don Freeman, Bob Beck, Don Molinari.

Vocational understanding, civic consciousness, social intelligence, and leadership development were the goals of the Distributive Education Club. In its second year, the club is open to any senior receiving on-the-job training in a business. Projects, included a city-wide employer-employee banquet, supplying Christmas baskets for needy families, and attending the State Convention of D. E. Clubs in March where there was competition in sales presentation. The Arizona Distributive Education Student of the Year was chosen at this convention.

Effective Speech Is Aim of Forensic League

"Training students for leadership through developing skill in speech is the aim of the National Forensic League," stated Mrs. Ann Soelter, sponsor of the league. This speaking skill was acquired through inter-school speech competition when the club participated in speech meets.

Members were selected by a credit point system featuring degrees of honor, excellence, and distinction, accumulated by participation in speech contests held throughout the school year. When the total points reach twenty-five, a student is eligible for membership.

NATIONAL FORENSIC LEAGUE—Front Row: Alice Jones, president; Kay Wertman, vice-president; Barry Ames, secretary; Mrs. Annalou Soelter . . . **Second Row:** Gail Price, Mary Schwartzmann, Jann Warren, Pam Cohn . . . **Third Row:** Rodney Davis, Marion McBride, Ann Hubbard, Bob Semilof, Ann Penzi . . . **Fourth Row:** John Graves, Bob Smith, Randall Wainscott, John Vrchota.

Staff Writers Tell Public About School Life

Between news flashes of satellites, cold war, and crime waves, citizens of our fair city catch a glimpse of local high school life in the Tucson Daily Citizen and the Arizona Daily Star. Both sections are written entirely by teenagers. Sports were reported in the Citizen by Jim Herman; Alice Jones was editor for the "Teen Citizen"; and reporters were Susie Salant and Esther Rudis. Gail Price, Debbie Young, Willow Carter, and Georgie Lowres wrote school social news for the Younger View.

The Star's school page appears on Friday. Catalina was represented by correspondent Bill Moore and sports writer Alfred Rudis.

STAFF WRITERS—Front Row: Willow Carter, Citizen; Gail Price, Citizen . . . **Second Row:** Al Rudis, Star; Georgie Lowres, Citizen; Susie Salant, Citizen; Esther Rudis, Citizen; Jim Herman, Citizen.

Quill and Scroll Recognizes Journalists' Work

The Quill and Scroll, an honorary society for journalists, gives recognition to students for achievement in this field. To become a member of Quill and Scroll, a student must have served one semester on a school publication, be a junior or senior, and be in the upper one third of his class.

Members carried on a drive to raise the standards of journalism and to send a student to the Publication Workshop held in Flagstaff.

FTA Helps Prepare Tomorrow's Teachers

The R. T. Gridley Future Teachers of America Club was established at Catalina for the purpose of exploring, studying, and participating in the teaching field. Students who are interested in becoming teachers and can maintain a 2.5 grade are eligible for membership in the club.

Some of the activities were a visit to the Arizona Deaf and Blind, a visit to a Saturday class at the University of Arizona in elementary teaching, and a later visit to the individual areas of teaching.

FUTURE TEACHERS OF AMERICA CLUB—Front Row: Linda Lamb, vice-president; Shirley White, treasurer; Sue Smith, president; Miss Carol Lauer, adviser . . . **Second Riw:** Sue Luecke, Judi Spray, Carol Currie, Martha Prentiss . . . **Third Row:** Susy Grossetta, Charlotte Kiddoo, Jamie Price, Jann Warren, Karen Kelly . . . **Fourth Row:** Chris Jensen, John Vrchota, Sandi Rout, Jo Carol Adair.

Handicapped Girl Was Protege of FHA

One of the projects of FHA this year was the "adopting" of a little girl from the Valley of the Sun School. They also participated in a clothing drive for the Education Center.

To promote a growing appreciation of the joys and satisfactions of homemaking and to further an interest in home economics is what the Homemaking Club strives for.

One year of homemaking is the only qualification needed for membership.

FN&MT Encourage a Medical Career

Any CHS student interested in nursing or any of the other medical professions is eligible to join Future Nurses and Medical Teammates. Pins were available to each student who took a course in Home Care of the Sick and Injured. The club attempted to interest students in personal and community health, to encourage students to learn the requirements and responsibilities in a nursing career, and to choose wisely the type of nursing school which best meets their needs.

FUTURE NURSES—Front Row: Shirley Bruner, secretary; Peggy Knight, vice-president; Judy Kortilla, president; Allyn Hansen, treasurer . . . **Second Row:** Sandy Meintzer, Becky Antonson, Janice Wurl, Linda Legiar . . . **Third Row:** Jerry Cornell, Barbara Grutzuis, Noreen Conley, Wendy Holder, Judi Mills . . . **Fourth Row:** Mrs. Leona Kortilla, Barbara Angerer, Joan Davidge, Marie Conley, Janice Haraway.

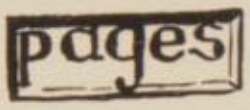
The Pages Help the Regular Librarians

With a cheery smile and a "May I help you?", the library helpers work with the regular librarians to take care of student needs. These students do various jobs such as checking books, shelving and taking care of them, and keeping the library rooms neat.

They were organized into a club this year, and are known now as "The Pages." As such, they participated in a city-wide party. Students interested in joining The Pages may apply if they have a study hall or are willing to work before or after school.



ARCHERY CLUB—Front Row: Nancy Forbes, Jean Sayre, Beatrice Simonian, Francesca Cirni, Isabelle Nichols, Judy Burns, Sharon Gable. Marlene Hughes, Kathy Harshman, Pat Brown. **Second Row:** Jean Hewlett, Sharon Price, Noreen Conley, Judi Mills, Miss Cappy, Linda Heisler, Bobbie Meyer, Ruth Weingartner, Judy Riley, Dale McKibben, Kathy Kloos.

Archers Participated in Active Competition

The twang of a bow and the whine of an arrow whizzing toward the target were ordinary sounds to all of the girls who belong to the Archery Club.

The girls participated in an active calendar of competition with the Girls Athletic Association and the archers of the high schools in Tucson's District No. 1. Several tournaments at the University of Arizona and the state tournament in Tempe were two other contests participated in by the members of the Archery Club.

Rifle Club Aims for Good Sportsmanship

Sportsmanship, so essential to success in life, is taught by means of fair play and co-operation in the Rifle Club. The club also promotes hunter safety and firearm courtesy.

This organization involves a marksmanship school where training is set up by the National Rifle Association with differing degrees of distinction. For each award, a badge of merit is given and worn with pride. Candidates for the Rifle Team are selected from among the club's members.

RIFLE CLUB—Front Row: May Mickelsen, Doug Forester, Nancy Young, . .**Second Row:** Kay Mickelsen, Randy Legler . . . **Third Row:** Bruce McKalip, andra Gilmour, Cynthia Freeman, Roger Ross, Bill Isaacs, Gretchen Luepke.

PIROUETTES — Carol Hartley, Kathy Hanson, Judy Strand, Alice Breazeale, Donna Graves, Marilyn Wright, Bonnie Stewart, Janet Stitzer, Melinda Stainger, Penny Marshall, Carol Davison.

Pirouettes Achieve Poise, Grace, Skill in Modern Dancing

Pirouettes is a dance club designed to prepare interested girls for the more advanced organization, Dardanaires. In order to be a member a girl need only be interested in dancing and enjoy performing.

The purpose of the club is to give girls an opportunity to learn dance techniques and prepare dance programs. The exercise received during practices helps the members to obtain and keep good physical fitness. Additional poise and grace are achieved through participation.

Trojan Blades Work To Improve Skating

The Trojan Blades, Catalina's newly-formed ice-skating club, has sought to reassure everyone's hesitation of stepping out on the ice. All interested students were urged to participate in the Club's skating practices to build a sense of accomplishment and sportsmanship. Lessons and several open-skating sessions were among the activities.

Advisers Mrs. Linda Hawk and Clyde Phillips assisted the members in the improvement of their skating skills and in the enjoyment of a cool recreation on the hot desert.

TROJAN BLADES—Front Row: Phoebe Robinson, Ann Penzi, secretary-treasurer; Mary Schwartzmann, president . . . **Second Row:** Clyde Phillips, adviser; Connie Franz, Joan Engebretson, Gayle Beach, Jan Getty, Kay Hatcher, Kathy Graf, Peggy Knight, Betsy Garland, Mrs. Linda Hawk, adviser . . . **Third Row:** Nnacy Hinton, Marcia Moler, Sara Jane Kimberlin, John Stevens, Lynn Ford, Molly Reddington, Martha Schwartzmann, Kay Beaton, Alvera Jacobs.

CATALINA COMPUTERS CLUB—Front Row: Ted Oien, vice-president; Kitty Lance, secretary; Dale Fuller, president; . . . **Second Row:** Barry Ames, Richard Saltus, John Mack.

Slide Rule Is Taught

The slide rule has a conspicuous place in our lives, helping to form the beauty and symmetry of everyday items such as buildings and cars.

The Computers Club teaches members the functions and skills of this tool. All interested in math are eligible for membership.

CREATIVE WRITING CLUB—Front Row: Karen Meines, Susie Fowler, Roberta West . . . **Second Row:** Janet Jordan, Mary Schwartzman, Terry Costello.

'Pens' Communicate

"Oh, for an inspiration," would sigh members of the Creative Writing Club, their pens poised in their hands.

The club met as a class for a period each day. Through discussion, members of the group profited from the opinions expressed by classmates.

STAMP CLUB—Front Row: Larry Korcsog, Rod Tunnell, . . . **Second Row:** Geoffrey Cross, Archie Abaire, Jerry Vessey, Nancy Hinton, Dave Fithian, adviser.

Stamps Are Studied

Philatelists in the Stamp Club gathered to trade and learn more about stamps. The group helped create interest in collections, and gave members a chance to add to their own.

Club Studies Radio

The Radio Club is striving toward the establishment of an amateur radio station at Catalina. The club, open to anyone interested, promotes interest in all phases of radio.

RADIO CLUB—Front Row: Fred Brown, president; Randall Legler, vice-president; Bob Wallace, secretary-treasurer; Larry Veith; John Varga; Everitt Welsh, adviser.

Printers Study Art

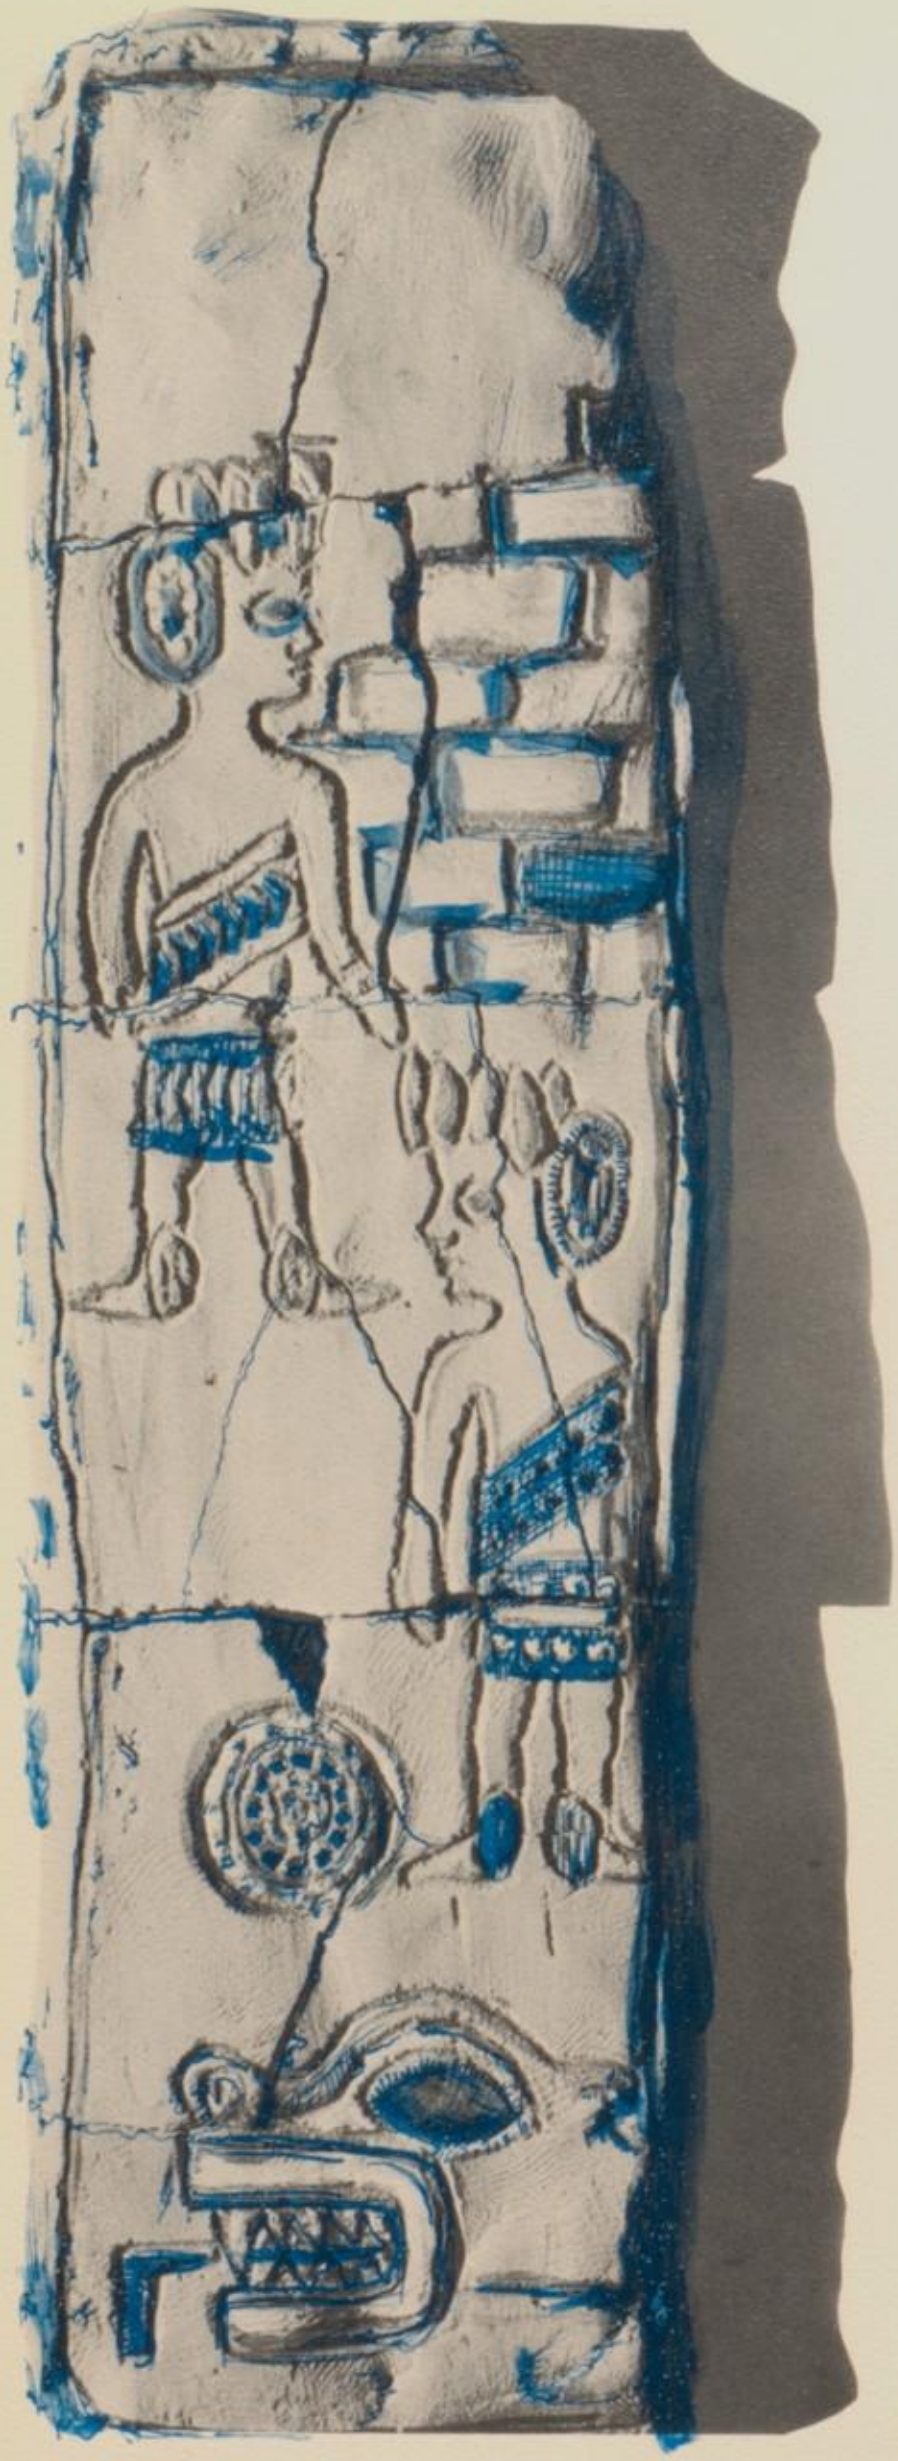
Students are furnished with an opportunity to explore the field of graphic arts in the Benjamin Franklin Club.
The club held a banquet with the members of the other graphic arts clubs in Tucson. A picnic and a Christmas card drive were also on the agenda.

BEN FRANKLIN CLUB—Front Row: Garland Hall, Richard Hernandez . . . **Second Row:** Terry Gurvitz, David Anglin, Tom Hawk.

Photos Are Taken

Shutters clicked as members of the Photo Club snapped pictures around the campus.
All of the Trojan Trigger Trippers aimed toward a better understanding of photography. The club afforded an excellent opportunity for those going into a career in photo works.

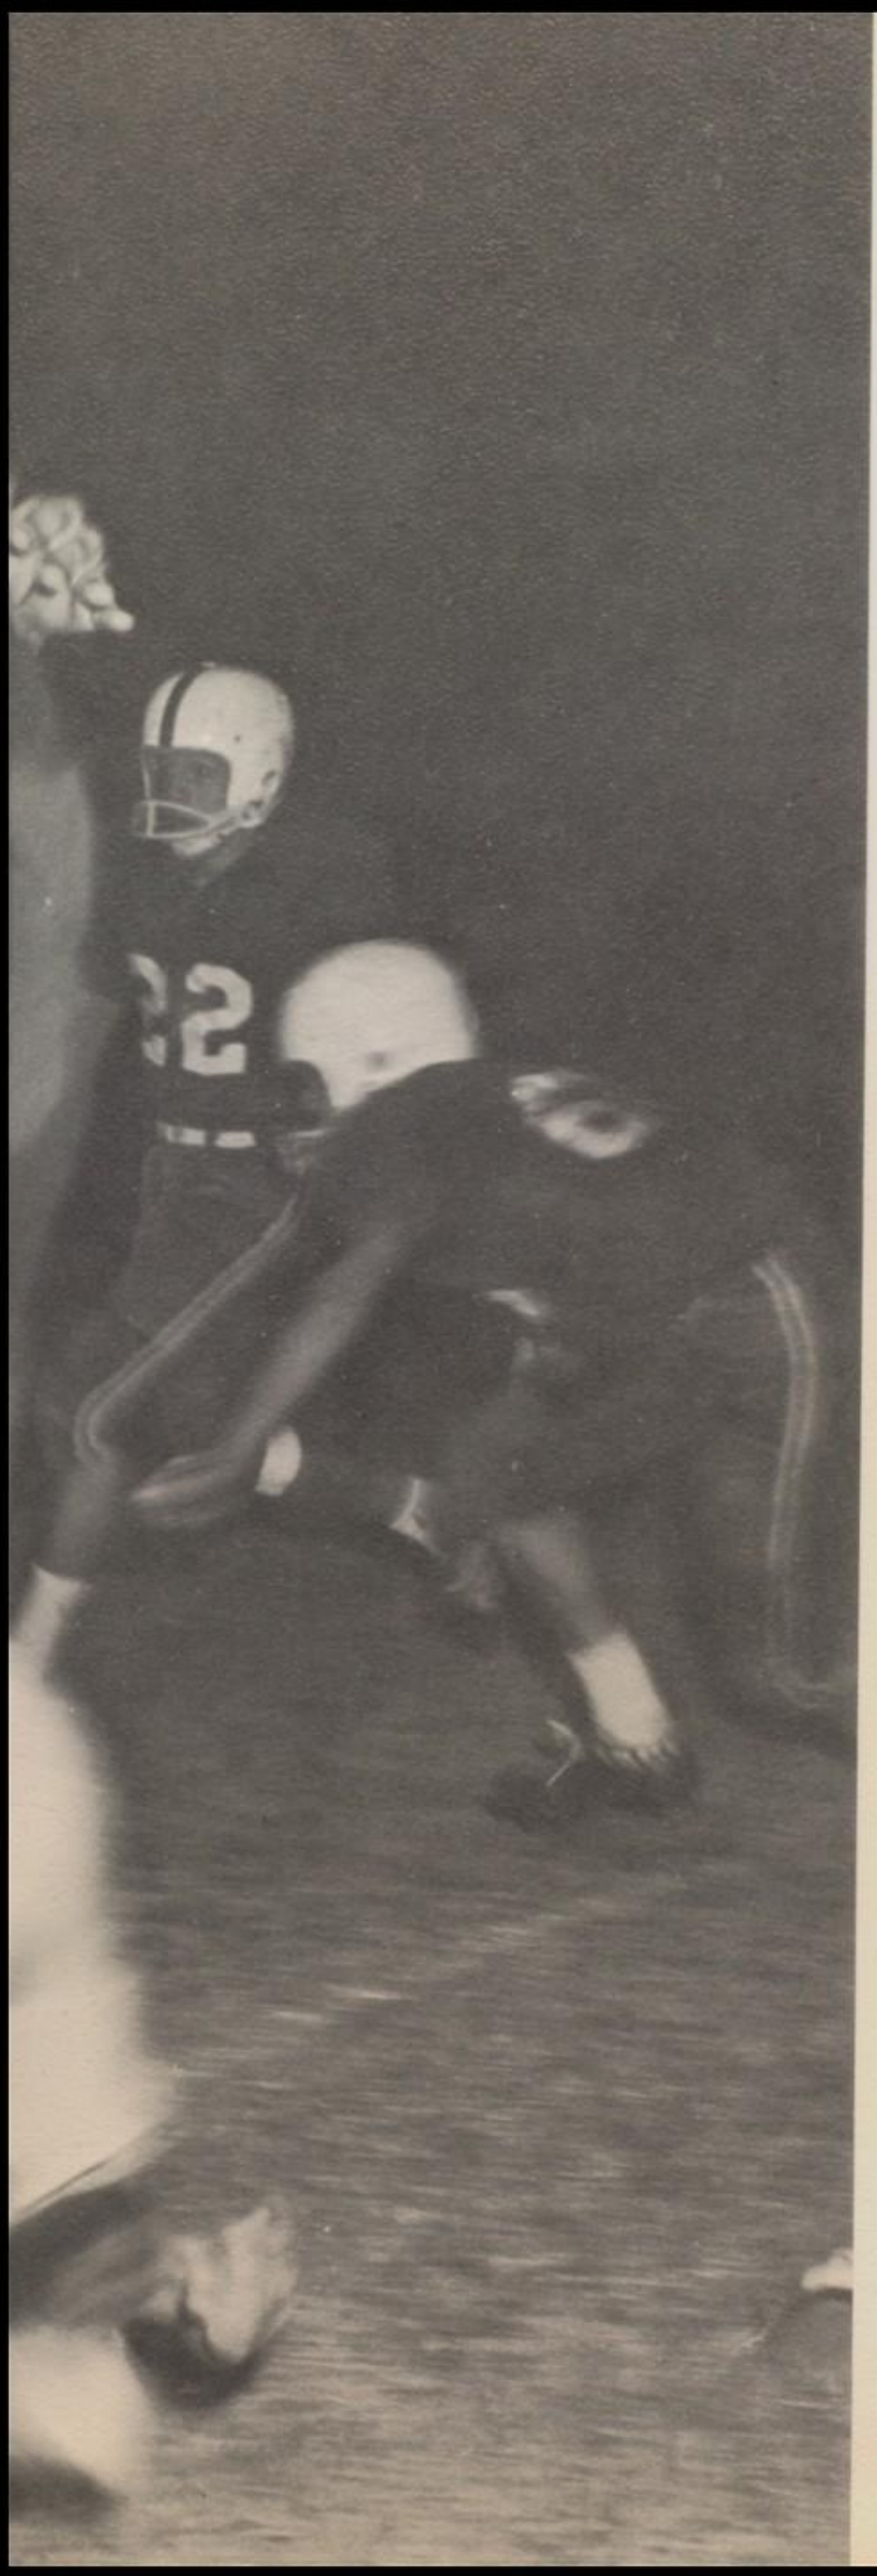
TROJAN TRIGGER TRIPPERS—Front Row: Dave Newman, Tommy Hayden, Jim Matteson, Frank Wilson, Terry Gurvitz , . . **Second Row:** Bob McClendon, Tom Hawk, Marsha Bell, Dave Bivens, Pam St. Germaine, Bill Yalen.



thrilling rivalry of skill and spirit

A face of defiance, solidly banked by bright lights and a cheering crowd, marched ever forward to defend our school name. Spirit was high, and threats and reverses from week to week kept fans pacing the sidelines under bright rays of anticipation.

Both the participant and the spectator found a place in sports, joining together for nobler living and better cooperation.



FOOTBALL

Gridders Grab One Win

Tough Opposition, Lack of Offensive Machine, Lead CHS to AA4 Cellar

Never recovering after a stunning loss in the season opener, Catalina's 1960 varsity eleven managed to grab only one win in nine outings. Under new head coach John Griste's direction the Trojans improved with every game but never built an offensive machine which could overpower the stiff opposition thrown at them throughout the long, rugged season.

Moffatt, Vrchota Chosen Co-captains

Seniors John Moffatt and John Vrchota were selected by their teammates as co-captains for the 1960 season. Vrchota, a 190 pound tackle was also voted the team's top blocker while Moffatt was selected as the top defensive player. Prospects for the 1961 season seem encouraging as the Trojans will have 10 returning lettermen, including the entire backfield. Next year the Blue and White will face arch rival Rincon twice, and will replace Scottsdale with Phoenix Camelback.

Fired Up Lancers Thump Trojans, 28-7

Fired up by the dedication of their new football field, Salpointe's Lancers soundly thumped the CHS gridders 28-7. Thus began a year full of football woes for the Catalina eleven. The only bright spot in the encounter was fullback Bob Bykerk's 3 yard touchdown burst in the second quarter and Doug Heinrichs' successful PAT attempt. After Bykerk's TD, Salpointe called upon a powerful ground attack and a still defense to coast to the win.

In the annual out of town game, the Trojans traveled to Mesa. Followed by 10 busloads of students, the Catalina squad entered Jackrabbit-land with hopes for an upset. The state champion Jackrabbits quickly erased any Catalina hopes, however, by holding the Trojan attack to a standstill and raced to a 33-0 win.

TACKLE

Senior **John Vrchota's** many interests include jazz, sports cars, Hi-Y, Lettermans Club, and Future Teachers of America. He plans to attend the University of Arizona and major in phychology. John thinks that Catalina has the poorest school spirit he has ever seen. He received honorable all-state tackle.

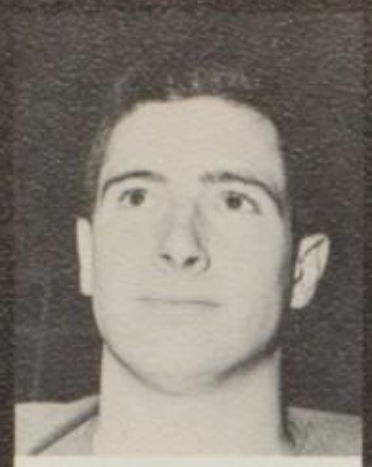
GUARD

Junior, **Bernard Modret,** left guard, was called an outstanding blocker by coach John Griste. In addition to football, he is also out for wrestling and weightlifting. He belongs to the Lettermans Club, and collects coins and stamps. Bernard, a returning letterman, will help form the nucleus of next year's team.

CENTER

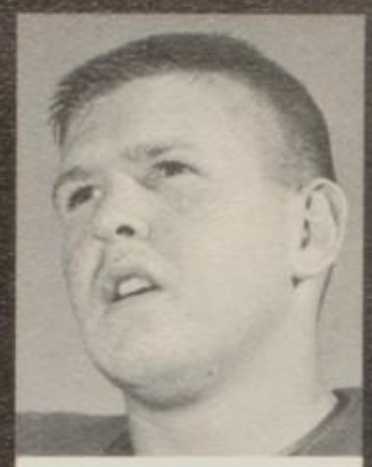
Senior **Gary Mouck** was out for his third year in football. Belonging to Hi-Y and the Ski Club, Gary plans to attend the University of Arizona next year to major in pharmacy or business administration. Gary has been to four high schools and rates Catalina best. Gary received honorable mention in all-city.

GUARD



Senior **Mike Hare,** nicknamed "Flutter," has played many games in his position of right guard. Some of Mike's interests include Band, Bi-Chem-Phy, Aeronautics, Orchestra, Math Club, and Swing Band. After graduation he plans to become a pilot. Mike likes Catalina although he will be leaving it this year.

TACKLE



Shonnee, Oklahoma teed off the life of senior tackle **Doug Heinrichs.** Doug is out for track and baseball. He belongs to the Lettermans Club and service council. He enjoys skiing when the weather permits. After graduation he is going to the U. of A. to major in psychology. Doug won honorable mention in all-city.

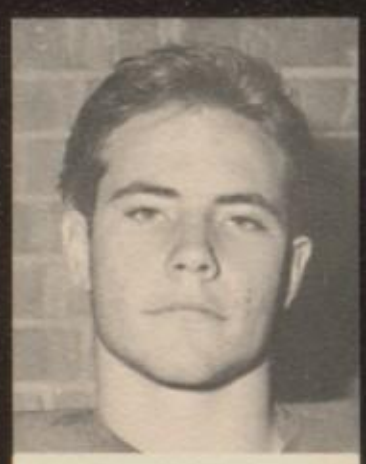
END

A native Tucsonan, **Harry Cornelius,** a right end on the C.H.S. team is going out for basketball and baseball in addition to football. Two of the clubs that Harry has participated in are the Lettermans Club and Hi-Y. He is planning to attend the University of Arizona but has not decided upon his major yet.

HALFBACK

One of the few sophomores out for football is **Mike Cartwright,** right halfback. In addition to football Mike is also out for golf. He is also interested in hunting and fishing and belongs to Hi-Y. Mike plans to be a dentist. The one thing Mike wants is a more interesting student body next year.

GUARD

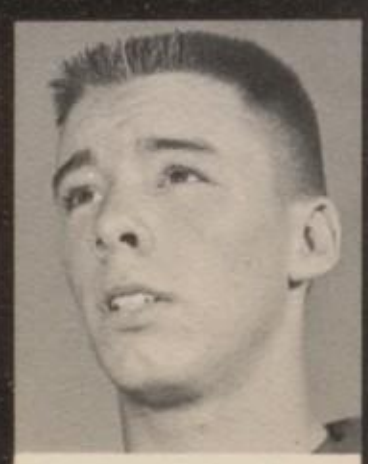


Bob Reed, senior right tackle, has completed his first year of football for Catalina. Bob enjoys many sports which include football, wrestling, swimming, weightlifting, and indoor sports. After Bob graduates he plans to join the Marines. Bob was the top defensive player on the C.H.S. team this year.

HALFBACK

Don Gabriel is one of the three sophomore football players. Don is participating in basketball and baseball. Some of his activities are De Molay, Hi-Y, dancing and hunting. He plans to attend the University of Arizona and major in psychology. Don came in 13th in rushing with 348 yards and a 4.6 average.

END



Junior left end on the Blue and White team, **Jerry Fitz** has been active as president of Hi-Y, participated in peanuts for polio, served as vice president of inter-city council. Jerry plans to major as a dentist but has not yet selected the college he will attend.

QUARTERBACK

Tom Murphy, quarterback, set a new state record on October 21, by passing for 272 yards and four touchdowns against Scottsdale. Tom wound up second in the city passing and fourth in total offense. He received Honorable mention all-city. In addition to football, Tom is out for both basketball and baseball.

QUARTERBACK

Middletown, Ohio was the birthplace of **Doug Holiker,** a Trojan quarterback. In addition to football Doug is active as a varsity pitcher in baseball, a member of the Lettermans Club and Hi-Y. Doug's main interest is baseball but he also enjoys reading and models. Doug was 9th in passing with 93 yards.

FULLBACK

John Moffatt, senior, was born in Tucson. John has many interests including basketball, baseball, track, cars, Hi-Y, Lettermans Club, peanuts for polio chairman, and vice president of Hi-Y. John plans to attend the U. of A. and major in business administration. John received honorable mention in all-city.

FULLBACK

Junior fullback **Bob Bykirk,** is an all-round sportsman. In addition to football he participated in wrestling and weightlifting. Bob still has one more year with the Trojans. He took part in the Lettermans Club and Hi-Y. Bob plans to attend the U. of A. after graduation. He has not selected a major yet.

Favored CHS Drops Viking Clash

Sunnyslope, one of the few teams the Trojans were favored to down, pulled off a surprising 19-12 win after the Catalinans returned from the Mesa rout. Bob Bykerk scored Catalina's second touchdown of the year on another 3 yard plunge and Jerry Fitz recovered a Viking fumble in their own end zone for the Blue and White squad's only tallies.

Rangers Fight Off Determined Catalina Eleven

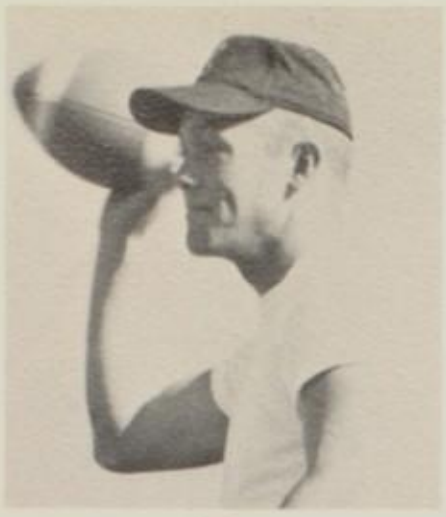
Rincon's Rangers, favored by three touchdowns, had to fight off a determined Catalina eleven to eke out a 13-6 win. Two quick second quarter touchdowns gave the Rangers a 13-0 halftime lead. The second half however was a different story as the Trojans dominated play and held Rincon scoreless. A 54 yard drive late in the third quarter led to Catalina's only score in the hard-fought second half. Bob Svob capped the drive by racing seven yards into touchdown territory. In the closing minutes of play Rincon put the game on ice with the recovery of a CHS fumble deep in their own territory.

'Mud Bowl' Played at THS

Dubbed as the "First Annual Mud Bowl" the Trojans and Tucson High locked horns in a game highlighted by rainfall, fumbles, and Catalina's fifth straight loss, 20-6. Two fumbles within the Badgers' 20 yard line spelled doom to the CHS cause. A one yard fourth quarter touchdown aerial from quarterback Tom Murphy to end Harry Cornelius accounted for Catalina's six points as the Badgers continued their gridiron dominance of their northside rivals.

Scottsdale's Beavers were the next team to polish off the Catalina eleven. Tom Murphy's 272 yards passing proved to be to no avail as the Trojans were never able to overcome a 14-0 halftime deficit. Murphy hit halfbacks Don Gabriel and Don Pearson twice each for the CHS scores. The Beavers' offense, however, proved to be too strong for the "never say die" Trojans and Scottsdale took the victory, 35-26.

Head Coach John Griste



Assistant Coach Bill Kiser

Assistant Coach Everett Nicholsen

Griste Is New Head Coach

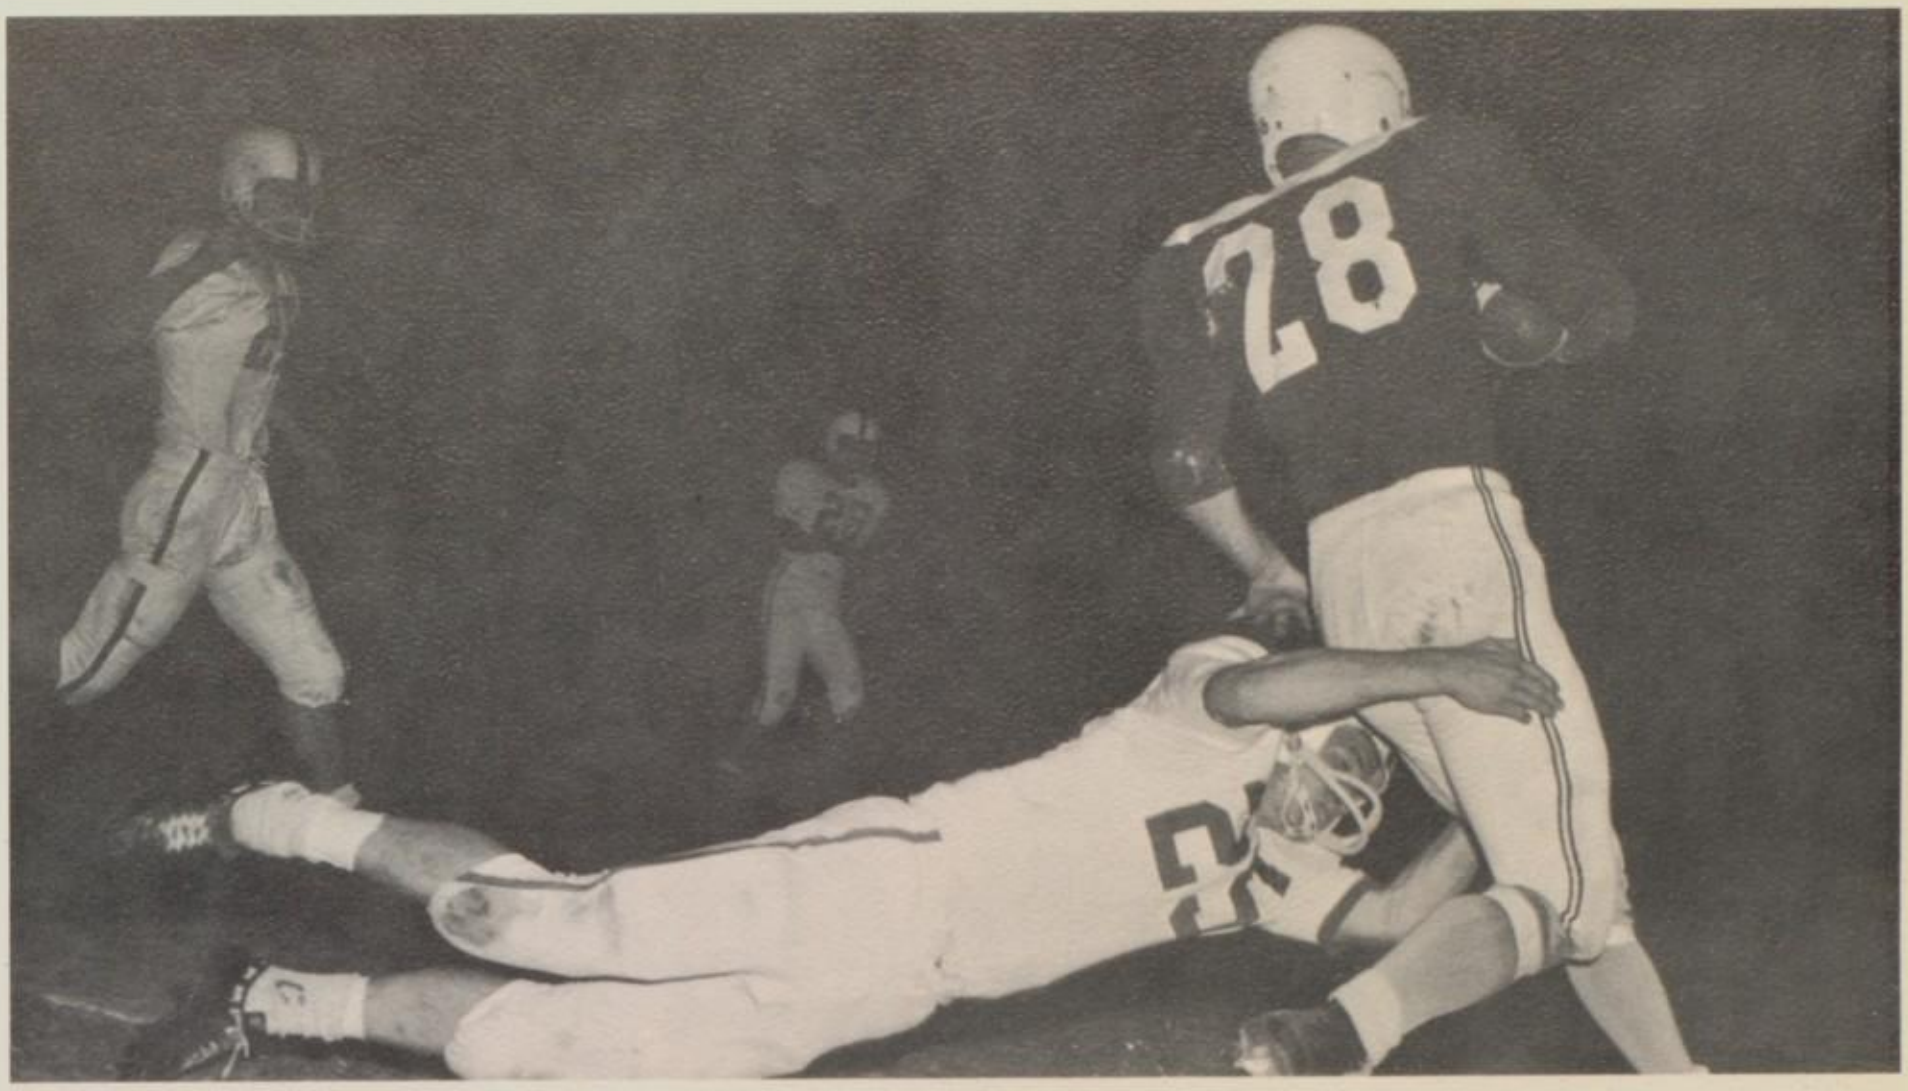
Twenty-five years of close asociation with football gives John Griste, in his first year at CHS, the experience, and interest necessary for a head coach.

A back on his high school team in Lancaster, Missouri, he shifted to guard for two years at Parsens College, Iowa, and then served a four year hitch in the Marines. Returning to college, Griste attended the University of Missouri, playing three years of varsity football.

Experience led to an eight-year coaching job in Missouri. Coming to Tucson, Griste was assistant coach at Pueblo for two years, and head track and assistant football coach at Rincon in 1959-60.

Coach Griste is assisted by Coaches Bill Kiser and Everett Nicholsen.

Nailed by a Rincon Ranger, Bob Bykerk makes a 5-yard gain.



Trojan Don Gabriel (25) connects with Pueblo end John Straw during the hectic fourth quarter.

Snagging a Tom Murphy pass, halfback Don Gabriel (25) is one moment away from being tackled by Salpointe's Pete Garcia (38).

Trojans Squeak by Amphi

Trojan victory hopes were realized November 10 when Catalina won 19-18 over Amphitheater. Don Gabriel led the Trojans by scoring all three touchdowns and adding 150 yards rushing to his credit. Doug Heinrichs' extra point kick was the margin of victory.

Two touchdowns within 55 seconds playing time gave Pueblo a 20-13 verdict over CHS. The Warriors capitalized on a blocked punt and an intercepted pass to win. Catalina took an early 7-0 lead when Bob Bykerk bulled his way into the end zone from 4 yards out and Doug Heinrichs booted the extra point. The Trojans led until the third quarter when Pueblo finally tallied. Then lightning struck. Warrior end John Straw scooped up Doug Holliker's blocked punt and sprinted into the end zone. Fifty five seconds later PHS safetyman Art Corral picked off a Tom Murphy pass and darted 29 yards to score. Doug Holliker provided the final CHS score.

Swarming in on a Sunnyslope Viking are Trojans Claud Seal (66), Jack Gatlin (32), Pete Riggi (67).

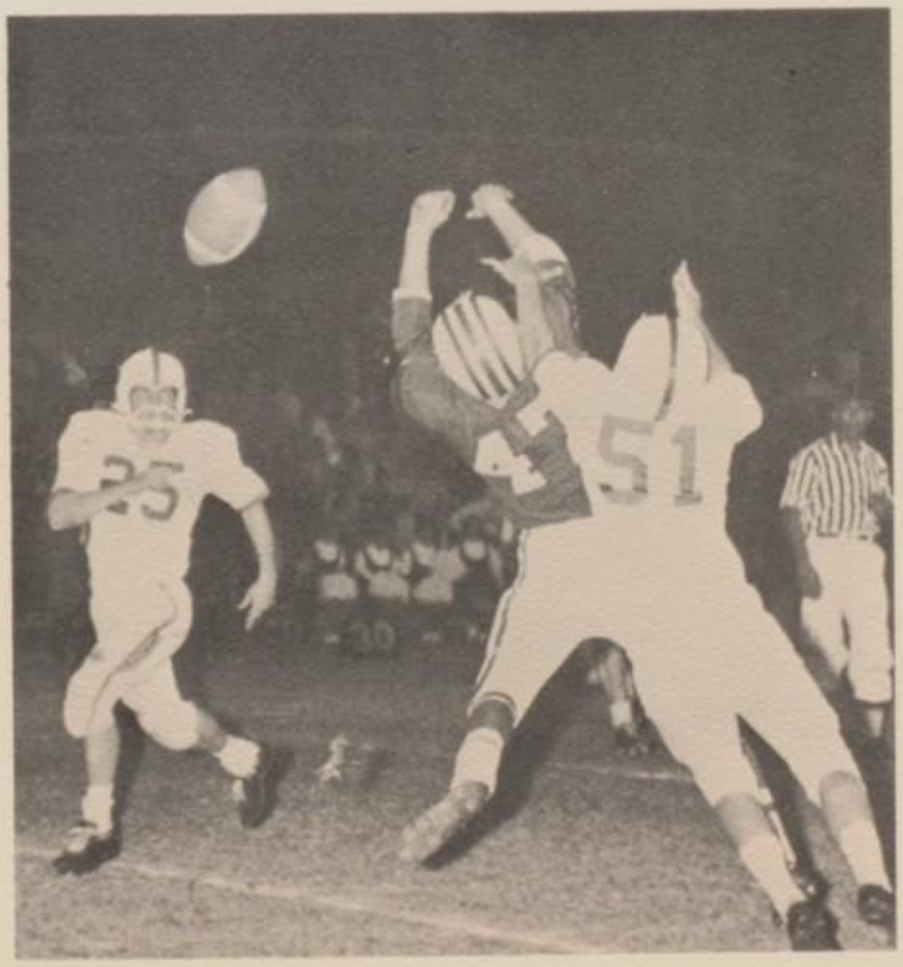
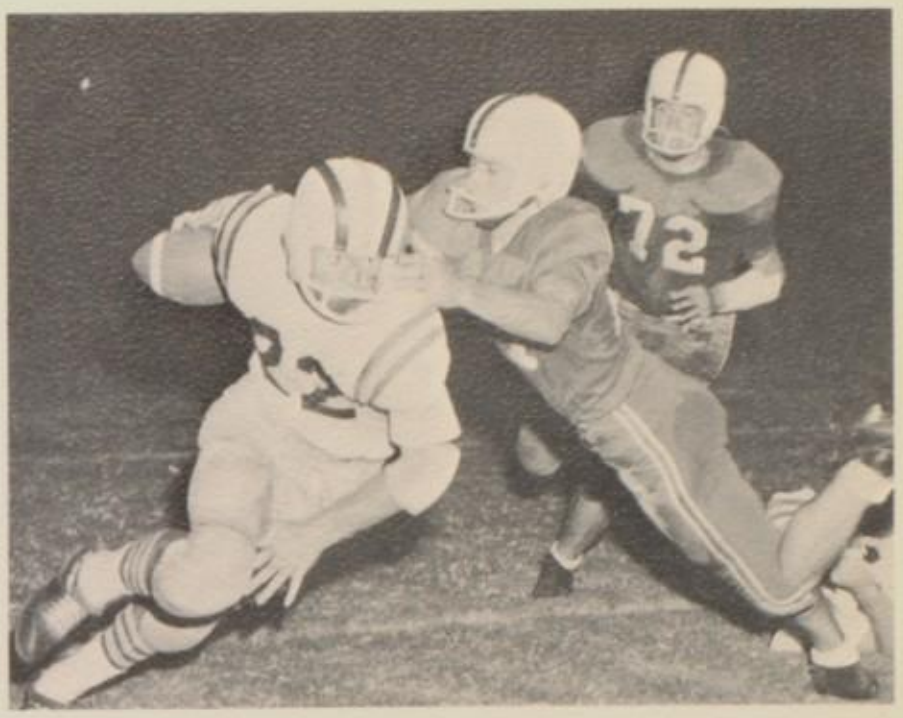
Moutran Sparks Bobcats

In the season finale, Phoenix Central's Bobcats, led by All-state fullback Al Moutran, took a 26-6 decision over Catalina. Moutran scored twice on runs of one and 5 yards, kicked two extra points, and passed for 49 yards in leading the Bobcats. The lone CHS score came in the final period when sophomore halfback Mike Cartwright plunged over the goal-line from one yard out. Offensively, Catalina was led by Don Gabriel who gained 43 yards on the ground and by Tom Murphy who passed for 98 yards.

At the conclusion of the season, John Vrchota won second team berths on both the Arizona Daily Star and Tucson Daily Citizen All-city teams. Don Gabriel, sophomore halfback, was awarded Honorable Mention All-city and All-state. Vrchota won Honorable Mention All-state also.



Deflecting Catalina pass, Phoenix Central end, Dave Whittaker, thwarts Trojans Don Gabriel's (25) and Jerry Fitz's (51) attempts to catch the ball.



Downed by Trojan defender Bob Svob, is all-state halfback Jon Chesser of Mesa. Rushing in to help is Catalina's John Vrchota (72).

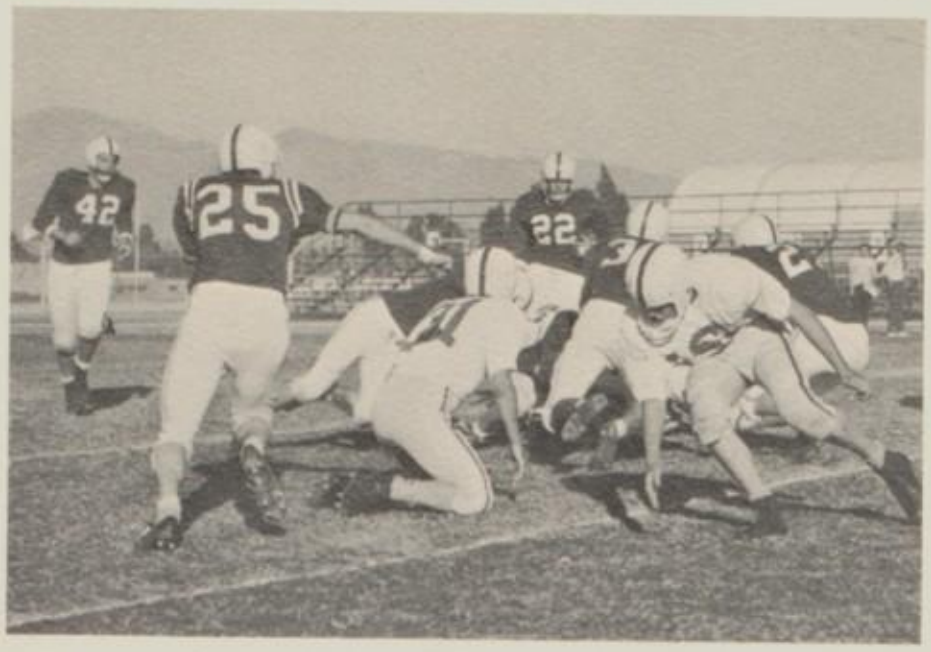
A short gain is made against Scottsdale as Catalina halfback, Don Gabriel, gallops around right end.

Jayvees Wind Up With 4-5 Record

Losing their last three games, the 1960 Trojan junior varsity ended the season with a four win, five loss record. Opening with a 9-6 win over Rincon, the jayvees were handed a 38-6 drubbing by Mesa. The team bounced back to hand city champion Salpointe their only loss of the year by a 20-12 count, and then extended their streak by defeating Amphi.

Disaster then struck the Trojans and they managed to defeat only Pueblo in their final five games. The most demoralizing loss however was a 25-0 shellacking delivered by Rincon.

Leading candidates for varsity berths next year include quarterback Ken Fox, halfbacks Glenn Thompson and Bob Griffin, and tackle Tim Burr. Jayvee coach for 1960 was Mr. Mel Vogel.



A host of Rincon and Catalina jayvees go after a loose ball.

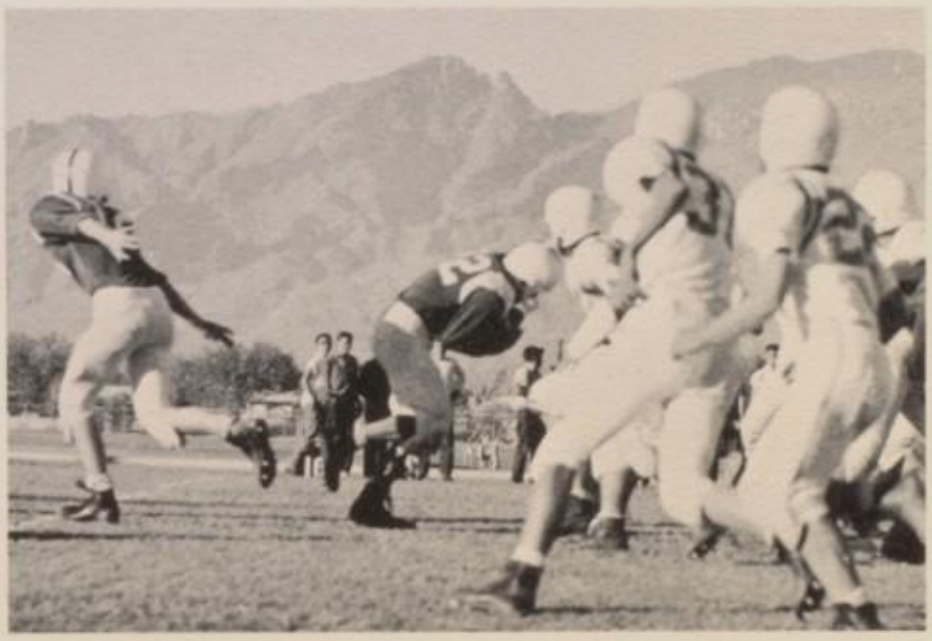
Frosh Record First Winning Mark



Crashing through the Rincon line, back Bob Berger makes a short gain.

Compiling a 5-4-1 record, Catalina's 1960 freshman football team became the first frosh squad to ever record a winning season. Led by all-round back Craig Gillaspie and defensive tackle Mike Trivanovich, the colts took two wins over arch rival Rincon by 13-12 and 28-26 scores, while city champion Tucson High handed them their worst defeat of the season by a 65-6 count. One of the biggest rarities of the season saw the yearlings and Amphi battle to a scoreless tie. Next year the frosh will move up to the junior varsity where they will try to compile another winning season. This year's freshman team was coached by Galen Kintner and Gordon Whitley.

Catalina's frosh chalked up the best football record at Catalina this year.

Trojans Cop 2nd Spot

Cagers Wind Up Season With 12-7 Record; Second In State Tourney

Ignoring pre-season predictions that they were headed for the city and conference cellars, Catalina's Trojans foiled everyone by winding up their regular season with a 12-7 record, finishing in a second place tie in the conference, and then pulling off three stunnig upsets in the state tournament to take the second spot in the state.

Quint Spoils Lancers Dedication

During the regular season the C.H.S. quint got off to a quick start and dumped Salpointe, 44-38, spoiling the dedication of the Lancer's new gymnasium. The next week, playing without the services of pleurisy-stricken Jamie Foster, the Catalina squad handed Pueblo a 50-33 pummeling.

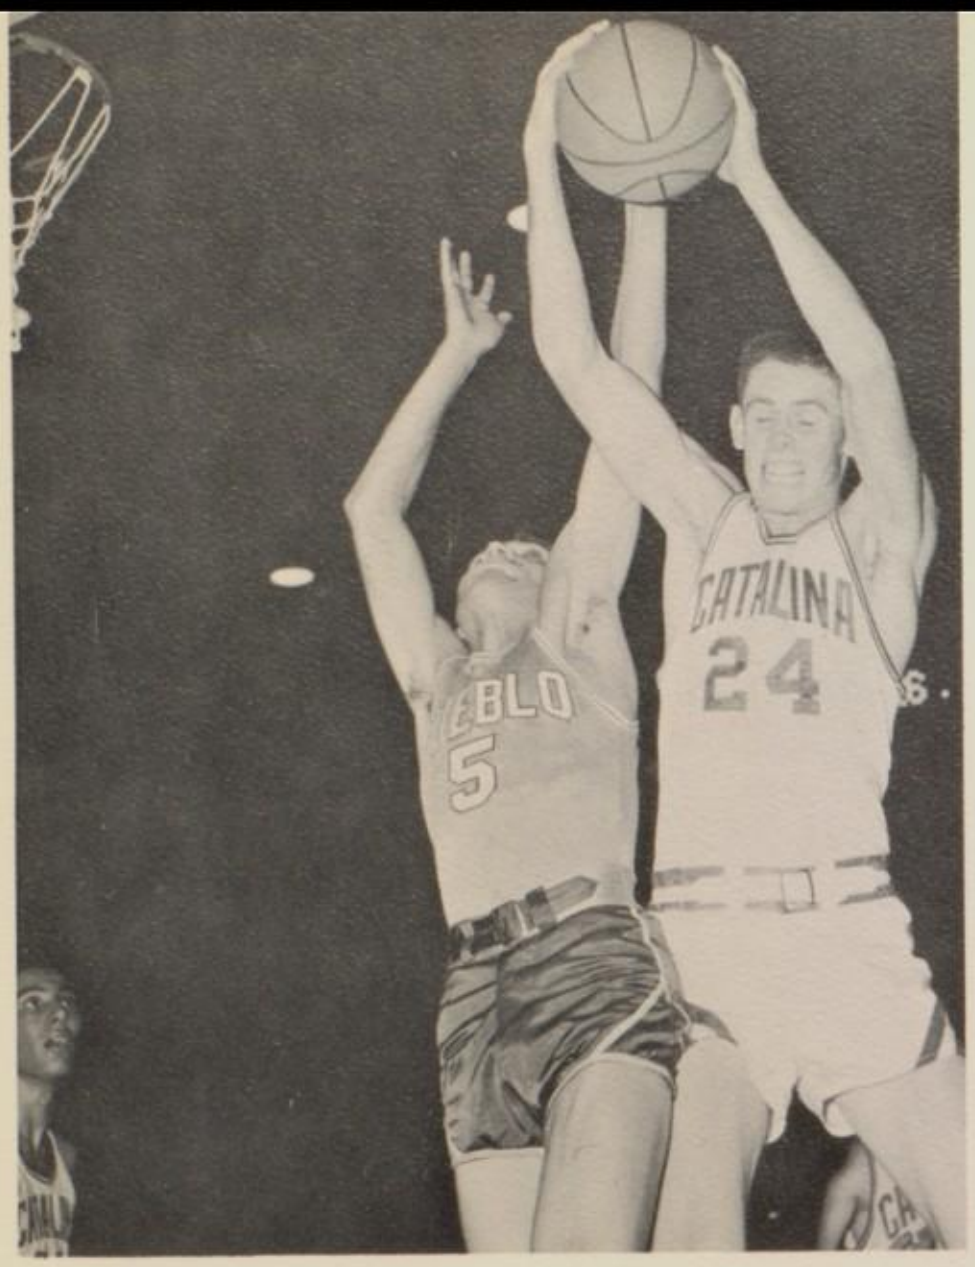
Luck changed for the C.H.S. team in the next two encounters. Friday night the blue and white met Tucson's sky-scraping Badgers and even a brilliant last quarter rally fell one point short as Tucson won the 48-47 thriller from the Trojans. Saturday, homestanding Carl Hayden gave the sluggish Trojans a 44-40 defeat.

Cagers Bring Home Holiday Consolation Championship

Participating in the First Annual Holiday Tournament, Catalina's cagers brought home the Consolation Championship after being knocked out of championship play by Rincon's Rangers.

After the Christmas holidays, the squad started the new year off with a bang by drubbing Amphi but ran out of gas as top ranked South Mountain eked out a 67-62 win.

"Cinderella" Team Wins



Snagging a rebound from Pueblo's George Burruel is Trojan Bud Doolen.

Trojan Coach Bill Kemmeries again proved his coaching ability as the green 1961 Catalina team surprised everyone with their playing and became known as the "Cinderella" squad of Tucson.

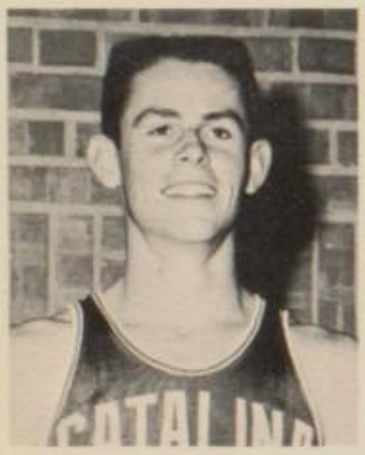
Beginning in January four straight victories were chalked up by the team. The wining streak began with a 67-43 win over Sunnyside, and was followed by one of the biggest upsets of the season, a 49-38 victory over Rincon. Continuing their winning ways, the Catalinans swamped Salpointe 54-37, and then squeaked by West Phoenix 69-67 with the second team playing the entire second half. The final win of the streak was a 57-50 verdict over hapless Pueblo.

Tucson handed Catalina a thrilling 43-41 defeat in a game which went into two tension packed overtimes. After their cliff-hanging loss to Tucson, the Catalina cagers bounced back and thumped Saint Mary's 61-49. The Trojans then defeated Amphi 60-51 to give them their last regular season victory.

Closing out the season against Rincon and Phoenix Union proved to be a rough task for the C.H.S. five. Rincon took advantage of playing on its home court and gunned down Catalina, 75-66. The following night powerful Phoenix Union, humiliated the Trojans 65-38, to end regular season play.

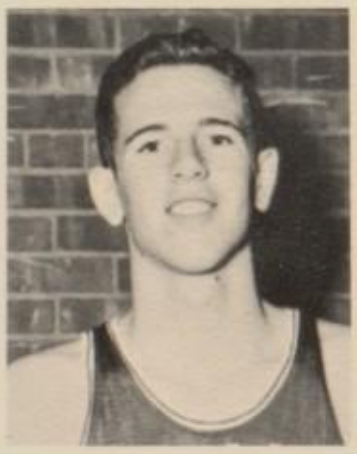
After the loss to Rincon, a coin was tossed to determine the second place winner in AA Division. Rincon won the tie-breaking flip and Catalina became the third place finisher.

GUARD



Leading scorer for C.H.S. was senior guard **Bud Doolen** with 354 points. Named co-captain of the 1961 All-City team, he was also a high jumper and hurdler. Bud's activities included Hi-Y, Letterman's Club, and Senior Advisory Board. He plans to continue his basketball career in college.

FORWARD

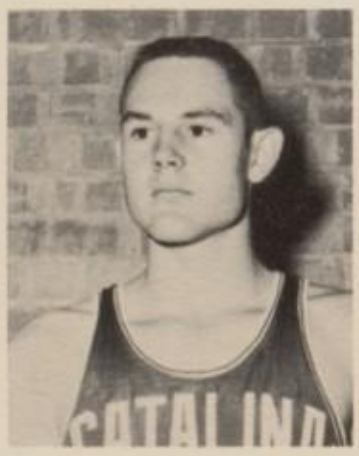


Pleurisy caused him to miss five games, but senior forward **Jamie Foster** came back to give rebounding strength and points to the roundball team. Interested in Hi-Y, Letterman's Club, and chess, Jamie states, "Anyone qualified should go out for athletics; they help your character and are important to school activities."

CENTER

A valuable player to the team, senior center **Scott Pickart** set up many baskets this season. Transfering here from Wisconsin, he was in the Letterman's Club and Latin Club, and was a Junior Class officer. Scott also participated in baseball, football, and cross country and after graduation plans to attend the U of A.

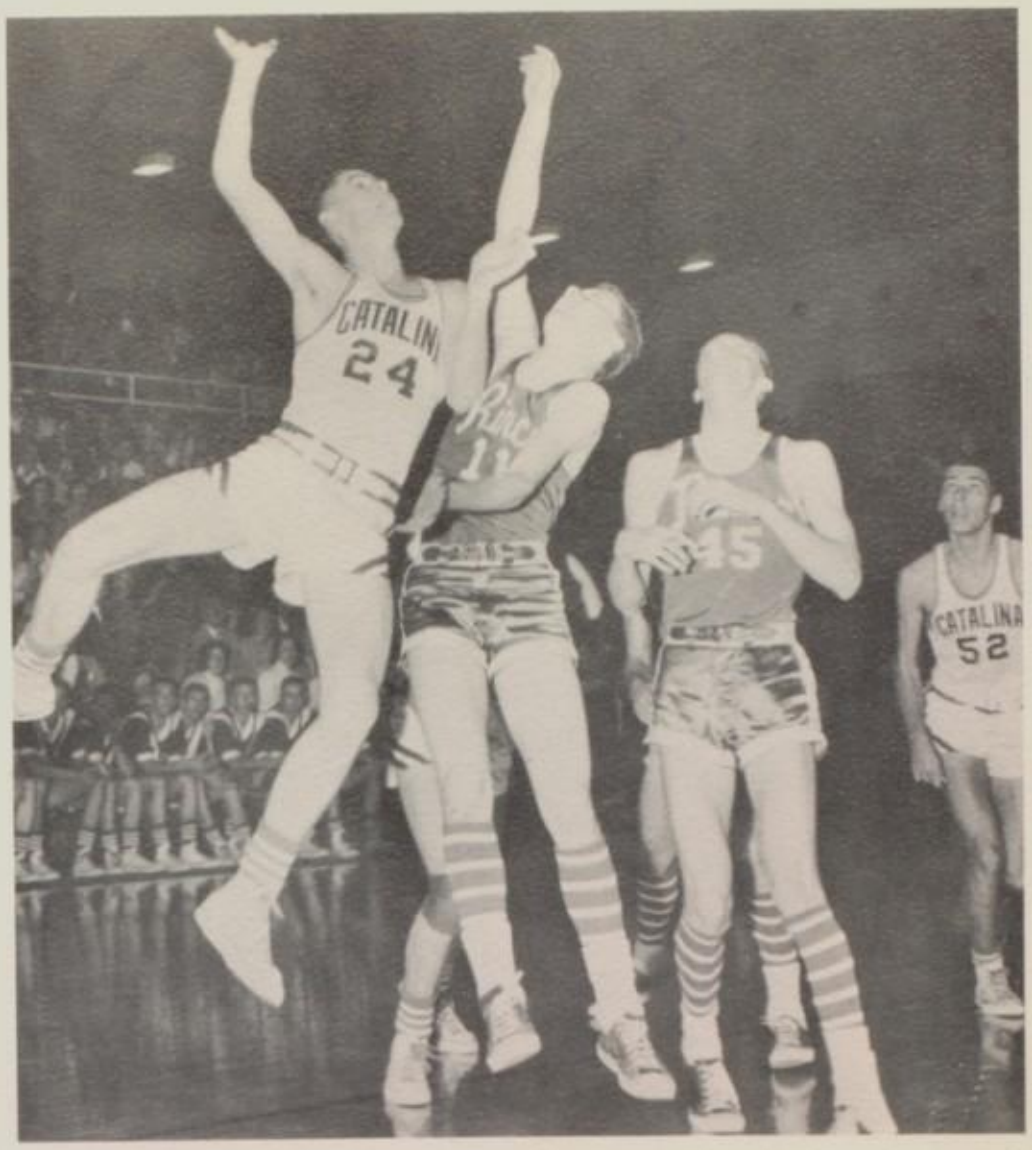
FORWARD



Junior forward **Clive Seal** was the only underclassman on the Trojan starting five. A rugged defensive man, he was responsible for holding down many high scoring opponents. Clive was also a starter on the Trojan baseball team and was president of the Spanish Club and a member of Letterman's Club.

GUARD

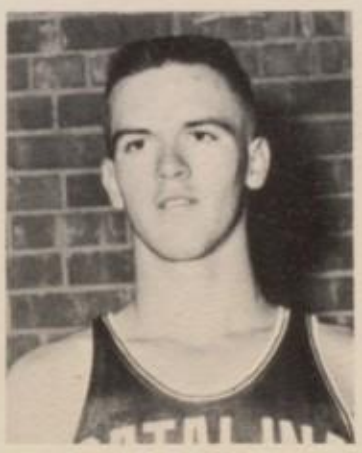
Proving that the little man in basketball is not dead, senior guard **Carl Ferguson** was a key factor in many Trojan victories this season. "Fergi" was also a high jumper on the track team and participated in Hi-Y. He is interested in music and sports and plans to attend Kings Point College in New York.



Rincon's defeat was too much for Ranger Dennis Albright (45), but Catalina's Bud Doolen flew away in elation.

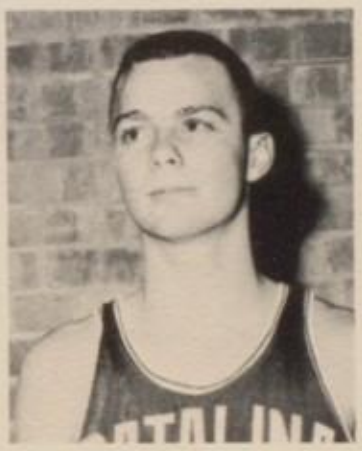
Trojans Rebound—Larry Johnson (22) and Jamie Foster (44) grab the ball from Salpointe.

GUARD



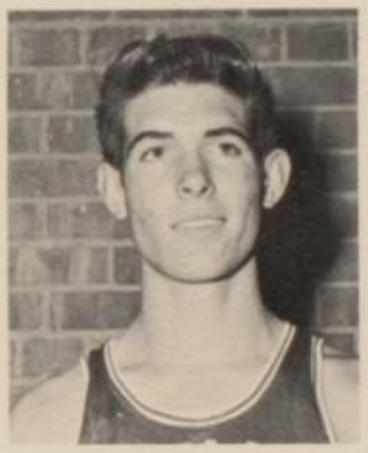
Junior **Bob Jameson** is interested in sports and hunting. Besides being on the Trojan hardwood squad, he is starting catcher on the Catalina baseball nine. In addition, he played freshman and junior varsity football. Bob is active in the Letterman's Club and plans on attending the University of Oklahoma.

FORWARD



Nicknamed "Cobra" by his teammates, junior forward **Larry Johnson** is famed for his free throw shooting style. A top notch rebounder, Larry has been sent in to provide rebounds needed in clutch situations. Larry is also active in Hi-Y and the Letterman's Club. He plans to attend the University of Arizona.

CENTER



A 1.0 student, junior **Aaron Latham** is active in Hi-Y, Junior Red Cross, and Junior Advisory Board. Besides being on the Catalina "roundball" team, Aaron is a candidate for American Field Service and is a member of the Trojan track squad. Upon graduation, Aaron plans to attend either Texas A&M or the U of A.

FORWARD

"Parties" are a favorite pastime of senior forward **Harry Cornelius** who is also a member of the Trojan grid and diamond squads. Active in Hi-Y and Letterman's Club, Harry helped out with the Peanuts for Polio drive this year. After graduation Harry plans to enroll at the University of Arizona.

GUARD

Doug Ward, junior guard, is also a member of the football and baseball teams. His outside interests include Hi-Y and Letterman's Club. Doug is active in student government; he was Freshman Class president and served on the student council as a sophomore. Following graduation, Doug plans to attend the University of Arizona and hopes to play basketball there.

Squad Springs Upsets

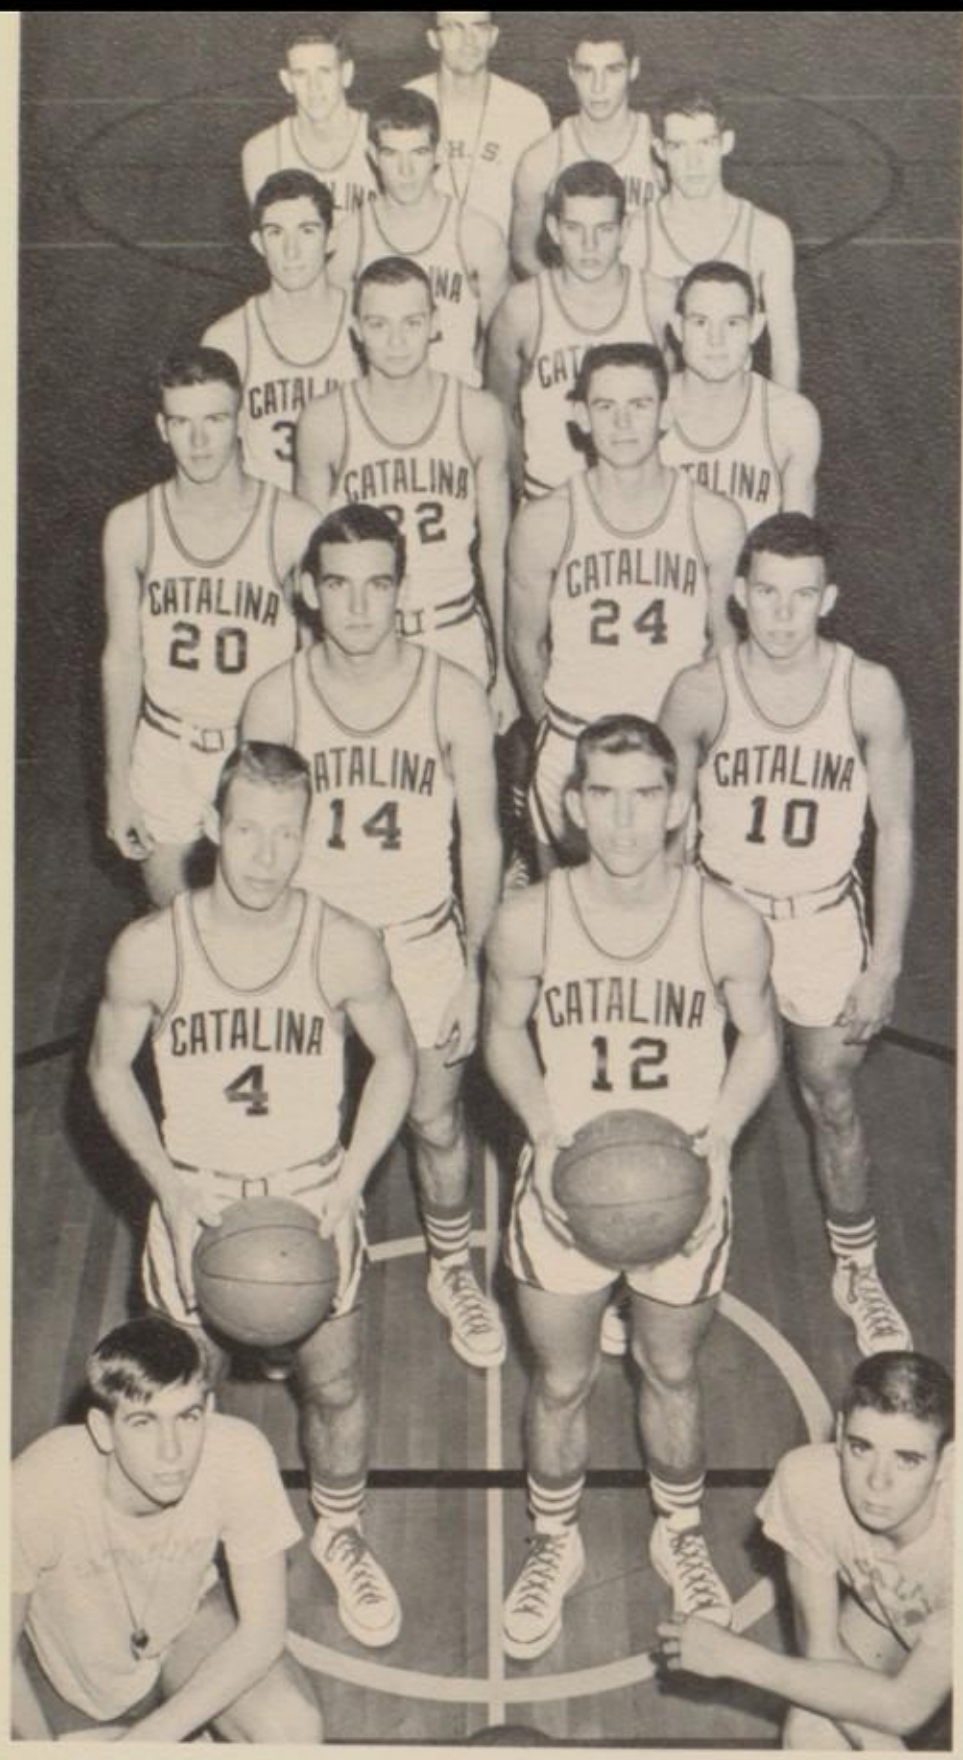
In order to advance tour teams into the State Championship Tournament, a Regional Qualifying Tournament was held late in February. During this Tournament the Trojans sprang two of the biggest athletic upsets in Catalina's history.

Stunning everyone, Catalina eliminated pre-tournament favorite South Mountain in a 60-48 game. The following night the roundballers surged forward in their quest for a State Tournament berth and walloped Tucson High, 53-39. With the win over Tucson and Rincon's loss to Phoenix Union, Catalina emerged as the only Tucson entry into the State Championship Tournament.

Glendale Washington fell victim to the Trojans in a 62-51 triumph during the first round of the state tourney. In the Championship game, however, it was a different story. This final encounter found the Blue and White trailing the Coyotes by only six points at the end of the third quarter. But then Phoenix Union's blistering fast-break and Catalina's cold shooting took their toll in the last period and the Coyotes waltzed away with their sixth state title in seven years.

At season's end, several Trojan basketballers received special honors. Buddy Doolen was honored by being named to practically every All-State team in Arizona, besides being named All-City Co-Captain, and All-State-Tournament first string.

Along with Doolen on the All-State Tournament first string was CHS forward Jamie Foster. Five foot seven inch sparkplug Carl Ferguson grabbed a spot on the second string State-Tourney team, and Ferguson and Foster both received All-City Honorable Mention as did Wisconsin transfer Scott Pickart.



VARSITY BASKETBALL SQUAD—Front Row: Bob Briedis, Rick O'Hara, mgrs. . . . **Second Row:** Carl Ferguson, Ken Spiegel . . . **Third Row:** Doug Ward, Tom Murphy . . . **Fourth Row:** Bob Jameson, Bud Doolen . . . **Fifth Row:** Larry Johnson, Clive Seal . . . **Sixth Row:** Harry Cornelius, Bob Beaver . . . **Seventh Row:** Aaron Latham, Tom Bartholomew . . . **Eighth Row:** Jamie Foster, Coach Bill Kemmeries, Scott Pickart.

Tucson's **Coach-of-the-Year Bill Kemmeries** was born in Naples, Italy, where his father was stationed with the Foreign Service. He lived in Nogales, Arizona, for nine years and then moved to Tucson in 1944. While playing basketball for Tucson High, Mr. Kemmeries was named All-State Captain. At the University of Arizona he made All-Border Conference and gained honorable mention in the All-American rankings. While at C.H.S. he has produced some of the best teams and most outstanding players in the State.

J. V.'s Snare City Crown; Post 13-3 Record

Rebounding in action against Salpointe are Harold Barr (19) and Bob Krulish (20).

Led by high scoring center Bob Krulish, the 1961 Catalina Junior Varsity basketball team copped the city Junior Varsity championship with a 10-1 record, and in addition, posted a 13-3 seasonal mark. The only blot on the Junior Trojan's city record was a thrilling 48-49 overtime loss to Tucson High. The Blue-and-White squad evened the score however, by dumping the Junior Badgers 39-31 in their second meeting. This game marked the first Junior Varsity basketball victory over T.H.S.

Coached by Galen Kintner, the Jr. Trojans made up for a 7-8 season as Freshmen by taking wins over every city school, including two wins over arch-rival Rincon, which avenged two losses to the Rangers as freshmen.

Freshmen Cagers Surpass Other City Squads

Climaxing the season with a 57-31 tromping of Phoenix Union, Catalina's Freshman Basketball team finished with a 10-2 record, making them city champions. In addition, the Colts were undefeated in games with out of town teams. Highlights of the season included wins over Pueblo and Rincon, marking the first time a Catalina freshman basketball team had beaten these two schools, a win over Phoenix Union, top frosh team in the state, and twin wins over Tucson High by 27 and 20 point margins.

Top players on the squad were center Dave Supina, forward Jon Mustonen, and guards Craig Gillaspie and Bob Bergen. The Colts were 10-2 against city competition, and defeated every team in Tucson at least once. The only two defeats for the Colts came at the hands of Pueblo, and Sunnyside.

Trojan Defenses

With seven returning lettermen, Catalina's Varsity baseball squad entered the 1961 season with hopes of being in contention for city, conference, and state honors. Coached by Cliff Myrick, the Trojan nine were out to improve upon last year's 12-8 season record.

Hitting Obstacle Overcome In Some Games

Poor hitting seemed to be the major obstacle for the Blue and White to overcome, as all of the top hitters graduated. In the seasonal opener, they were held to one lone hit, a sharp single off the bat of flashy Bruce Davidson, and fell to the Nogales Apaches, 3-2. In the first city and conference game, however, the Catalinians fared better, picking up four hits and taking advantage of Salpointe wildness to bring home a 9-1 victory. Pitcher Doug Holliker led the Trojans in the field by hurling a two hitter, and allowing only one run.

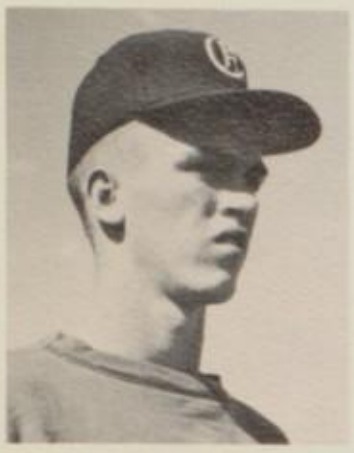
Variety Of Skill Leads Team

Leading the Catalina nine this year were pitchers Doug Holliker and Larry Dent, catcher Bob Jameson, infielders Mike Sorey, Ken Spiegel, Dick Lopez, Tom Davis, Kip Depascal, Sam Polit, and Howard Meek. The fleet outfield consisted of Bruce Davidson, Don Gabriel, Clive Seal, and Jack Gatlin. Prospects for next year seem encouraging with the return of six active players plus a host of talent from the Junior Varsity squad.

PITCHER

Now in his third year on varsity, senior pitcher **Doug Holliker** has also been active in football. A member of the Hi-Y and Letterman's Club, he is interested in reading and all sports. After graduation, Doug plans to play baseball and work before entering the University of Arizona to major in Electrical Engineering.

CATCHER



Starting catcher for the second straight year was junior **Bob Jameson.** This summer he plans to attend a professional baseball camp, but now has to bide his time enjoying weekends! He feels that baseball and track are not well enough known at Catalina, and that more spectators should attend these two sports contests.

FIRST BASE

Senior firstbaseman **Mike Sorey** is in his fourth year of baseball. A member of the Letterman's Club, he is interested in dating. Besides baseball, Mike also played freshman football and three years of basketball. Upon graduation, he plans to enroll in the Collgee of Engineering at the University of Arizona.

SECOND BASE

A fishing trip to Oregon this summer figures in the plans of senior infielder **Richard Lopez,** who also lists hunting as an outside interest. In his second year on varsity, he also piayed on the junior varsity and freshman teams for Catalina. Next year, Richard plans to enter the Navy or one of the other armed services.

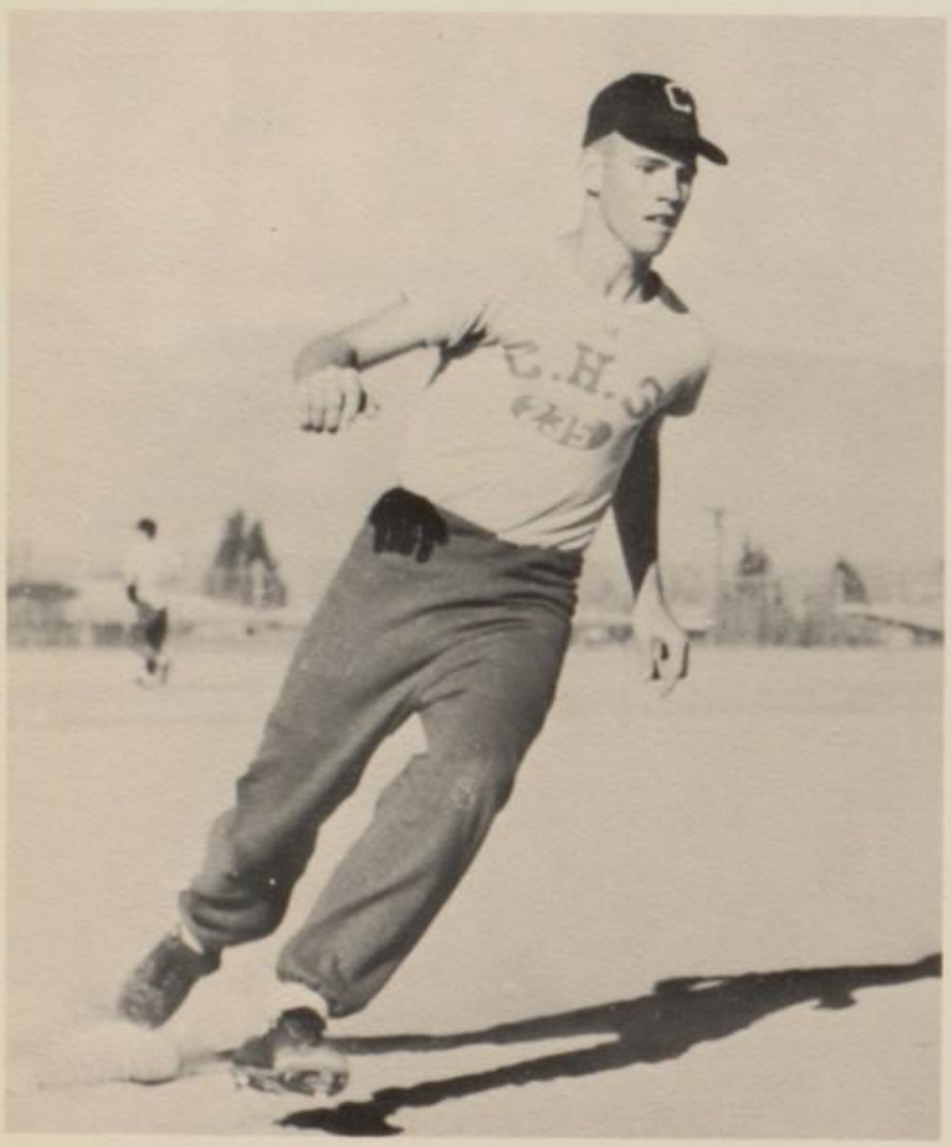
THIRD BASE

Veracruz, Mexico, was the birthplace of senior **Sam Polit.** In his first year out for baseball, he won a starting berth on the team, aided by experience in city leagues. Active in the Science Club, Sam is planning to attend college. At present he is uncertain about where he will go, but will probably choose the U of A.

Rincon Is Main Foe

A total of nineteen games, nine at Catalina and ten away were played by the Trojan nine this year. Two of the biggest games were the Rincon encounters. Last season the Rangers twice defeated Catalina, 4-3 in ten innings, and 3-1 in another thriller. This year the Rangers were picked to take the city title on the strength of returning lettermen. The Trojans, however, hoped to upset the applecart, take a pair of wins over the Rangers, and cop the city championship. In 1959, the men of Troy copped the city championship and wound up in a first place tie for the division lead before losing a playoff game with Tucson High. Picked for the loop cellar in 1960, they put on a strong finish to wind up in the league's upper division, and posted a 12-8 season overall.

In addition, the Trojans defeated the second and third place teams in the state, Tucson High and Phoenix Union, in regular season play, and became one of the few high school teams to beat the U. of A. freshman team.



Fastest outfielder in the state, Bruce Davidson, rounds third base during a practice session.

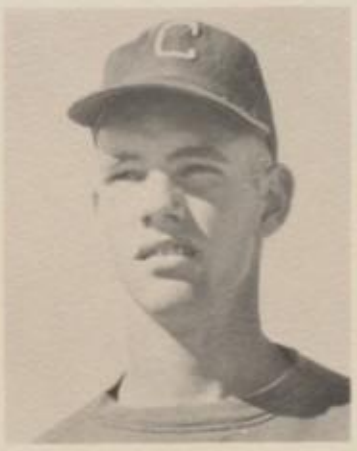
Well known for his success at Catalina, varsity baseball **Coach Cliff Myrick,** who played for the U of A, guided the 1959 CHS team to the city championship and a tie for the division 4-AA lead. Last year the team upset league leader THS 4-3 to end the season in the league's upper division.

VARSITY BASEBALL SQUAD—Don Gabriel, Buz Ezell, Sam Polit, Kip Depascal, Larry Dent, Francis Klensin, Richard Lopez, Mike Sorey, Tom Davis, Ken Spiegal, Jerry Fitz, Bruce Davidson, Tom Grissom, Howard Meeks, Richard Grenell, Jack Gatlin, Bob Jameson, George Liles, Bob Alcorn, Clive Seal, Harry Cornelius, Bob Beaver, Coach Cliff Myrick.

SHORTSTOP

A native Arizonan, senior **Tom Davis** has played baseball for four years and was on the football team. Active in orchestra, Tom also likes to collect coins and minerals and enjoys flying. Tom plans to enroll at the University of Arizona, majoring in business law.

LEFT FIELD



Finding an abandoned B-29 in the Rincon mountains is the desire of senior outfielder **Bruce Davidson**, who also played on the Trojan JV football team. A speedy runner, "Flash" is at present the fastest outfielder in the state. Bruce plans to attend the U of A and major in psychology upon graduation.

CENTER FIELD

Junior outfielder Clive **Seal** raises Siamese Fighting Fish as a hobby. This was his third year out for baseball and his second as a varsity starter. Clive is of the opinion that, "Teachers should abolish homework so that students could have more time for sports and other fun things. After all, what is high school for?"

RIGHT FIELD

Native Tucsonian Jack **Gatlin**, junior rightfielder, also played football and basketball in high school. A member of the Letterman's Club, Jack plans to attend the University of Arizona upon graduation. He feels that Catalina has one of the best athletic programs and the best sportsmanship of any school.

PITCHER

Larry Dent, junior pitcher has been on the varsity baseball squad for two years. Active in Hi-Y, Service Council, and Student Court, Larry is also interested in reading. Besides being on the baseball team, he was a member of the freshman and junior varsity basketball squads and played freshman football.

J.V.'s Out to Maintain Record They Made in 1960

Opening their season with a 9-1 victory over Salpointe, Catalina's Junior Varsity Baseball squad appeared to be in a position to fight it out for the city championship. Led by the hitting and fielding of third baseman Steve Owens, Center fielder Glenn Thompson, second baseman Keith Wells, first baseman Bob Beaver, and pitcher John Holstrom, the Junior Trojans expected their toughest competition from Tucson and Rincon. Coached by Les Wood, the Trojans main weak point was in the pitching department but coach Wood expected this to be overshadowed by better than average hitting and good fielding. City champions last year when they were freshmen, they hoped to continue winning ways.

Freshman Team Opens Season With High Hopes

Frosh baseballers Dick Plunk and Red Mann demonstrate how to catch a fly ball.

Looking forward to much improvement after a discouraging opening loss, Catalina's frosh baseball squad was full of hopes for bringing home the second straight city freshman baseball championship for Catalina. In their opening game, the Colts lost a 6-3 decision to the Flowing Wells Junior Varsity. Coached by Everett Nicholsen, they played a total of 11 games. Led by pitchers, Tom Old and Jim Clister, the Frosh expected tough competition from every city school. Next year, the freshmen will move up to the Junior Varsity, and following that, the Varsity squad. In this way, the Varsity team is able to develop the best possible material every year.

TRACK

Track Opens With Win

Trojans Contend for Honors; Svob, Donner Lead In Track Events

Catalina's track squad opened the 1961 season by walloping arch-rival Rincon by the overwhelming score of 80 2/5 to 32 3/5, and immediately set itself up as a leading contender for city, conference, and state honors. Leading the Trojan onslaught were junior distance runner John Donner and senior pole vaulter Bob Svob. Donner, who set a state record in his sophomore year with a clocking of 4:25.3 in the mile, opened his 1961 quest for a new record by running the distance in 4:35, despite heavy winds. Then the junior distanceman took his second blue ribbon of the day by winning the 880 yard run in 2:01.3, only two seconds off of the city record. In the meantime, Svob was taking twin wins by pole vaulting 12 feet and hurling the disk 129 feet.

Catalina Hosts City Relays

Thirteen meets held the attention of the Trojan tracksters, and they were hosts for the City Relays on March 11, and for the city championships on April 27 and 28. In addition, the Trojans hosted Salpointe, Pueblo, and Amphi in dual and triangular meets. Dual meets away from home were with Rincon, Tucson, Glendale, Prescott, Washington, and Pueblo. Other meets the blue and white participated in were the Tucson Relays at Pueblo, the Glendale Invitational, The Southern Arizona Relays at Tucson, the conference qualifying meet at Rincon, the inter-division meet at Rincon, and the State Meet at the University of Arizona.

J.V.'s Begin With Two Victories; Seek Trophy

Sprinting across the finish line, Tom Tappan finishes ahead of the field.

Opening the season with two straight victories, Catalina's Junior Varsity track squad got off to a flying start in their quest for Catalina's second straight city Junior Varsity track championship. A humiliating defeat of Rincon, 80-33, started the J.V. season. Following this was a 68-45 win over Amphi. Shot putter Dale Groshon, discus thrower Larry Racer, and distance runners Jim Balogh and George Cunningham led the team this year. According to coach Bill Kaiser, the Jayvee's were well balanced and could become one of the best Junior Varsity Track squads ever produced at Catalina. A shortness in the sprints and weights were the only deficits that the Junior Trojans had. Hard practices and work helped overcome these minor weaknesses and developed a promising team.

Coach Bill Kaiser

Frosh Cindermen Lack Depth, Gain Experience

Despite a lack of numbers and depth, Catalina's Freshman track squad entered the season with spirit and determination. Leading the team were all-around-man Ried Ehlenberg, field man Craig Gillaspie, and distance runner Glenn Rothrock. In the season opener, they lost a dual meet with Tucson 38-66. Lack of depth proved to be the Trojan's downfall as they were able to gain only five first places and a handfull of seconds and thirds, while the Badger Cubs used their depth to make clean sweeps in many events. In the next meet, this handicap was again prevalent as Rincon handed the freshmen a 62-42 defeat. Frosh Coach Lee Morton said if the team was able to gain needed pole vaulters and distance runners, they could finish above the .500% mark.

Led by State Champion runner John Donner, the cross-country team ended the season with a 6 win, 1 loss, and 1 tie record. In addition, the team came in second in the state meet, behind powerful Phoenix Union.

Donner, who was undefeated in nine meets this year, now holds every cross-country record in the state, and in addition is the second State Champion runner from Catalina, giving C.H.S. the unique position of being the only school in the state to have had two cross-country state champions.

Catalina's only loss of the year in dual meets came from Pueblo in a 29-28 count. In other meets, the Trojans defeated Rincon, Tucson, Amphi, and Salpointe while running a 28-28 dead heat with State Champion Phoenix Union.

The Junior Varsity and Freshman Squads also had successful seasons. The Jayvees racked up a 4-1-1 season record, tying for the city Championship with Rincon, while the Freshmen had a 2-1 year.

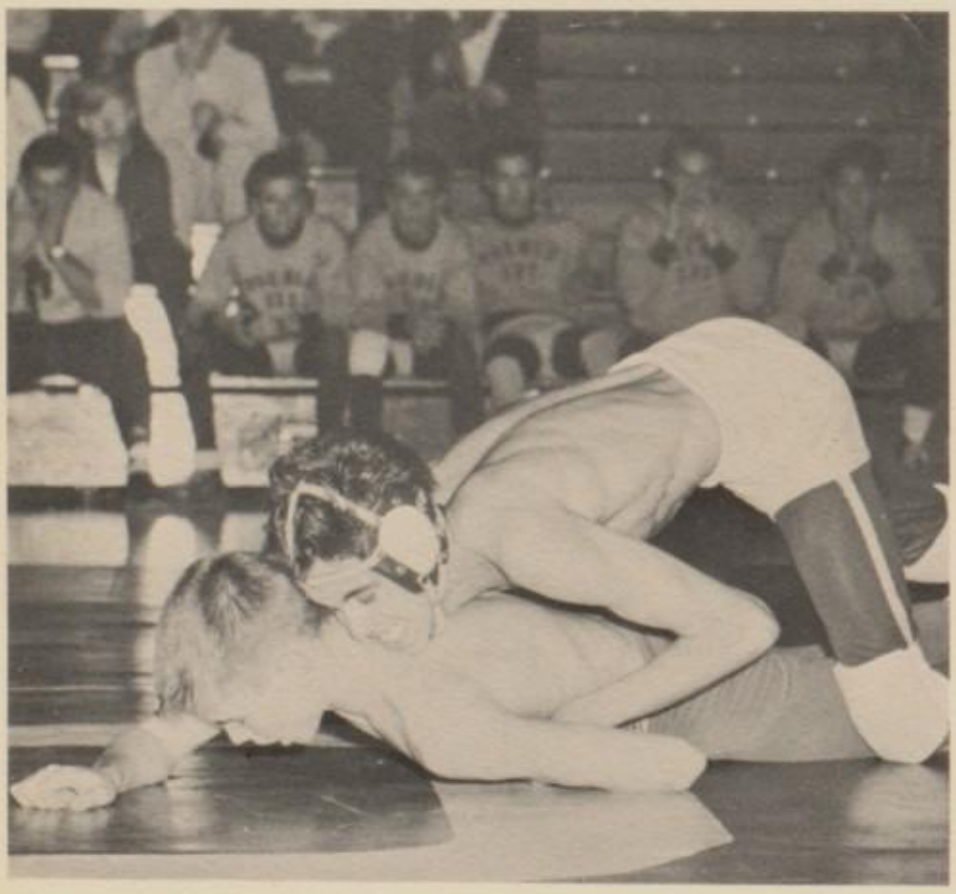
Powerful C.H.S. Grapplers Wind Up Fifth in State



Taken Down by Gil Garcia of Pueblo is Phil Rasp.

Showing their strength early in the season by defeating Tucson High, the second place team in the state in 1960-61, the wrestling squad proved to be the best in Catalina's history. The Blue and White grapplers went on to defeat Mesa, Yuma, Glendale, Rincon and tied Pueblo.

Catalina pulled its biggest upset by placing second to Tucson in the regional tournament defeating Rincon, Yuma, and Pueblo. The next week the Trojans did the best in the history of the school by placing fifth in the state where Phoenix Union took top honors.

A notable highlight of the season was when Bucky Clinton, a junior, took the state championship in the 103 pound class. Also placing in state were Gary Cable, third in the 120 pound class, and Bill Bell, fourth in the 191 pound class.

Led by Tom Ray, Randy McNellis, and Mike Ford the frosh grapplers came in second to Pueblo in the first annual city freshman wrestling tournament.

Undefeated Don Hall led the junior varsity matmen in posting a 7-4 record. During their season the J.V.'s came up against Tucson, Pueblo, Rincon, Washington, Glendale, Mesa, A.S.D., Benson and Flowing Wells. Seventy promising wrestlers will return next year to carry on the tradition of the team.

CHS Racketmen Overcome Lack of Experience

Racking up another score is Pat Beers.

Muffled sounds of tennis balls hit by taut gut strung rackets were heard all year as boys prepared to make 1961 the best tennis season in Catalina's history.

Characterized by inexperience because only three lettermen, Dick Johnsrud, Tom Currie, and Cal Doner, returned from the '60 squad, the Catalina netmen won the first six out of seven matches on their schedule. After losing their first meet to Tucson High, the national champions, Catalina's team went on to defeat Rincon, one of their strongest opponents. After this victory Coach Keith Meenan predicted the team would be a top contender in the tennis tournament, with Tucson High as their toughest opponent.

Twenty-five boys comprised the largest squad yet with seven on the varsity team. Nineteen matches and five tournaments were played by the varsity with Dick Johnsrud, who placed third in the 1960 state tournament, as the mainstay of the squad. The J.V.'s played a twelve game schedule and counted on sophomores John Stevenson and Gary Gibson to lead them to victory.

In the fall season the freshmen were undefeated and placed first in the city.

Next year's team will have the strong advantage of three returning lettermen.

Gymnasts' Performances Include All Ten Events

Split Demonstration is given by Stephan Monk.

Six men, constitution of the team, revised their performances to include all of the ten major events instead of each member specializing in one event. Coach Rittenhouse comments, "We got off to a good start and should end up with a good season."

Overwhelming Rincon by the score of 100½-9½, the Trojan Gymnastics Team started the season by contending with this arch-rival. Ray Arnold led the Blue and White with 32 points and copped 6 first places out of 10.

On the agenda for the year were seven meets, three of them at Catalina. Among the various events the gymnasts participated in were: free exercise, rope climb, tumbling, high bar, parallel bars, flying rings, still rings, side horse, and the long horse.

Last year's team wound up the season with a 7-3 record including a win over Phoenix Union. This year, the toughest competition was expected from Tucson High, last year's state champions, and Phoenix Union.

In his four years as head of the Catalina squad, Coach Rittenhouse has compiled an outstanding record, and has made the Catalina squad a team to be respected throughout the state. With an eye to the future, "Ritt" has been busily training underclassmen in the fundamentals of gymnastics, assuring C.H.S. of gymnastics prominence for years to come.

Trojan Linksters Invade the Golf Course

Bolstered by returning lettermen Bradley Schiefelbein, Jim Caywood, and Bill Gemmer the Trojan Linksters defeated the high-rating city teams of Rincon and Tucson High. The team was also aided by Mike Cartwright, a member of the football team.

The twelve man team, one of the biggest Catalina has ever had, played twelve matches among which were Douglas, Mesa, and Yuma. Two thirty-six hole tournaments, the thirty-six hole Junior College Invitational and the thirty-six hole State Tournament were on their schedule.

Coach James Black declared that this team had the greatest potential of any team so far and would be a strong force in the State Tournament and the Junior College Invitational.

Diver John Hopkins makes a good start during practice.

Spurred forward by the power of returning lettermen Lonnie Lennington, Jeff Schantz, and John Hopkins, the Catalina swimming team produced some of the best swimmers in school history. With only three lettermen the team very quickly reached the level of last year's team. Coach Jack Segurson stated, "I am very optimistic about this year's team and feel that they will be a great improvement over last year's squad."

The team held swimming practice at the Central Y.M.C.A. each afternoon after school during the swimming season. The various events the team participated in were: 50, 100, 200, free style; 100 breast-back butterfly; diving; 200 individual medley; 200 medley relay; and the 200 free style relay.

The rifle team participated in the N.R.A. Indoor Regionals, N.R.A. Outdoor Regionals, and The University Week competition.

Girls on the rifle team defeated Oregon State College and Arlington State College. Andi Canning shot a perfect score in offhand (standing) position to set a new school record. Coach Ed Kuhn stresses that the rifle team strives for perfect marksmanship, from beginners up.

Pep Leaders Spend Much Time in Public Eye

Anticipating her turn in the spelling of the cheer "Catalina" is Willow Carter.

Besides spending time in the public eye, the pep leaders put in many hours of their own on such projects as creating original routines, decorating goal posts, making pom pons, and painting posters. In addition, they plan the pep assemblies, and design their uniforms

The aims of the pom pon girls are to lead the school songs and instill in the crowd present the desire to participate. Twelve strong, they fulfill these objectives by appearing at all football and basketball games and pep assemblies.

The verbal support from the crowd is directed by eight cheerleaders. They follow the game and call the appropriate cheers to help initiate the desired spirit.

Balanced Team Provides a Successful Season

Miss Norma Hyatt, adviser

Varsity tennis is the only endeavor at Catalina in which a girl may earn a varsity letter. This year's varsity team, consisting of Molly Poole, Mary Ellen Dietz, Sandy Bird, Pam Phillips, and Susie Salant, played fifteen interscholastic matches this past semester; while the J. V.'s—Janie Kress, Sharon Murphy, Donna Santee, Patti Foster, and Lorraine Newlin—played nine matches. They competed against Bisbee, Yuma, Tucson, and Rincon High Schools.

The teams are chosen from the members of the tennis class. Girls who are better than average in tennis and who plan to play four years in interscholastic competition are eligible for membership on the teams. In a seventh period class, the girls are coached on the technicalities of tennis and engage in practices. They are graded and must maintain eligibility.

Intra-team competition is set up as a ladder, with each player being able to challenge only those above her. By winning her match, she may move up on the ladder.

In summing up this year's team, Miss Norma Hyatt, the sponsor, stated, "We have as strong and as well-balanced a team as we have ever had. We should do very well."

This year the Girls' Athletic Association and its sponsor honored its president, Rosalin Mack, by chosing her Catalina G.A.A. "Girl of the Year." Rosalin has been a member of G.A.A. for four years, and besides being president this past year, her senior year, she was also captain of the volleyball team. An outstanding player and leader in all phases of the club, she participated in every one of the activities offered.

Besides G.A.A., Rosalin has also been a member of the Dardanaire dance group for the past two years. Following graduation from high school she plans to enter the University of Arizona and major in physical education.

Girls Expend Excess Energy in P.E. Classes

Aching backs, broken fingernails, sore legs, and red faces can be seen any day of the school year as a result of exciting and exhausting play in P. E. classes.
Such sports as hockey, softball, tennis, volleyball, speed-a-way, archery, and basketball are offered by the P. E. department.
P. E. is required for freshman, sophomore, and junior years. A semester of health is necessary during the junior year. During the remaining semester either modern dance or one of many sports which are offered may be taken.
Freshman, sophomore, and junior girls are allowed to try out for Junior Varsity and Varsity cheerleading and songleading. These activities are included in the girls P. E. department. Girls sports are of great value in the lives of high school girls.

The Folk Dance Festival proved to be quite successful as well as fun.

Drums and cereal boxes are two means of beating out time in a freshman rythms class.

Prejudice as a personality trait is discussed by Pat Gibson and Susie Brewer in health class.

Finale . . .

Another year at Catalina is drawing to a close and the TORCH appears to signal its end. The processes of learning and growing up and the experiences of a year's fun and dreams are ours each time we turn through its pages. For seniors the TORCH is a finale — a memory book which records the most important year in their high school life; for underclassmen it depicts many of the events that lie in the years ahead.

To the TORCH staff each page is the result of many hours of work. It has been a rewarding experience for me to direct such a cooperative staff as we planned layouts, wrote copy, scheduled pictures, and checked everything, struggling to meet ever occurring deadlines. From each publication we learn things that help in the creation of future annuals and we strive to make each yearbook better than the preceding one.

Now, looking at the complete, finished product, we are proud of each one of the two hundred and eighty-eight pages of the 1961 TORCH and know you will be too. We could not have published this yearbook without the great help of our advisers, administrators, faculty, and student body.

Thank you all.

Sincerely,

Gail Price

Editor-in-Chief
